## GAZETTE NOTICE NO. 3694

## THE INDUSTRIAL COURT

CAUSE NO. 22 OF 1965

## Parties:

Kenya Distributive and Commercial Workers' Union  
and  
The Mombasa Cinema Employers' Group of the  
Federation of Kenya Employers

## Issues in Dispute:

- (i) Rates of wages.
- (ii) Gratuity.
- (iii) Wages, hours of work, etc—Part-time employees.

1. The issues in dispute were referred to the Industrial Court for settlement in accordance with the provisions of the Trade Disputes Act, 1965.

The Parties were heard in Mombasa on 31st August 1965.

2. The Agreement on terms and conditions of service between the Kenya Distributive and Commercial Workers' Union (hereinafter referred to as the Claimants) and the Mombasa Cinema Employers' Group of the Federation of Kenya Employers (hereinafter referred to as the Respondents), which came into force with effect from 1st July 1963 for a period of not less than one year, was further extended in life due to the effect of the Tripartite Agreement. On 12th August 1964 the Claimants submitted a comprehensive list of proposals relating to "fringe benefits". At subsequent joint negotiating meetings and one conciliation meeting all issues, but those of "Gratuity" and "Leave" and "hours of work for part-time employees", were agreed; both Parties agreed to refer these issues to the Industrial Court.

On 15th April 1965, just after the expiry of the Tripartite Agreement, the Claimants submitted new wages proposals for full and part-time workers, and the issues of "Gratuity" and "Leave and hours of work for part-time employees" were also included in the memorandum. No agreement was reached on any of the proposals at discussions which followed, and at a meeting between the Claimants, the Respondents and the Executive Officer of the Federation of Kenya Employers on 18th May, both sides agreed to refer the issues to the Industrial Court.

The Respondents are the proprietors of the Drive-In, Majestic, Moon, Naaz, Queens (now Kenya) and Regal Cinemas, Mombasa, and collectively employ 60 full- and part-time workers.

3. (i) It was the Claimants' submission that the Respondents were able to pay much higher wages than what they were now doing. More Africans were going to the cinemas than previously and profits were bound to be higher. Some of the wages being paid were less than that provided for under statutory wages regulations orders in other industries for the same class of worker and were too low to provide even the minimum of necessities. Workers in Nairobi doing similar duties were being paid considerably higher wages as could be seen from their Agreement with the Twentieth Century Fox Group of Companies (East Africa). It was the films that mattered, not the cinema. When any cinema showed top films they increased their entrance charges. Another consideration was that the employees lived on the mainland and had to make their ways to the Island at their own expense. The Claimants also submitted that the Respondents had not taken on their 10 per cent under the Tripartite Agreement although they themselves had honoured its provisions. It was for all these reasons the Claimants submitted that they demanded improved wages for all full- and part-time workers. Their wages claims were as follows:—

	<i>Full-time</i>				<i>Sh. Per Month</i>
1. Cleaners	..	..	..	..	260
2. Sweepers	..	..	..	..	250
3. Office Messengers	..	..	..	..	270
4. Store Assistant	..	..	..	..	320
5. Headman	..	..	..	..	600
Assistant Headman	..	..	..	..	450
6. Drivers	..	..	..	..	500
Drivers, double work (house and office)	..	..	..	..	700
7. Watchmen	..	..	..	..	300
8. Booking Clerks (double work)	..	..	..	..	1,000
9. Barman	..	..	..	..	350
Assistants	..	..	..	..	250
10. Rewinders	..	..	..	..	400
11. Projectionist	..	..	..	..	1,000
Assistants	..	..	..	..	800
	<i>Part-time</i>				<i>Sh. Per Month</i>
1. Sweepers	..	..	..	..	120
2. Watchmen	..	..	..	..	250
3. Ushers	..	..	..	..	200
4. Booking Clerks	..	..	..	..	400
5. Barman	..	..	..	..	200
6. Head Usher	..	..	..	..	300
7. Soft drink and Ice-cream dispenser	..	..	..	..	250
8. Vendors	..	..	..	..	150

(ii) The Claimants submitted that gratuity had previously been demanded on behalf of the workers and that they had accepted that gratuity should be calculated on past service up to a limit of ten years; this acceptance still stood. They claimed gratuity at the rate of 14 days' pay for each completed year of service for the past ten years. The National Provident Fund, when it came into being, they submitted, would not take account of past service, therefore, it was right and proper that this matter be settled by the Industrial Court as agreement had not been reached in previous negotiation meetings. The Court was requested to make a favourable award.

