## CERTIFICATE OF THE CONTROLLER AND AUDITOR-GENERAL ON THE ACCOUNTS OF THE CENTRAL HOUSING BOARD FOR THE YEAR ENDED 31ST DECEMBER 1964

I have examined the attached Balance Sheet and Accounts in accordance with the provisions of the Housing Act (Cap. 117). I have obtained all the information and explanations that I have required and I certify, as a result of my audit, that in my opinion the attached Balance Sheet and Accounts are correct, subject to the following comments.

I have still not seen the acceptances referred to in my previous report that the outstanding Balances of Loans with the four County Councils, amounting to £766,954-17-26, have their agreement. I have also not seen an acceptance from the Nyeri County Council that the loan outstanding as at 31st December 1964 amounting to £107,398-19-47, has the Council's agreement.

The Board advanced a loan of £32,094-13-00 to the Goan Overseas Association for building sixteen houses on Plots Nos. 437 and 438 at Eastleigh, Section I, Nairobi. By Minute No. 49/26 of 10th July 1964 the Board agreed to abrogate the agreement with the Association and enter into separate agreements with the tenants. I have not seen signed Agreements between the Board and the tenants.

Nairobi,  
10th January 1966.

D. E. BARNETT,  
*Controller and Auditor-General.*

## THE INDUSTRIAL COURT

## CAUSE No. 23 OF 1966

*Parties:*—

Kenya Motor Engineering and Allied Workers' Union  
and  
Bhamra Tyre Retreaders

*Issues in dispute:*—

1. Interpretation of the termination of the agreement on terms and conditions of service signed on 7th August 1964.
2. Interpretation of termination of wage agreement of 9th September 1965.

1. The Kenya Motor Engineering and Allied Workers' Union shall hereinafter be referred to as the Claimants and Bhamra Tyre Retreaders shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 17th day of June 1966, and relied on their written and verbal submissions.

## GENERAL BACKGROUND

3. An agreement relating to terms and conditions of the Respondents' employees was entered into between the Parties hereto on 7th August 1964. In this agreement the following four clauses appear under the heading "Duration of Agreement":—

"(a) With the exception of negotiation on starting minimum wage this agreement shall remain in force for a period of twelve months commencing on 1st September 1964.

(b) The starting minimum wages will be negotiated on soon after the expiry of the Tripartite Agreement.

(c) After 1st of March 1965, either party, the Company or the Union, may give the other one month's notice in writing of its desire to reopen negotiation on starting minimum wages for all employees. In this event, both parties will enter into negotiation only on this item. Any agreement reached will be effective from 1st March 1965.

(d) After 1st September 1965, either party, the Company or the Union, shall give the other one month's notice in writing of its intention for this agreement to be renewed or modified. In this event, both parties will enter into negotiations on the proposed terms and conditions of employment for the new agreement, and until such time as this will be finalized, the present agreement will remain in force. And in the event of neither party submitting no notice of its intention to renew or modify this agreement then it will remain in force until such a time either party will come forward."

On 30th August 1965, the Respondents wrote a letter to the Claimants' General Secretary stating that the aforesaid agreement was due to expire on 1st September 1965, and as the Respondents had decided to join the proposed Tyre Retreaders Employers Association the said agreement would no longer exist as from that date. On 2nd September the Claimants' General Secretary wrote as follows:—

"We acknowledge the receipt of your letter dated 30th August 1965, which gives a notice to terminate the existing agreement signed between this Union and your firm. The contents are noted and accepted provided the present negotiations on new minimum wages is not jeopardized in this connexion under item 2 (b) of the said agreement.

Hoping for future co-operation."

Apparently there was a strike at the Respondents' factory for three days on 7th, 8th and 9th September 1965, and the Ministry of Labour had to intervene. As a result an agreement was reached between the Parties on 9th September 1965, which is reproduced hereinbelow:—

*"Agreement"*

At a meeting held between Messrs. Bhamra Tyre Retreaders Managing Director, Mr. D. S. Bhamra, and the National Secretary General of the Kenya Motor Engineering and Allied Workers' Union under the Chairmanship of Mr. Gordon Nyawade, the Industrial Relations—Labour, it was agreed that—

1. all workers now on strike at the said Company should resume work immediately;
2. all employees will receive a general increase of Sh. 10 each with effect from 1st of September 1965;
3. negotiations on minimum wages based on Tyre Industry job evaluation will continue and an effective date to be discussed by the two parties;
4. there will be no victimization of any worker for taking part in the strike.

