THE INDUSTRIAL COURT
CAUSE No. 56 OF 1985

Parties:

Kenya Union of Commercial Food & Allied Workers
and

Mukurweini Farmers Co-operative Society Ltd.

Issue in dispute:

Wrongful dismissal of Charles Kaniaru.

THE Kenya Union of Commercial Food & Allied Workers shall hereinafter be referred to as the claimants and Mukurweini Farmers Co-operative Society Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 16th February, 1987, and relied on their written and verbal submissions. The hearing had previously been fixed for 24th October, 1985, and 9th January, 1986, but at the claimants' request the hearing could not proceed on these dates.

AWARD

3. The Notification of Dispute Form "A" dated 11th April, 1984, duly signed by the parties was received by the court on 14th June, 1985, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

The grievant in this dispute, Charles Kaniaru, was employed by the respondents on 1st October, 1961, as a general labourer. By the time of his dismissal he had risen to the position of a factory manager, earning KSh. 900 per month. He was dismissed on 31st August, 1981.

The claimants stated that the grievant had served the respondents for a period of twenty (20) years with a clean record.

The claimants submitted that when the intended theft of 71 corrugated iron sheets took place the grievant was on leave, and that he was not at his home when these iron sheets were brought to his house. They stated that the grievant did not have any knowledge as to why these iron sheets were off-loaded at his house.

The claimants strongly submitted that the grievant remained ignorant of where the iron sheets came from apart from being told by his children that the iron sheets were brought by Johnson Michira and other three employees of the respondents.

They further submitted that the grievant could not have reported this matter to either the management or the police because he never knew that the iron sheets had been taken from Tambaya Society.

They further submitted that the grievant was not an accomplice to the intended theft as the employees who brought the iron sheets to his house have not implicated him in it and that the grievant was just a victim of circumstances.

They requested the court to award the grievant payment for the days worked, all accrued leave and also one month's salary in lieu of notice plus gratuity for twenty (20) years at the rate of half of one month's pay for each completed year of service.

The respondents countered the claimants' submissions by submitting that even though it was Mr. Michira who stole the 71 iron sheets, the grievant had prior knowledge of the theft as these iron sheets were stored at his house, and he never bothered to report the matter to the management while knowing very well that the iron sheets were from Tambaya Factory where he was the manager.

They further submitted that the grievant being a factory manager had abused his office for not showing any concern towards the respondents property, but instead had participated to its detriment.

The respondents submitted that the grievant's failure to report this incident cannot exonerate him from his complicity in the theft and even though the respondents did not suffer any loss as the iron sheets were brought back, they had totally lost faith in the grievant.

They requested the court to uphold the dismissal.

After careful consideration of all the submissions the court finds that the respondents were justified in losing confidence in the grievant who was a factory manager but he should have been given a normal termination and not dismissed summarily.

The court accordingly awards that in addition to his dues under a normal termination, the respondents should give him a gratuity totalling two (2) months' salary only. The court finds that the grievant does not deserve ten (10) months' salary by way of gratuity which would be his entitlement for twenty (20) years of service and the claimants demand in this respect is rejected.

Given at Nairobi on the 4th March, 1987.

Judge.

S. M. MAITHYA,

(Cap. 288)

Special Conditions

No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the local authority. The local authority shall not give approval unless it is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six (6) calendar months of the actual registration of the grant submit in triplicate to the local authority plans (including block plans showing the positions of the buildings and system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within twenty-four (24) months of the actual registration of the grant complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the local authority:

Provided that notwithstanding anything to the contrary contained or implied by the Trust Land Act, if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the county council or any person authorized by the county council to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term created shall cease but without prejudice to any right of action or remedy of the county council in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good substantial repair and condition all buildings at any time erected on the land.

4. Should the grantee give notice in writing to the county council that he/she/they is/are unable to complete the buildings within the period aforesaid, the county council shall (at the grantee's expenses) accept a surrender of the land comprised herein:

Provided further that if such notice as aforesaid shall be given—

- (a) within twelve (12) months of commencement of the term, the county council shall refund to the grantee 50 per cent of the stand premium paid in respect of the land;
- (b) at any subsequent time prior to the expiration of the said building period, the county council shall refund to the grantee 5 per cent of the said stand premium; or
- (c) in the event of the notice being given after the expiration of the said building period, no refund shall be made.

5. The land and the buildings shall only be used for the purposes shown in the schedule.

6. The buildings shall not cover greater or lesser area of land than that laid down by the local authority in its by-laws.

7. The land shall not be used for the purpose of any trade or business which the local authority considers to be dangerous or offensive.

8. The grantee shall not subdivide the land without prior consent in writing of the county council and the Commissioner of Lands.

9. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof or any buildings thereon except with prior consent in writing of the county council. No application for such consent (except in respect of a loan required for building purposes) will be considered until special condition No. 2 has been performed.

10. The grantee shall pay to the local authority on demand such sum as the local authority may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall from time to time pay to the local authority on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the local authority may assess.

12. Should the local authority at any time require the said roads to be constructed to a higher standard, the grantee shall pay to the local authority on demand such proportion of the cost of such construction as the local authority may assess.

13. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any government or local authority upon the land or the buildings erected thereon including any contribution or other sum paid by the local authority or the county council in lieu thereof.

14. The county council or such person or authority as may be appointed for the purpose shall have right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions whether overhead or underground and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignment of mains or service pipes, telephone or telegraph wires and electric mains.

15. The local authority reserves the right to revise the annual ground rental payable hereunder after the expirations of thirty-third (33rd) and sixty-sixth (66th) year of the term granted. Such rent will be at the rate of 4 per cent of the unimproved freehold value of the land as assessed by the Commissioner of Lands on behalf of the county council.

GAZETTE NOTICE NO. 1089

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.