(iii) Part-time workers, apart from the wages they earned, the Claimants submitted, should be on a par with those of full-time workers as far as "fringe benefits" were concerned. The Court was requested to award that, terms and conditions of service of part-time workers were open to negotiations between the Parties and to award wages as in subparagraph (i) above.

4. (i) On behalf of the Respondents it was stated that any new Agreement on wages must take cognizance of the effect of the Tripartite Agreement on any existing Agreement. The Claimants, they pointed out, had conceded in their submission, their obligation to grant a wage freeze, and the Court had already ruled in a number of Causes the necessity for trade unions to accept the obligations as they were during the life of the Tripartite Agreement. The application of the wage freeze had, therefore, extended the life of their Agreement from 30th June to 31st August 1965. At their Joint Negotiating Meeting on 13th May 1965 the Respondents stated that they had offered substantial increases on all grades but that these had been rejected.

Their offers were stated to be as follows:—

	<i>Wages as at 13-5-65</i>	<i>Wages Offers</i>
	<i>Sh.</i>	<i>Sh.</i>
Sweepers (part-time)	.. 90	—
Sweepers .. ..	155	185
Watchmen .. ..	160	200
Cleaners .. ..	160	195
Office Messengers ..	170	195
Stores Assistant .. ..	170	195
Rewinders .. ..	170	185
Drivers .. ..	200	250
Booking Clerks .. ..	260	—
Assistant Projectionists ..	280	300
Projectionists .. ..	700	800

These offers, they contended, compared favourably with contemporary wages. The Court's attention was drawn to the fall in attendances and this, it was considered, was largely due to the departure from the country of a substantial proportion of the cinema-going public.

(ii) On gratuity, the Respondents stated that they had offered seven days' pay for each completed year of service back-dated to 1st January 1960, but that this had been refused. In April 1965, an Agreement on "fringe benefits" had been concluded with an effective date of 1st October 1964 and valid for 12 months. The Agreement had been drawn up after joint negotiations. The question of "Gratuity" had not been raised in any of the latter meetings and the Respondents submitted that the Claimants should not be allowed to resuscitate matters of such a nature.

The Respondents considered that it would be an unfortunate precedent for the Court to permit unions to introduce second thoughts at any stage after they had concluded an agreement on terms and conditions of service and that it would pave the way for continuous turmoil.

On 15th April 1965, the Claimants had written a letter claiming that as the question of gratuity had not been resolved, it should be raised now. The signatory to that letter was the same officer who signed the Agreement on "fringe benefits", so it was not possible for the Claimants to argue that there was a lack of continuity to explain the omission. It was the Respondents' view that the Claimants should be required to resubmit this item when they negotiated again in October 1965.

(iii) It was the Respondents' submission that the employment of part-time employees involved a peculiar situation in that most of the persons employed were engaged during the balance of the day in other employment. They were, in fact, dual personalities who were entitled to be represented by one Union for the normal working day, and by another Union when they took up their employment with the cinemas. This peculiar situation was not brought to the Court's attention as a reason for making no recognition of these people, but it was put forward as justification for holding that they were not entitled to special consideration. Where a person was employed in an industry which laid down terms and conditions of service, if he was employed on a full-time basis, obviously he must receive all the benefits to which he was entitled. If, however, he was merely employed on a part-time basis, he could have no special entitlement—the most he could be granted was the equivalent for the hours he puts in.

It was clear, the Respondents stated, that a man who was regularly employed may receive all fringe benefits to which his continuity would entitle him, but that these benefits may not be paid to a person whose employment was transitory. The Court should hold that part-time employees were entitled to wages on a *pro rata* basis for hours of work they performed at the rate specified to be the wage for the job in which they were employed. Whether or not he would benefit by other fringe benefits, the Respondents contended, must surely be governed by whether or not they qualified by virtue of length of service to other entitlements.

#### AWARD

5. The Court, having given careful consideration to the evidence and submissions of the Parties, award as follows:—

(i) *Rates of Wages:*—

	<i>Sh. Per Month</i>
Sweepers .. .. .. .. ..	190
Rewinders .. .. .. .. ..	190
Cleaners .. .. .. .. ..	200
Office Messengers .. .. .. .. ..	200
Stores Assistant .. .. .. .. ..	200
Watchmen .. .. .. .. ..	210
Drivers .. .. .. .. ..	250
Booking Clerks .. .. .. .. ..	450
Assistant Projectionist .. .. .. .. ..	350
Projectionist .. .. .. .. ..	800

The Court is not prepared to depart from the categories of various employees as they exist at present. If the Claimants desire to vary or add to these categories they must go back and negotiate on these matters with the Respondents in accordance with the agreed procedure laid down between them.