Both parties are asked to honour this agreement strictly.

Signed: By all parties."

The Respondents wrote to the Claimants that as they had decided to join the proposed Tyre Retreaders Employers Association, the increase of Sh. 10 was regarded as temporary for the month of September 1965 only. The Claimants replied stating that they had accepted the Respondents' letter in so far as their Board of Directors had decided to join the said Employers Association to which the Claimants had no objection.

It seems that on or about the 1st September 1965, there was a further dispute between the Parties arising from the dismissal of an employee called Mr. Mburu. This was, however, settled through the intervention of the Ministry of Labour when Mr. Nyawade was appointed investigator. This dispute was marked closed on 14th September 1965, although prior to this date the Claimants had threatened to go on strike again. It appears that after Mr. Wasidia's, the then General Secretary of the Claimants, departure overseas towards the end of October 1965, there had been constant friction between the Parties due to the alleged termination of the terms and conditions of agreement, by the Respondents and the withdrawal of Sh. 10 increase after 1st September 1965. Eventually, this resulted in a strike in the Respondents' factory on 20th and 21st April 1966. The Ministry of Labour intervened and the Parties decided to refer the matter to the Industrial Court in accordance with the Trade Disputes Act, 1965. The notification of dispute form was signed by the Parties on 21st April 1966.

## MAIN SUBMISSIONS ON BEHALF OF THE CLAIMANTS

4. The Claimants submitted that the agreement of 7th August 1964, still continued in force between the Parties because the Respondents had abandoned the idea of going into the proposed Tyre Retreaders Employers Association which Association, in any case, had not been formed. This was the main reason for the Respondents' terminating this agreement and as the Respondents had not given a month's notice as required in clause 2 (d) quoted hereinabove, this agreement continued to remain in force.

The Claimants argued that in accordance with the terms of this agreement which had to be either renewed or modified, the Respondents should have given them their proposals as a basis for negotiations to replace the old agreement. This the Respondents had not done. Further the intention to renew or modify the agreement could only be conveyed after 1st September 1965, but the Respondents had written to the Claimants on 30th August 1965. Therefore, this notice was not valid. Finally, the Claimants submitted that this agreement remained in force until such a time either party would come forward with new proposals. The Claimants requested the Court to find that this agreement was still in force.

The Claimants further stated that the Respondents had quite clearly accepted to give an increase to their employees at the rate of Sh. 10 per month as from 1st September 1965, and this increase was not for one month only as the Respondents had contended. The Respondents had tried to escape their obligation undertaken on 9th September 1965, by stating that they proposed to join the aforesaid Tyre Retreaders Employers Association. The Claimants strongly denied the Respondents' allegation that their then General Secretary Mr. Wasidia had at the end of October 1965, agreed to cancel this Sh. 10 increase as by that time Mr. Wasidia had already gone overseas. The Claimants argued that if the Respondents had discussed this matter with some Union official towards the end of October 1965, then that official had no authority to act on their behalf. In these circumstances the Claimants requested the Court to award all employees a Sh. 10 increase as from 1st October 1965.

## MAIN SUBMISSIONS ON BEHALF OF THE RESPONDENTS

5. The Respondents stated that when they wrote to the Claimants on 30th August 1965, terminating the agreement on terms and conditions, the Claimants had written back on 2nd September 1965, stating that the contents had been noted and accepted. Further on 15th September 1965, they had written to the Claimants that their Board of Directors had decided to resolve that the agreement on terms and conditions dated 7th August 1964, should be terminated as they were going to join the new Tyre Retreaders Employers Association when formed. They had also in this letter informed the Claimants that Sh. 10 increase was to be regarded as temporary for the month of September 1965, only.

