## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

## GAZETTE NOTICE No. 2627

## THE INDUSTRIAL COURT

## CAUSE No. 23 OF 1968

Parties:  
Kenya Local Government Workers' Union  
and  
Gusii County Council

## Issue in Dispute:

Failure of the Gusii County Council to pay half salary to eight (8) employees suspended in May 1963, for the period of six months.

1. The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and Gusii County Council shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 12th day of July 1968, and relied on their written and verbal submissions.

## AWARD

6. In this dispute the Claimants are relying on rule 14 (2) of the African District Councils (Staff) Rules 1959, under which an officer who has been suspended shall receive half pay until such time as his case has been decided. This rule, however, is clearly restricted to matters of discipline and the facts which have led to the present dispute show that no question of discipline was involved as far as these eight employees were concerned. The undisputed fact is that in April 1963, they were clearly told that due to financial reasons they were suspended from duty as from 15th April 1963 and they would not be paid any salary after that date. The letter which was written to them on 4th April 1963 was as follows:—

"The Kisii District A.D.C. have decided to close all Dispensaries in the district as from 15th April. They have been forced to take this step because of shortage of money.

I regret, therefore, that you are to be suspended from duty as from 15th April. Any leave due to you will be paid for, but no other salary after the 15th. The A.D.C. storeman will visit your dispensary sometime on 10th, 11th or 13th to take away all your equipment and registers and drugs, etc. Your receipt books and cash you must deliver to the A.D.C. Treasurer's Office.

I am sorry about this and hope the financial situation will soon improve and that we can have you back again.

By a copy of this letter I am asking the Treasurer A.D.C., Kisii, to calculate leave due and pay your salary in lieu of leave."

The proper course for the Claimants was to have taken up this matter immediately with the Kisii African District Council as it is obvious that these employees were not being subjected to any disciplinary proceedings, and if their services were being terminated then the proper procedure as laid down in the Staff Rules was not followed, or if they were being laid off then there was no approval in the Rules for such an action. If this matter had been taken up and pursued vigorously at that time in all probability the Claimants would have succeeded in securing full payment for these eight employees, but the fact remains that they have allowed this matter to drag on for some five years during which time the Kisii African District Council was dissolved towards the end of 1963 and the Respondents have taken over all their functions.

Admittedly the Respondents by a resolution have agreed to pay these eight employees half salary for the six months in 1963 during which they were on the so-called suspension but their resolution is outside the relevant rules and regulations. The local authorities have to function within the rules which are prescribed from time to time and it is not up to them to go beyond them. If any action is taken contrary to those rules it cannot be held to be lawful.

The Court is satisfied on the evidence before it that the Claimants did not take up this matter with the Kisii African District Council during the time these eight employees were suspended. The word "suspended" though not quite appropriate to the circumstances of this dispute left the Parties in no doubt that the eight employees would receive no salary after 15th April 1963. The subsequent action by the Respondents is clearly outside the regulations and it cannot alter the material facts. The Respondents have no power to resolve to pay wages or salaries to employees who were not in their employment and it would be illegal for the Respondents to pay these eight employees half salary for six months in 1963 during which time their services were terminated by the former Kisii African District Council.

As the Court has indicated earlier on in this decision the proper time for the Claimants to pursue this claim was in 1963 but unfortunately they did not do so.

The Court cannot at this late stage some five years after, ask the Respondents to make payment in accordance with their resolution which in any case they should not have passed as it was outside their powers.

In these circumstances the Court has no alternative but to reject this demand.

Given in Nairobi this 13th day of August 1968.

#### GAZETTE NOTICE No. 2628

#### THE INDUSTRIAL COURT

CAUSE NO. 18 OF 1968

##### *Parties:*

Kenya Shoe and Leather Workers Union  
and  
East Africa Bata Shoe Company Limited

##### *Issues in Dispute:*

- (1) Effective Date and Duration of Agreement.
- (2) Housing Allowance.
- (3) Annual Leave.
- (4) Uniforms.
- (5) Severance Allowance.
- (6) Leave Travelling Allowance.
- (7) Lay-off (a demand registered by the Respondents).
- (8) Wages.