(ii) *Gratuity.*—An employee on retirement shall be entitled to a gratuity calculated at the rate of ten days' basic wage for each completed year of continuous service as from 1st January 1960.

As no agreement was reached on this issue at the meetings between the Parties, this issue is rightly before the Court for adjudication in spite of the fact that an agreement on other fringe benefits was concluded. The latter agreement does not restrict the number of fringe benefits.

(iii) *Wages, Hours of work, etc.—Part-time employees.*—  
(a) The Court reject the Claimants' demand for fringe benefits for "part-time" employees who are already in other substantive employment.

(b) "Part-time" employees who have no other regular employment shall be entitled to the equivalent of not less than 60 per cent of all fringe benefits as negotiated for regular employees.

(c) The wages for "part-time" employees who are already in other substantial employment shall be determined on a *pro rata* basis for hours of work done at the current wage as laid down for a similar category full-time employee.

(d) "Part-time" employees who have no other regular employment shall be entitled to wages at a rate not less favourable than 60 per cent of the current wage as laid down for a similar category full-time employee, but so that no employee shall be paid less than the statutory minimum wage as prescribed under the current Regulation of Wages (General) Order.

A "part-time" employee as referred to under subparagraphs (a), (b), (c) and (d) above means any person who regularly works less than 60 per cent of the total hours as laid down as the standard working week.

The above Award has been made keeping in mind the peculiarities of the Cinema Industry. With the above points having been settled the Parties may negotiate on terms and conditions of "part-time" employees.

6. *Effective date.*—As the Respondents did not take on the 10 per cent additional employees under the Tripartite Agreement, the effective date of this Award shall be as from 1st July 1965.

Given in Nairobi this 4th day of October 1965.

#### THE INDUSTRIAL COURT

CAUSE NO. 25 OF 1965

Parties:

The Transport and Allied Workers' Union.  
and

Kenya Bus Services (Mombasa) Limited

Issues in Dispute:

Wages increase, adjustment

1. The issues in dispute were referred to the Industrial Court for settlement in accordance with the provisions of the Trade Disputes Act, 1965.

Parties were heard in Mombasa on 3rd September 1965.

2. The Transport and Allied Workers' Union (hereinafter referred to as the Claimants) claim was for a substantial increase in wages for all employees, including Inspector Grades, of the Kenya Bus Services (Mombasa) Limited (hereinafter referred to as the Respondents). There was a half-day strike on 12th April 1965 and one of the conditions of a return to work was that the issues in dispute be referred to the Industrial Court. Both Parties agreed at that meeting to refer the above issue to the Industrial Court. The Respondents have an exclusive licence for the operation of public service transport in Mombasa and for the operation of the Mtongwe and Likoni ferries.

3. It was the Claimants' submission that all employees were overdue a substantial increase in basic rates of pay. Productivity had increased considerably between March 1963 and March 1965. New buses had been purchased, Respondents' income and expenditure had increased, profits from transporting cement had gone up and also the population of Mombasa had increased which meant that there were more people to travel by bus. The Respondents were also building a new Depot and had bought a new site for new administrative offices. Whilst the Respondents' profits increased the workers' cost of living had also increased. Water had been increased by 3 cents per 4 gallons, milk by 25 cents a pint, sugar by 5 cents a pound, beer by 30 cents a bottle, meat by 30 cents a pound, charcoal by Sh. 1 a bag, etc., etc. It was the Claimants' submission that some of the profits should have been shared with the workers in the form of increased wages. The Respondents had offered an overall increase in wages of only Sh. 12 per month but this they rejected as they had found that this was the amount the employees of the associated Company in Nairobi had received in January 1964.

The present grading, they stated, was also disappointing; this did not take account of the seniority of the 1st-, 3rd- and 4th-year worker. Grading they submitted, should be as follows:—

(a) 1st to 3rd year—Grade 1.

(b) 3rd to 6th year—Grade 2.

(c) 6th year and over—Grade 3.

The Claimants' new wages demands were as follows:—

4. On behalf of the Respondents it was submitted that on 10th April 1965, during the life of the Tripartite Agreement, they had completed a collective Agreement with the Claimants and that specific reference had been made in the Agreement that the wage rates paid for the preceding 12 months were subject to a standstill for one year. The housing element was also classed as "take home" pay and was also subject to one year's standstill until 28th February 1965. Also that at a meeting between them and the Claimants on 2nd April 1965, both Parties had agreed to adopt the Kenya Bus Services Limited, Nairobi, wages scale, and that this would be applied as soon as the Tripartite Agreement came to an end 14 months after 1st March 1964. Adoption of the Nairobi wages scales would increase Mombasa drivers and conductors wages by Sh. 12 per month. Other rates of wages, it was stated, were to be discussed on 6th April 1965. The meeting on 6th April 1965 was a failure.

