GENERAL NOTICE NO. 482

THE PUBLIC WORKS DEPARTMENT

PAYMENT FOR LOCAL PURCHASES

ALL official local purchase order forms for the supply of goods to or the carrying out of services for the Public Works Department are serially numbered and clearly show the designation of the branch and division of the Department from which orders emanate, and invoices quoting the relative order serial number and date must in all cases be made out accordingly. All local purchase orders state the departmental officers to whom invoices are to be directly submitted without delay

In cases where monthly statements are submitted it is essential owing to the extensive programme of works now being undertaken by the Public Works Department and the large number of self-contained divisions now operating that separate accounts be maintained by merchants, public utility companies and other suppliers for each branch or division of the Department from which orders are received. Further, as in the case of invoices these monthly statements quoting order numbers and dates against each item, are to be rendered directly to the same source as that to which invoices were submitted

The decentralized departmental system of payment of accounts provides for settlement by the branch or division concerned, and only in cases where payment has not been effected within a period of three months should the delay in settlement be referred to the Chief Accountant, Public Works Department Headquarters Offices, P O Box 662, Nairobi, with full particulars

Under no circumstances must orders for goods or services be accepted without the support of a Public Works Department Local Purchase Order (PWD Form 311A) duly signed by a responsible officer

Period of Scholarships—Normally two years, the second being subject to satisfactory progress during the first year.

Qualifications normally required of applicants are that they—

- (b) are under 30 years of age at the time of application (but exception may be made in the case of applicants with long periods of war service),
- (c) have had not less than one year's practical industrial experience since graduation,
- (d) show evidence of good character, initiative and responsibility as well as general ability to profit from practical training in the United Kingdom,
- (e) have an adequate knowledge of spoken as well as written English,
- (f) can show proof of medical fitness,
- (g) intend to return and follow in their own country the profession for which they are trained.

Finance—(a) Travelling expenses to and from the United Kingdom, and necessary outfit allowance, and a contribution of £100 per annum to the central fund from which the scheme is administered are required to be met by the scholar himself or, should he be unable to meet these costs or any part of them, by the employer.

(b) The actual payments from the central fund to each scholar will be £650 for the two-year period, payable at the rate of £25 per month from the date of arrival in the United Kingdom until completion of the period of training. A further £50 will be held as a contingency deposit for holidays and travelling expenses in the United Kingdom.

Applications—Applications from persons in Kenya for either of these scholarships should be made to the Director of Education, P O Box 340, Nairobi, who will supply application form, and any further details that may be required.

GENERAL NOTICE No 623

PRODUCER GUARANTEED PRICES, 1949 PLANTED WHEAT

THE ATTENTION of wheat farmers is drawn to the official announcement of the prices to be paid to producers for the 1949 planted wheat crop published in the Supplement to the Gazette of 14th March, 1950.

These prices represent an increase of Sh 3/50 per bag of 200 lb for first grade wheat over the price published in Government Notice No 24 of 1950 with corresponding increases, on the agreed formula in respect of lower grades.

The change has been made following a re-examination of the matter in the light of additional data which became available subsequent to the original announcement.

Farmers will be paid for 1949-planted wheat delivered at the new prices as from 15th March, and the Kenya Farmers' Association will, on behalf of the Government, effect payments to farmers in respect of 1949-planted wheat delivered before that date in respect of the differences between the prices now published and those published under Government Notice No 24 of 1950.

Prices in respect of 1950 plantings of maize and wheat will be announced shortly.

F CAVENDISH-BENTINCK,
