GAZETTE NOTICE NO. 537

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

THE Commissioner of Lands invites applications for the alienation of plots in the above-mentioned area as described in the schedule hereto. A plan of the plots may be seen in the public map office, lands office, Nairobi, or obtained therefrom on payment of KSh. 10.

Applications should be submitted to the Commissioner of Lands, Nairobi, through the District Commissioner, Kiambu, P.O. Box 32, Kiambu, stating the plot required in order of preference. Applications must be on the prescribed forms which are available from Lands Department, P.O. Box 30089, Nairobi, or the office of the District Commissioner, P.O. Box 32, Kiambu.

Applications should be submitted so as to reach the District Commissioner, Kiambu, not later than 12 noon on 12th March, 1984.

Applicants must enclose with their application a banker's cheque, money order, postal order or cash for KSh. 1,000 made payable to the Commissioner of Lands as deposit for the plot. Personal cheques are not accepted.

The deposit will be dealt with as follows:

- (a) Credited to a successful applicant.
- (b) Refunded to an unsuccessful applicant.

(c) Forfeited if a successful applicant fails to pay within thirty (30) days of the offer of a plot, and the applicant shall have no further claim thereto.

Each application should be accompanied by a statement indicating—

- (a) the amount of capital it is proposed to spend on the project;
- (b) the amount of actual capital available for development with banker's letter or other evidence of financial status in support;
- (c) the manner in which it is proposed to raise the balance required for development, if any;
- (d) individual applicants to indicate numbers of their identity cards; and
- (e) in case of companies, names of directors to be included.

The successful allottee of a plot shall pay to the Commissioner of Lands, within thirty (30) days of notification that his/her/their application has been successful, the stand premium and proportion of the annual rent together with conveyancing, stamp duty, registration fees, contribution in lieu of rates, road and drains charges and survey fees. In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the applicant shall have no claim to the plot.

General conditions

The grant shall be made under the provisions of the Government Lands Act, and the title will be issued under the Registration of Titles Act (Cap. 281), or the Registered Land Act (Cap. 300).

The grant will be issued in the name of the allottee as given in the letter of application and will be subject to the special conditions set out below.

Special conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the local authority. The commissioner shall not give his approval unless he is satisfied that proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall, within six calendar months of the actual registration of the grant, submit in triplicate to the local authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and system of drainage for disposing of sewage, surface and sullage water) drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall, within twenty-four (24) months of the said actual registration of the grant, complete the erection of such buildings and the construction of the drainage system in conformity with plans, drawings, elevations and specifications as amended (if such be the case) by the commissioner:

Provided that notwithstanding anything to the contrary contained in or implied by the Government Lands Act, if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of the President to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term created shall cease but without prejudice to any right of action or remedy of the President or the Commissioner of Lands in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. Should the grantee give notice in writing to the Commissioner of Lands that he is unable to complete the buildings within the period aforesaid the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised herein:

Provided further that if such notice as aforesaid shall be given—

(1) within twelve (12) months of the commencement of the term the Commissioner of Lands shall refund to the grantee 50 per cent of the stand premium paid in respect of the land;

(2) at any subsequent time prior to the expiration of the said building period the Commissioner of Lands shall refund to the grantee 25 per cent of the said stand premium; or

(3) in the event of notice being given after the expiration of the said building period no refund shall be made.

5. (a) The land and buildings shall only be used for shops, offices and flats.

(b) Residential.

(c) Inoffensive light industry.

6. The buildings shall cover the normal site coverage for each user.

7. The land shall not be used for the purposes of any trade or business which the Commissioner of Lands considers to be dangerous or offensive.

8. The grantee shall not subdivide the land without prior written consent of the commissioner.

9. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof except with the prior consent in writing of the Commissioner of Lands. No application for such consent (except in respect of a loan required for building purposes) will be considered until special condition No. 2 has been performed:

Provided that such consent shall not be required for the letting of individual shops, offices and flats.

10. The grantee shall pay to the Commissioner of Lands on demand such sum as the commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall, on completion of such construction and the ascertainment of the actual proportionate cost, either pay (within seven days on demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the commissioner may assess.

12. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the commissioner on demand such proportion of the cost of such construction.

13. The grantee shall pay such rates, charges, duties, assessments or outgoings of whatever description as may be imposed charged or assessed by any government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the President in lieu thereof.

14. The President or such person or authority as may be appointed for the purpose shall have right to enter upon the land and lay and have access to water mains, serving pipes and drains, telephone wires and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains.

15. The Commissioner of Lands reserves the right to revise the annual ground rental payable after the expiration of the 33rd and 66th year of the term granted. Such rental will be at rate of 4 per cent of the unimproved freehold value of the land as assessed by the Commissioner of Lands.