The Respondents maintained that they had always been in the forefront in the matter of Union recognition and collective bargaining and that over the years many contentious matters had been satisfactorily resolved. They were, however, strongly opposed to the reintroduction of grading by years of service as they considered that the present principle of the rate for the job was the right approach and should be maintained. The Claimants' demand for the introduction of more grades was also rejected.

Under the Tripartite Agreement, they claimed to have taken on an additional 44 workers and that only 15 had been made redundant at its conclusion.

The Respondents stated that towards the end of 1964 revenue started to decline and that this had continued throughout 1965. Diesel oil had increased by ten cents per gallon on 16th June 1964 and by a further 17 cents per gallon on 1st February 1965. Vehicle spares and other maintenance items had also increased substantially during 1964 and 1965.

In an endeavour to stimulate traffic, they had reorganized timetables and increased mileages. This had enabled them to keep on all their staff but the revenue had not improved proportionate to the additional mileage run.

To cover increased costs they had made application to the Mombasa Municipality on 19th March 1965 for an increase in fares, but approval had not been granted. They proposed to renew their application for an adjustment of fares.

A similar position as to profits, they stated, applied to Bulwark Transport (East Africa) Limited.

Nevertheless, the Respondents stated, they recognized that in the main, operating conditions at Mombasa were similar to those of their associated company, Kenya Bus Services Limited, Nairobi, and although the cost of living in Mombasa, particularly rents, was somewhat lower, and that they could ill afford, at the present time, any increase in their wage rates, they had offered to bring them in line with those paid by their associated Nairobi Company. In making their offer they stated, they had taken into account that their employees had suffered a two-year standstill under the Tripartite Agreement.

When their contribution to the Provident Fund, free uniforms and travel and extra staff necessary to cover local leave, sickness, and half-hour breaks for teas each shift were all taken into account, they submitted that their offer compared favourably with transport operators.

The Respondents asked the Court, in view of the foregoing, to give due weight to their present difficult financial position, the offer which they had already made, the desirability of maintaining the principle of the rate for the job and that it was wrong in principle that Supervisory Staff, who were responsible for discipline, should be represented by the same branch of the Union as that representing the employees that were subject to their supervision, and award as follows:—

1. That the increase of Sh. 12 already offered be adhered to.
2. That the increase be applicable only after the 14 months' standstill had been completed, i.e. as from 1st May 1965.
3. The Inspectors' salaries be omitted from the award on the basis that they are Supervisory Staff.

#### AWARD

5. The Court has given careful consideration to the Respondents' submission that the Claimants' are bound by the following Agreement:—

"1. The Secretary of the Transport and Allied Workers' Union to write to Mr. Lubembe, the General Secretary of the Kenya Federation of Labour as to the position of the Tripartite Agreement and the procedure to adopt *re* reduction of Staff.

2. The Management agreed that all reduction in staff necessary be discussed with the Branch Secretary of the Transport and Allied Workers' Union and, if necessary, in the presence of a Shop steward.

3. Agreed to adopt the current Kenya Bus Services Limited wage scale—showing an increase in Drivers and Conductors, for instance of Sh. 12 as soon as the Tripartite Agreement is ended and that any adjustment in wages, other than what is specified in the Nairobi wage scale, be discussed on 6th April 1965, at 2.30 p.m.

4. In view of the foregoing, the Union agreed that there will be no industrial unrest affecting the Company during the remainder of the Tripartite Agreement and that they will abide by the negotiating machinery laid out in the present Agreement."

At a subsequent meeting on 6th April 1965 the following is recorded under the heading "Wage Adjustment":

"2. The Management again reviewed the Company position and in this light could not increase in any way the offer already made to introduce the K.B.S., Nairobi, wages scales at the end of the Tripartite Agreement as mentioned in earlier minutes. The Union stated that this was a matter for the workers to decide whether to accept or not, but in the Agreement that we should have a joint Meeting consisting of Management, Union and two Shop stewards with the Senior Labour Officer present, the matter will be held over until the Meeting took place, which, it was hoped, would be Saturday, the 10-4-65. In view of this, the terms and conditions of service and establishment would be discussed at that time.