The Respondents argued that if Sh. 10 increase had not been cancelled in agreement with the Claimants, then the employees would not have accepted their wages less this amount from October 1965. They submitted that, in fact, at the end of October 1965, when they had offered the employees their wages without Sh. 10 increase they had refused to accept them and the Respondents had to contact the General Secretary, Mr. Wasidia, who had called the workers to his office and explained them that Sh. 10 increase had been cancelled. The Respondents maintained that as far as their knowledge went Mr. Wasidia was at all relevant times the General Secretary of the Claimants which fact had been confirmed to them by the Registrar of Trade Unions.

The Respondents stated that all the trouble had arisen when the new officials took over and had called several strikes without any justification or reasons; since then the Respondents had been constantly engaged in negotiations with the Claimants

either directly or at the Ministry of Labour. This had resulted in industrial unrest at the Respondents' factory. The Respondents suspected that their former employee Mr. Mburu, who was now an official of the Claimants, was instigating and was the cause of all this trouble. The Respondents maintained that it was the duty of the Claimants to bring pressure on the employers engaged in this industry to organize themselves into a group. In these circumstances the Respondents requested the Court to find:—

- (a) That the agreement of 7th August 1964, had been terminated; and
- (b) The Sh. 10 increase agreed on 9th September 1965, was subsequently by agreement restricted to one month only, i.e. September 1965.

#### AWARD

6. In this dispute a lot of confusion has arisen due to the fact that at one stage the Respondents were going to join the proposed Tyre Retreaders Employers Association which unfortunately did not materialize. The Respondents in their letter of 30th August 1965, gave only a day's notice for the termination of the agreement dated 7th August 1964, governing terms and conditions of the Respondents' employees, whereas the agreement specifically had laid down one month's notice in writing of the Parties' intention to renew or modify it. It should be noted that the Respondents are still abiding by this agreement and the only reason they want to terminate it is because they want to stop negotiating with the Claimants.

The Court is satisfied after having carefully considered the various submissions of the Parties that the agreement relating to terms and conditions dated 7th August 1964, has not been terminated and is still in force.

On the question of Sh. 10 increase agreed between the Parties on 9th September 1965, the Court finds that this increase was not for one month only. The agreement clearly states that all employees will receive a general increase of Sh. 10 with effect from 1st September 1965. The Respondents' contention that this agreement was cancelled subsequently is not accepted by the Court because Mr. Wasidia in his letter clearly stated that the Claimants had accepted the Respondents' letter (in which was contained the request for the cancellation of Sh. 10 increase) in so far as the Respondents had decided to join the proposed Tyre Retreaders Employers Association, which Association has not been formed to date.

In these circumstances the Court finds that the Respondents should pay all their unionizable employees a monthly increase of Sh. 10 as from 1st October 1965.

Given in Nairobi this 30th day of June 1966.

#### GAZETTE NOTICE NO. 2508

#### THE INDUSTRIAL COURT

#### CAUSE NO. 27 OF 1966

*Parties:*—

Transport and Allied Workers' Union  
and  
East African Airways Corporation

*Issue in dispute:*—

Dismissal of Security Warden—Githaiga Mwai.

1. The Transport and Allied Workers' Union shall hereinafter be referred to as the Claimants and East African Airways Corporation shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 15th and 16th day of June 1966, and relied on their written and verbal submissions. The Claimants called two witnesses and the Respondents called three witnesses in support of their case.

#### GENERAL BACKGROUND

3. A Recognition Agreement and an agreement governing terms and conditions and wages of the Respondents' employees are in force between the Parties hereto.

A Security Warden, Githaiga Mwai, is the subject matter of this dispute as he was dismissed by the Respondents after an incident on 30th December 1965, when at about 1.52 p.m. an Israel Airlines aircraft landed at Nairobi Airport. Githaiga Mwai was dismissed on 3rd January 1966, and his dismissal notice was signed by the Senior Security Officer. The letter stated as follows:—

"Further to your discussion with Personnel Assistant Mr. Gregory and Assistant Security Officer Mr. Muleli, please note that your services are hereby summarily terminated with effect from 3rd January 1966."

Githaiga handed over this letter to the Claimants who intervened on his behalf and various meetings were held with the Respondents thereafter. At the meetings on 8th and 18th March 1966, detailed inquiries were made but the Respondents could not find any reason to revoke their earlier decision of dismissing Githaiga. The Claimants were not satisfied and reported a dispute to the Ministry of Labour and a conciliator was appointed and a meeting was held on 9th May 1966. No agreement was achieved and the matter was submitted to the Industrial Court in accordance with the Trade Disputes Act 1965, the Parties having signed the notification of dispute form on the same day.

