Investigations established that the complainant had failed to pay his monthly rent to his Landlord. That after several attempts to convince the complainant to pay his rent arrears, the landlord took the complainant's household items to the Chief's Office for storage so that he could rent out his house to another tenant.

Investigations established that the money amounting to KSh. 5,000/= that the suspect requested the complainant was not a bribe. The said money was for payment of part of the rent arrears the complainant owed the landlord.

On 23rd September, 2022, a report was compiled and forwarded to the DPP with recommendations for closure of the inquiry file for lack of evidence to sustain bribery charges against the suspect as envisaged in section 6(1) (a) of the Bribery Act No 47 of 2016.

The Commission awaits the response from the DPP.

#### 30. EACC/MCKS/OPS/INQ/14/2019

*Inquiry into Bribery Allegations against the Chairman of Malatani Land Dispute Committee in Mutitu Sub-County within Kitui County*

The Commission received a report from the complainant that the Chairman of the Malatani Land Adjudication Committee (the Committee) had requested for a bribe of KSh. 6,000/= as a condition for the Committee to hear and determine a land dispute in respect to the complainant's land.

Investigations established that following a meeting held on 22nd June, 2017 between the said Committee and members of the public from the area, it was agreed that parties who appear before the Committee for hearing and determination of land disputes should pay KSh. 6000/= to the Committee. Therefore, the KSh. 6000/= the complainant gave the Chairman of the Committee was not a bribe as alleged but an appreciation fee payable to the Committee members upon hearing land disputes.

On 23rd September, 2022, a report was compiled and forwarded to the DPP with recommendations for closure of the inquiry file for lack of evidence. In addition, an advisory be issued to the Ministry of Lands and Physical Planning on the need to develop

guidelines/regulations on how the Committee should conduct its business specifically with regard to fees payable by the members of public to the Committee to address any risks of corruption.

On 10th November, 2022, the DPP returned the inquiry file accepting the Commission's recommendations for closure.