*Ferry.*—This would be the subject of a separate Meeting on Friday, at 3.30 p.m. at the Ferry in the presence of the Ferry Superintendent and the Conductor Representative (Ferry).

*Bulwark.*—Separate Meeting to take place sometime after 8th April 1965."

A close examination of the aforesaid documents reveals that, in fact, there is no binding agreement and that only an offer had been made which was not accepted. If a final agreement was made on 2nd April, it was reopened by consent as is quite evident from the minutes recorded and reproduced hereinabove.

The Court notes that, prior to the commencement of the Tripartite Agreement, the terms and conditions of service in Kenya Bus Services (Mombasa) Limited and Kenya Bus Services Limited, Nairobi, were the same. Negotiations in Mombasa used to be preceded by negotiations in Nairobi. After the finalization of negotiations in Nairobi a demand by the Union was made in Mombasa which was invariably accepted.

This was nothing more than a mere formality. In 1964 at the commencement of the Tripartite Agreement negotiations in Nairobi were being processed and were allowed to be finalized. Unfortunately, in Mombasa, due to the Tripartite Agreement, Nairobi rates could not be implemented. The Court encourages the parity between Nairobi and Mombasa Kenya Bus Companies and, keeping this in view, the Court has made the following Award and it is hoped that, when negotiations commence in Nairobi and Mombasa at the expiry of the current Award, steps will be taken to achieve the parity that used to exist up to the time of the Tripartite Agreement when new wages are worked out.

The Court rejects the new categories which the Claimants included in their demand as, if any variation is to be made on job classification, the Parties should negotiate them in accordance with the recognized and agreed procedure.

On the question of Bus Inspectors being represented by the Union this should be discussed between the Parties and a demarcation line drawn in accordance with the definition of "Supervisory" quoted hereinbelow.

#### "Supervisory:

A person who supervises the work of others, who is responsible for a section of the activities of the Company, who is required by Management as part of his duties to make recommendations in connexion with hiring, firing, promotion, demotion, or disciplinary action and to whom subordinate staff would apply in the first instance for the remedy of grievances."

It was alleged by the Claimants that some of these Bus Inspectors are not strictly "Management" as such. Therefore the Parties should negotiate on it.

*Wage increase, adjustment.*—The Court awards an increase of Sh. 18 per month for all employees in all categories with effect from 1st May 1965.

Given in Nairobi this 4th day of October 1965.

#### THE INDUSTRIAL COURT CAUSE NO. 26 OF 1965

##### Parties:

The Kenya Distributive and Commercial Workers' Union  
and  
Mamujee Brothers Limited

##### Issues in Dispute:

- (i) Wages.
- (ii) Hours of Work.
- (iii) Annual Leave.
- (iv) Leave Travelling Allowance
- (v) Sick Leave.
- (vi) Gratuity.
- (vii) Probation Period.
- (viii) Uniform.

1. The issues in dispute were referred to the Industrial Court for settlement in accordance with the provisions of the Trade Disputes Act, 1965.

The Parties were heard in Mombasa on 1st and 2nd September 1965.

2. Messrs. Mamujee Brothers Limited (hereinafter referred to as the Respondents), are wholesale and retail traders in building materials and hardware. The existing Agreement between the Respondents and the Kenya Distributive and Commercial Workers' Union (hereinafter referred to as the Claimants), together with various letters and proposals from both sides were placed before the Court. Deadlock was reached at the joint meeting held on 31st May 1965 and both Parties agreed to refer all the issues, listed above, to the Industrial Court.

3. (i) The Claimants demanded new basic minimum rates as follows:—

	Sh.
Labourers .. .. .. ..	240
Office Messengers .. .. .. ..	245
Heavy Duty .. .. .. ..	260
Watchmen .. .. .. ..	260
Headmen .. .. .. ..	280

##### Drivers—

(a) Light .. .. .. ..	280
(b) Medium .. .. .. ..	320
(c) Heavy .. .. .. ..	380
Junior Clerks .. .. .. ..	350
Copy Typists .. .. .. ..	380
General Clerks .. .. .. ..	450
Junior Shop Assistants .. .. .. ..	470
Telephone Operators .. .. .. ..	400
Storekeeper .. .. .. ..	650
Cashier .. .. .. ..	750

The above rates were exclusive of housing allowance.

Housing allowance was claimed as follows:—

Employees earning up to Sh. 280 per month: House allowance, Sh. 60.

Over Sh. 280 to Sh. 350 per month: House allowance, Sh. 100.