During the hearing of this dispute Senior Security Warden Solomon gave evidence and stated that he and Githaiga went and took charge of Israeli Airline plane as it was a transmitting service and had most of the passengers' personal belongings on board. The passengers left the aircraft for normal filling and servicing and after about half an hour reboarded the aircraft for their onward journey. During this half hour nine cleaners with himself and Githaiga had gone into the aircraft and after it had been cleaned and serviced all the nine cleaners came out and went to a point about 60 yards away from the plane. The cleaners were followed by Security Warden Githaiga while he remained near the aircraft waiting for it to take off. Just before the departure of the flight an airline official reported to him the loss of 45 Dollars, 450 Travellers Cheques and an unspecified number of Israel currency notes. All this property belonged to the passengers in transit.

Subsequently Assistant Security Officer Muleli came on the scene and decided to search all the cleaners and the two Security Wardens who had been working on the aircraft. They were all moved into a private room at the Airport and the first man to be searched was Security Warden Githaiga. During this search Assistant Security Officer Muleli removed, from a small front pocket of the trousers of Githaiga, a note in Israel currency stated to be an equivalent of Sh. 2/50. Senior Security Warden Solomon refuted any allegations that this note had been planted on Githaiga by Assistant Security Officer Muleli. He also stated that some of the cleaners after leaving the plane had disappeared from his sight, as they had gone into a hangar from where they were subsequently called by Githaiga. He also confirmed that none of the other lost property was found during this search. He stated that Githaiga could not explain how he had come about this note and was completely silent after the search.

Security Warden Githaiga when he gave evidence, also explained the incident which took place on 30th December 1965, and more or less confirmed Senior Security Warden Solomon's testimony except that he strongly denied that the aforesaid currency note was found in one of his pockets. He stated that the European Security Officer did not like him and Assistant Security Officer Muleli was trying to help the European Officer in getting rid of him from the job. He, therefore, suspected that this note had been planted on him.

A former Branch Secretary of the Claimants' Union at the East African Airways stated that he had attended two meetings with the Respondents' Personnel Officer and his Assistant when Githaiga's case was discussed and an inquiry was made into the whole affair. He had subsequently lost his post with the Claimants as he did not command the support of majority. This witness appeared to have forgotten most of the facts relating to this case. Assistant Security Officer Muleli recounted the whole incident from the time he came on the scene up to the time he searched Githaiga and found the aforesaid currency note in Githaiga's trouser pocket. He strongly denied the allegation that he had planted the note on Githaiga and pointed out that he had no grudge against him and hardly knew him. He told the Court that a search of Githaiga's house did not reveal any further stolen property.

#### MAIN SUBMISSIONS ON BEHALF OF THE CLAIMANTS

4. The Claimants submitted that Githaiga had been dismissed without any reason or justification and that during the inquiries preceding the Court hearing the Respondents could only prove that they suspected Githaiga of having been involved in this incident. The Claimants stated that when the Respondents took the decision to dismiss Githaiga the Claimants had not been consulted nor had they been represented at any departmental inquiry. They drew the Court's attention to clause 3 (a) of their Recognition Agreement which is set out below:—

"Any individual employee of Corporation wishing to raise a grievance with which he is directly and personally concerned shall first approach his immediate Superior in the case of settlement not being reached within three days, he shall have the right to appeal to the Management, as soon as possible. The employee should unless he decides to the contrary, be accompanied by an accredited Union representative, at all stages. If the issue is not resolved, the employee may refer his case to the Union, through Branch Secretary, and the procedure laid down under clause 3 (b) below shall apply."