1. The Kenya Shoe and Leather Workers' Union shall hereinafter be referred to as the Claimants and the East Africa Bata Shoe Company Limited shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 9th and 10th of July 1968 and relied on their written and verbal submissions. The President and members of the Court visited the Respondents factory at Limuru on 23rd July 1968 and saw the working conditions and the workers performing their jobs in the various departments. The housing, training and welfare facilities provided by the Respondents were also seen by the Court.

#### AWARD

6. The President and members of the Court visited the Respondents' factory at Limuru after the parties had completed their submissions on the various issues during the hearing. The Court must compliment the Respondents at the exemplary manner in which their operations are being conducted and the very progressive attitude which they had adopted towards the welfare and training of their workers. The Court is satisfied that the Respondents are living up to their aims and policies which they submitted to be as follows:—

- (a) To provide more people in Kenya with good shoes at prices which they can afford to pay.
- (b) To provide both stable work and wages under good industrial conditions for more and more Kenyans.

(c) To strive constantly to achieve new markets both local and export.

(d) To play its part in helping build a stable and expanding economy in this country.

The Court appreciates that the Respondents are engaged in an important industry and provide employment to over 1,000 workers and that they have created 100 new jobs since the last Court award in June 1966.

After the completion of the hearing the Court carried out an investigation regarding productivity generally in the undertaking since June 1966.

As a result of this investigation the Court is satisfied that there has been an increase generally in productivity which factor has been taken into account in its award.

At the same time the Court has taken into account the increases in the Cost of Living Indices during the relevant period. The submission made by the Respondents that increased wages and labour costs would be an influencing factor in the inevitable increased operating costs in their manufacturing and sales operations unless accompanied by higher productivity has also been taken into account.

Therefore, after a most careful consideration of all the submissions made by the parties and keeping the aforesaid factors in view, the Court has decided to award a 7 per cent increase throughout all the Respondents' grades (both for the fixed wage and the piece rate basis for standard output), such increases to be rounded off to the nearest five cents. This increase is to be with effect from 15th April 1968 and shall remain in force for a period of two years from that date.

The Court further rules that the overtime already worked by the employees since 15th April 1968 up to the date of the announcement of this award shall not be revised on account of the Court's award; that is, the overtime for that period shall be paid at the old rates.

On the other issues in dispute the Court awards as follows:—

(1) *Effective Date and Duration of Agreement.*—The Court awards that the agreement should be with effect from 15th April 1968 and it should remain in force for a period of two years from that date.

(2) *Housing Allowance.*—The Court awards that the housing allowance for Limuru should be increased to Sh. 15 per fortnight. In respect of all other areas the Court makes a nil award.

(3) *Annual Leave.*—The Court rejects the Claimants' demand for an increase in the annual leave entitlement of 18 consecutive days and at the same time rejects the Respondents' demand that wage payment for annual leave must be based upon current rates of pay and not calculated having regard to the total average fortnightly earnings taken over a preceding year. The Court cannot accept the Respondents' argument that they became a party to this arrangement because their representatives could not understand English properly. The Court would like to add that this arrangement has been in force since 1963 and that during the hearing no strong arguments were produced for varying it.

(4) *Uniforms.*—The Court has carefully studied the existing arrangement on protective clothing and uniforms and finds that it is satisfactory. The Court is reinforced in its view by having seen the workers actually at work when the President and members of the Court visited the Respondents' factory. There is nothing to prevent the Branch Secretary of the Claimants from making appropriate representations to the Respondents on grievances of individual employees who believe they may qualify for this additional protective wear. The Court would, however, like the Respondents to consider improving the design of the aprons which are provided to the workers in order to afford a greater protection to the workers' clothing than at present.

(5) *Severance Allowance.*—Nil award.

(6) *Leave Travelling Allowance.*—Nil award.

(7) *Lay-off.*—Nil award.

Given in Nairobi this 8th day of August 1968.