Over Sh. 350 per month: House allowance, Sh. 150.

It was the Claimants' submission that the current rates of pay paid to all employees of the Respondents were unfavourable when compared with employees of the D.A.T.A. Group whose work was similar. There was no advantage in having incremental wage scales so they should be abolished.

(ii) It was submitted that hours of work should be reduced from the present 44½ per week to 36 hours per week, Monday to Saturday. Where an employee was required to work on Sundays he should be entitled to one day off in lieu. On the question of overtime, the Claimants demanded time and half for overtime worked Monday to Saturdays and double time for Sundays. For Gazetted Public Holidays, they demanded double time plus one day's pay.

(iii) The Claimants submitted that after completion of 12 months' continuous service, an employee should be entitled to an annual leave of 30 working days. Where the employee's service was terminated before the completion of 12 months' service, he should be given leave on a *pro rata* basis. The work that the employees did was very heavy and tiring and the above annual leave was necessary to allow an employee to fully recuperate.

(iv) The Claimants demanded a leave allowance at the rate of Sh. 120 for clerical and other senior staff and Sh. 60 for all other manual workers. This they stated, was essential if employees were to travel to their homes as no savings could be made from the present wages for this purpose.

(v) Any employee who was unable to carry out his duties by reason of sickness, the Claimants demanded that, in a period of 12 months, he should be entitled to 3 months' sick leave with full-pay and a further 3 months' sick leave at half-pay. In addition the employer should provide medical benefits as laid down in the Employment Act.

(vi) The Claimants sought amendment to the existing Agreement on gratuity by reducing the qualifying period from three years to two years.

(vii) The Claimants submitted that three months' probationary period was too long and demanded that this period be reduced to one month and that the contract should be terminated by either party giving one month's notice in writing. Those employees who had not completed their probationary period would fall under the provisions of the Labour Laws of Kenya. Where an employee committed an offence not amounting to theft or gross misconduct, he should be given a warning in writing and notice of such warning should be brought to the Union's attention for record purposes. Where more than four such offences were committed in one year the employee's services may be terminated by giving one month's notice. After one year from the date of the last warning all such warning should be expunged from the employee's records.

(viii) The Claimants demanded that, where employees required uniforms because of the nature of their work, these should be provided free by the Respondents. The Respondents must also be responsible for the laundry of all such uniforms.

4. On behalf of the Respondents it was stated that, in Mombasa, there were numerous other employers engaged in wholesale and retail trades and whilst they retailed different goods and materials they were on a trading par with the Respondents. Numerically their employees were equal and their trade was similarly affected by the economic and political climate. The trade, as such, was also subject to wage protection and Legal Notice No. 22 dated 13th January 1964 established statutory wage levels and basic conditions of service for all employees in the wholesale and retail trade. Why the Claimants should single out the Respondents who had negotiated wages and terms and conditions of service with them and who had provided benefits which the bulk of employees in Mombasa did not enjoy, was not clear.

(i) In the Agreement of 1959, the wage clause provided for a basic minimum monthly wage with a minimum annual increment. This practice, it was stated, was perpetuated in the Agreement of 1961 and in the Agreement of 1963. The 1963 wage structure was negotiated as follows:—

**Wages.**—The minimum wage, including house allowance to be paid to all monthly employees shall be as follows:—

- (a) (i) **Labourers.**—Sh. 170 by Sh. 10 to Sh. 250 per month.
- (ii) **Watchmen.**—Sh. 175 by Sh. 5 to Sh. 275 per month.
- (iii) **Headmen.**—Sh. 250 by Sh. 15 to Sh. 350 per month.
- (iv) **Drivers.**—Sh. 285 by Sh. 20 to Sh. 400 per month.
- (v) **Clerks.**—Sh. 265 by Sh. 25 to Sh. 500 per month.

(b) The above minimum rates of pay shall include housing allowance and shall be effective from the 1st day of April 1963. Provided that serving employees presently in receipt of a wage equal or above the agreed minimum rate of pay shall receive an increase in pay equivalent to one annual increment as shown above (in each category) from 1st April 1963.

The employees had received the 1965 increments but the Respondents offered the Claimants a further step in the incremental scale with a view to retaining the fringe benefits at the current level. This the Claimants refused to accept. It should be noted that the Respondents declined to entertain any reference to a house allowance as the history of their wage negotiations had established the basis of a consolidated wage. The Claimants had not, in any case, submitted any legitimate reason why the practice should be changed. It was the Respondents' submission that the current wage rates were reasonable, that the principle of a consolidated wage should be upheld and that the Court should award accordingly.