The Claimants submitted the Minutes of the meetings held on 8th and 18th March 1966, in order to prove that there was

nothing more than mere suspicion against Githaiga in this whole affair. The Claimants stated that the Respondents had not complied with the Recognition Agreement and had dismissed Githaiga without good reasons. The Claimants felt that Githaiga should be treated as being suspended with full pay until the Industrial Court decided the case. The Claimants stated that Githaiga had been with the Corporation since 1960 as a Security Warden and he had never been accused of any offence either in his present job or otherwise during these five years. This proved that he was a good and hard working employee and he should be ordered to be reinstated on his job. The Claimants called Githaiga to give evidence, the summary of which appears hereinabove in the general background. They also called another witness Maina Mwangi who was one of the cleaners on the day in question and he stated that the currency note which Assistant Security Officer Muleli showed to everyone after the search had not come out of Githaiga's pocket as he was standing at a place from where he could quite clearly see what was going on. This witness stated that he did not appear before the departmental inquiry as he was sick during those days. Finally, the Claimants submitted that they were fighting this case on a matter of principle as they felt strongly that no member of a Union should be dismissed without having had the benefit of Union representation from the very beginning and before the decision of dismissal was taken.

#### MAIN SUBMISSIONS ON BEHALF OF THE RESPONDENTS

5. The Respondents submitted that the Claimants had been fully consulted and had been in the picture right from the beginning when inquiries regarding the incident of 30th December 1965, had started and after Githaiga's dismissal on 3rd January 1966, their Assistant General Manager had agreed to conduct a fresh inquiry into the whole matter. This inquiry took place on 8th and 18th March 1966, after which the Assistant General Manager, in his capacity as Chairman of the inquiry, had declared the decision to dismiss Githaiga reaffirmed.

The Respondents submitted to the Court the seriousness of the theft at the Nairobi Airport and stated that thefts had reached the stage where practically most international aircraft left Nairobi with some form of theft reported. They gave details to the Court of thefts reported between the period October 1965 to end of December 1965. The Respondents commented that although there had been some mention in the Press sometime on the efficient recovery of passengers' belongings by the Respondents' Security Department, it would be wrong to say all was well. This type of theft was giving Nairobi Airport a very bad name and the Respondents were determined to put an end to this practice. The Respondents pointed out that in the three months of this year thefts had dropped considerably and it would seem that the Respondents had put several people out of way who were king pins in these thefts.

The Respondents strongly denied the allegation that Assistant Security Officer Muleli had planted the note on the person of Githaiga. The Respondents requested the Court to disregard the allegation that the Senior Security Officer had threatened to put Githaiga in Kamiti Prison, as it had not been proved. The Respondents stated that they did not accept the claim that the procedure agreed between themselves and the Claimants had been miscarried as it was evident from the proceedings that the matter went stage by stage through the Security Department, Personnel Department up to the Assistant General Manager and at each stage the Claimants were represented either by the General Secretary or by the Secretary and members of the Branch. Finally, the Respondents submitted that the Claimants had not made out any case for the reinstatement of Githaiga and submitted that it would be dangerous to bring back into employment a Security Warden whose integrity was questionable. In these circumstances the Respondents requested the Court to confirm their decision.

#### AWARD

6. After a very careful consideration of the various submissions made by the Parties and the evidence given by the witnesses the Court finds that the Israel currency note found in the small pocket of Githaiga's trousers was not planted on him by Assistant Security Officer Muleli or anyone else. From where this note came is doubtful as there was no trace of the other stolen property i.e. 45 Dollars and 450 Travellers Cheques, but the fact remains that Security Warden Githaiga had this note in his pocket and did not explain from where he got it. When after the search he tried to give an explanation, he came out with the story that the note had been planted on him by Assistant Security Officer Muleli. This explanation has been rejected by the Court as the Court finds the evidence of Assistant Security Officer Muleli to be true.

The fact that a Security Warden is found in possession of an Israel currency note after a reported theft of property including some Israel currency notes, is an extremely serious matter. It may not be enough to sustain a criminal charge against Githaiga but it certainly is enough to give the Respondents cause for the termination of his service.

The Court, therefore, finds that the action against Githaiga by the Respondents was justified and that the Claimants' Branch Officials had been consulted in accordance with the agreed procedure between the Parties. The application for reinstatement of Githaiga is rejected but the Court awards that all the privileges earned by Githaiga during his service with the Corporation should be paid to him in addition to one month's pay instead of 14 days as offered by the Respondents.

Given in Nairobi this 6th day of July 1966.
