## KENYA POST OFFICE SAVINGS BANK ACCOUNTS FOR THE YEAR 1968

## REVENUE AND EXPENDITURE ACCOUNT

## INVESTMENTS ADJUSTMENT ACCOUNT

## RESERVE ACCOUNT

## BALANCE SHEET

## ACCOUNT OF DEPOSITS AND WITHDRAWALS

1 I have examined the accounts and Balance Sheet listed above in accordance with section 13 of the Post Office Savings Bank Act I obtained all the information and explanations that I required and I certify as a result of my audit that in my opinion the accounts and Balance Sheet are correct, subject to the following observations

## REVENUE AND EXPENDITURE ACCOUNT

2 *Interest Credited to Depositors* —£126,337-1-65 —This is the actual interest for the year 1968 calculated through the computer

3 *Losses of Savings Bank Moneys* —This item decreased from £5,313-15-20 written off in the previous year to £2,877-4-49 written off in 1968. The latter figure comprises 237 items and includes —

- (i) Overpayments to the public in nine cases, amounting to £40-2-29
- (ii) Forgery and fraudulent alterations to Savings Bank Pass Books in 174 cases, amounting to £1,674-8-84
- (iii) Misappropriation, forgery and fraudulent manipulation of Savings Bank accounts by Post Office employees in 41 cases, amounting to £557-12-67
- (iv) Misappropriation by Kenya Government employees at Galole Sub Post Office and at Marsabit Sub Post Office, amounting to £605-0-69

4 Further serious losses of Savings Bank moneys are anticipated due to misappropriations by Kenya Government employees and E A Posts and Telecommunications Corporation employees which are currently the subject of investigation —

District Office, Loitokitok	875	18	00
South Kinangop Post Office	25	0	00
Kerugoya Post Office	55	0	00
District Office, Suna	14	10	00

5 Interest on investments amounted to £194,174-15-20, which exceeds the previous year's figure by £3,574. This is due to an increase in deposits in the Joint Consolidated Fund during 1968 which resulted in more interest being earned. However, expenditure for the year exceeded revenue by £23,805-12-79

## INVESTMENTS ADJUSTMENT ACCOUNT

6 Depreciation on investments for the year was £7,790-10-49 which was partly offset by £3,416-18-75 arising from profit on sales of investments. The net deficit on this account for 1968 was £4,373-11-74 which was transferred to the Reserve Account

## RESERVE ACCOUNT

7 The account reflects a deficit of £1,579,933 2-10 at 31st December 1968. A footnote to the Balance Sheet records that in accordance with the terms of section 8 of the Post Office Savings Bank Act, Cap 501 of the Laws of Kenya, this amount is a contingent liability of the Kenya Government

## BALANCE SHEET

8 *Balance due to Depositors* —£5,077,863-18-58 —This is a net figure arrived at as follows —

	<u><b>£5,077,863</b></u>	<u><b>18</b></u>	<u><b>58</b></u>

Many of the overdrawn balances are due to forgery and fraudulent withdrawals, and may be irrecoverable

9 The known difference by which depositors' accounts exceed the Main Ledger account at 31st December 1968 is £12,016-15-48. However, this does not take account of the following deposits and withdrawals included in the Main Ledger account, but which have not been posted to depositors' accounts because incorrect details were recorded on relevant transaction slips at Post Offices —

10 *Cash and Investments held by Crown Agents* —Advance copies of statements of cash and investments held by the Crown Agents on behalf of the Savings Bank at 31st December 1968 have been seen but the original statements certified by the Comptroller and Auditor-General of the United Kingdom have not yet been sent to audit

11 *General* —With reference to paragraph 11 of my last report, recommendations made by the committee have now been implemented. There has been a marked decline in the number of overpayments to the public and in forgery and fraudulent alterations, compared with recent years

## GAZETTE NOTICE No 3509

THE TRADE MARKS ACT  
(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number