(ii) The Claimants' demand for a drastic reduction in working hours to 36 must be rejected as there was no justification for such reduction. If such reduction was acceded to this would bring about an increase in overheads which might have serious repercussions. The Court was asked to award accordingly.

(iii) & (iv) It was stated that the Agreements in respect of these particular items showed that in the 1959 Agreement, the Respondents permitted 18 days' annual leave and provided the employee with a single fare. In 1961 they enhanced this benefit to 21 days and continued the practice of providing the employee with a single fare. In 1963 this benefit was enhanced again to permit the employee to enjoy 21 days and also made provisions for a return fare. The Respondents maintained that their approach had always been enlightened from the very beginning and that the Claimants had advanced no justification for any alternative to the current practice.

(v) That the Respondents had acceded to the Claimants' demand that the period should be three months per annum on full pay for sick leave, underlined their liberal attitude to the Claimants' demand and the Respondents requested the Court to recognize the justice of their approach.

(vi) It was the Respondents' submission that this issue had been wrongly brought before the Court. The Respondents had accepted that employees should receive one month's pay in respect of each year's service, subject to a qualifying period of three years' continuous service in respect of service after 1st January 1959; this the Claimants had accepted.

(vii) It was the Respondents' submission that there was no justification for reducing the probationary period from three months to one month.

(viii) The Claimants' demand that uniforms should be laundered by the Company was in their view an inequitable burden which could not be accepted in the context of all the other very generous benefits granted by the Respondents to the employees.

#### AWARD

5. The Court, having given careful consideration to the evidence and submissions of the Parties, award as follows:—

##### (i) Wages:

(a) The basic minimum wage of the following category of workers shall be as follows:—

	<i>Sh. Per Month</i>
Labourers .. .. .. ..	180
Watchmen .. .. .. ..	185
Headmen .. .. .. ..	260
Drivers .. .. .. ..	285
Clerks .. .. .. ..	275

(b) The increase in the basic minimum wage shall be reflected in the current wage level of employees.

Any variation or departure from the job classification must be negotiated by the Parties. In the absence of any such negotiations, the Court is not in a position to vary the classification structure.

(ii) **Hours of Work.**—Nil award.

(iii) **Annual Leave.**—Nil award.

(iv) **Travelling Allowance.**—Nil award.

(v) **Sick Leave.**—Nil award.

(vi) **Gratuity.**—Nil award.

Unlike the wage demands which are open for revision every year, items, like gratuity, once having been settled, should be allowed to be varied or amended only under very exceptional circumstances. In the present case the Court is satisfied that there are no exceptional circumstances to disturb the existing Agreement.

(vii) **Probationary Period.**—Nil award.

(viii) **Uniform.**—Nil award.

6. **Effective Date.**—Effect shall be given to this Award as from 1st March 1965.

Given in Nairobi this 4th day of October 1965.

#### GAZETTE NOTICE No. 3697

#### THE INDUSTRIAL COURT

#### CAUSE NO. 27 OF 1965

##### Parties:

The Kenya Distributive and Commercial Workers' Union

and

Doshi and Company (Hardware) Limited

##### Issues in Dispute:

(i) Wages.

(ii) Gratuity.

1. The issues were referred to the Industrial Court for settlement in accordance with the provisions of the Trade Disputes Act, 1965.

The Parties were heard in Mombasa on 1st and 2nd September 1965.

2. Messrs. Doshi and Company (Hardware) Limited (hereinafter referred to as the Respondents), are wholesalers and retailers principally in building materials and hardware. The Kenya Distributive and Commercial Workers' Union (hereinafter referred to as the Claimants), first submitted proposals of amendments to their existing Agreement as far back as 1st March 1963. Joint meetings were held and the majority of amendments were agreed. However, the issues of gratuity and wages, which were new issues introduced on 5th March, were not agreed and at a meeting under the Chairmanship of the Labour Officer, Mombasa, both sides agreed to refer these issues to the Industrial Court.

3. (i) The Claimants' submission on wages was that the present incremental scales were unfavourable to the employees and, in any case, the current rates of pay were too low. They wanted something more in line with what was being paid by the D.A.T.A. Group of employers.

The Claimants' new wage demands were as follows:—

	<i>Sh. Per Month</i>
Labourers .. .. .. ..	240
Office Messengers .. .. .. ..	245
Heavy Duty .. .. .. ..	260
Watchmen .. .. .. ..	260
Headmen .. .. .. ..	280
Drivers—	
(a) Light .. .. .. ..	280
(b) Medium .. .. .. ..	320
(c) Heavy .. .. .. ..	380
Junior Clerks .. .. .. ..	350
Copy Typists .. .. .. ..	380
General Clerks .. .. .. ..	450
Junior Shop Assistants .. .. .. ..	470
Telephone Operators .. .. .. ..	400
Storekeeper .. .. .. ..	650
Cashier .. .. .. ..	750

The above rates were exclusive of housing allowance. House allowance was claimed as follows:—

Employees earning up to Sh. 280 per month: House allowance, Sh. 60.

Over Sh. 280 to Sh. 350 per month: House allowance, Sh. 100.

Over Sh. 350 per month: House allowance, Sh. 150.

(ii) On gratuity the Claimants' submission was that the present Agreement on "Gratuity", which provided gratuity only as from 1st March 1963, was not acceptable as it did not take account of continuous service previous to this date. It was their submission that this particular clause of the Agreement should be amended to read that "Gratuity shall be paid on retrospective basis."

4. (i) The Respondents submitted that the Claimants' demands on wages were illogical and contradictory. The Claimants had signed an agreement on wages and terms of service with them on 1st March 1963 as follows:—

Labourers: Sh. 170 by Sh. 10 to Sh. 250 per month.  
Watchmen: Sh. 175 by Sh. 5 to Sh. 275 per month.  
Headmen: Sh. 250 by Sh. 15 to Sh. 350 per month.  
Drivers: Sh. 250 by Sh. 20 to Sh. 400 per month.  
Clerks: Sh. 265 by Sh. 25 to Sh. 500 per month.

The above rates are inclusive of housing allowance.

Thus by agreement with the Claimants they had established an incremental scale which had, at its top limit, wages which for this particular industry would be favourable even in four or five years' time. This statement was made in the context of the Wages Council Order which could be accepted in all equity by the Court as providing the wage level and not just the minimum.

It was the Respondents' submission that the Claimants were not acting equitably and that the wage levels paid today were superior to the balance of the industry in Mombasa. Secondly, that it was improper for the Claimants to make fresh demands in the way they had and at the levels they had set down, in view of their previous agreement on a consolidated incremental scale which the Respondents had honoured.

(ii) The Respondents pointed out that the Agreement dated 1st March 1963 contained a provision that an employee, upon leaving his employer's services, shall be paid a gratuity equal to one month's pay for each completed year of service. Two provisos stipulated that the rate of pay for calculating the benefit shall be that received at the time the employment was terminated and that service as from 1st March 1963 only shall be counted.

It was an important part of their case that they had willingly made such a provision at a time when the bulk of employees involved in similar employment in Mombasa received no such benefits.

In September 1964, the Claimants had demanded alterations to the gratuity clause, but these were unacceptable to the Respondents. However, in April 1965, the Respondents had put forward that, if the Gratuity Clause was to be amended, the best that they could afford, was a calculation based on the rate of one week's pay for each year of service after a qualifying period of five years and up to and including the 15th year. Two week's pay would be payable for each year of service in excess of the 15. This was rejected by the Claimants.

It was submitted by the Respondents that their attitude to this particular benefit had been correct and generous one at a time when people engaged in the same business gave neither thought nor heed to such a provision. Therefore, the Respondents asked the Court to award that the gratuity for employees of the Company shall be as outlined in their last offer, which they maintained was the maximum that they could afford.

#### AWARD

5. The Court, having given careful consideration to the evidence and submissions of the Parties, award as follows:—

##### (i) Wages:—

(a) The basic minimum wage of the following category of workers shall be raised as follows:—

##### Sh. Per Month

Labourers	..	..	..	..	180
Watchmen	..	..	..	..	185
Headmen	..	..	..	..	200
Drivers	..	..	..	..	285
Clerks	..	..	..	..	275

(b) The increase in the basic minimum wage shall be reflected in the current wage level of employees.

Any variation or departure from the job classification must be negotiated by the Parties. In the absence of any such negotiations, the Court is not in a position to vary the classification structure.

##### (ii) Gratuity.—Nil award.

Unlike the wage demands, which are open for revision every year, items, like gratuity, once having been settled, should be allowed to be varied or amended only under very exceptional circumstances. In the present case the Court is satisfied that there are no exceptional circumstances to disturb the existing Agreement.

6. *Effective Date.*—Effect shall be given to this Award as from 1st April 1965.

Given in Nairobi this 4th day of October 1964.

SAEED R. COCKAR,  
President.

MOHAMED JAHAZI, M.P.,  
A. OGOLA,  
Members.
