## GAZETTE NOTICE No. 2889

THE TRADE MARKS ACT  
(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 120.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

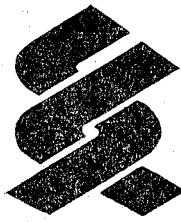

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

## GAZETTE NOTICE NO. 3021

THE INDUSTRIAL COURT  
CAUSE NO. 1 OF 1990

## Parties:

Kenya Union of Commercial Food and Allied Workers  
and  
Widescope Insurance Brokers Limited.

## Issue in Dispute:

Dismissal of Patrick M. Kungu.

THE Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the claimants and the Widescope Insurance Brokers Ltd. shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 8th May, 1990, and relied on their written and verbal submissions.

## AWARD

3. The Notification of Dispute Form "A" dated 3rd May, 1989, duly signed by the parties was received by the court on 3rd January, 1990, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

Patrick M. Kungu was employed by the respondents on 24th August, 1979, as a clerk at a salary of Sh. 1,000 per month. He was summarily dismissed on 15th January, 1988, after having served the respondents for nearly nine (9) years. At the time of his dismissal he was earning a consolidated salary of Sh. 2,945 per month.

The circumstances that led to the grievant being summarily dismissed started over a period of time in 1988. It was alleged that Mr. Kungu had occasionally revealed to the customers confidential matters pertaining to the company's internal affairs so that he could earn himself some profit to the financial disadvantage of the respondents.

The dispute was reported to the Minister for Labour on 4th March, 1988. The investigation was carried out by the Ministry and on 22nd February, 1989, the findings and recommendations were released to the parties.

The Ministry's findings were that the corruption charges against Mr. Kungu had not been proved by the respondents and that Mr. Kungu had not been given a chance to defend himself against such serious allegations of corruption. It was

found that the respondents' decision to dismiss the grievant was not only hasty but also wrongful.

The Ministry recommended that the grievants dismissal be reduced to normal termination of service so that Mr. Kungu could be paid all his terminal dues. In addition he should be paid six months' salary by way of compensation for the loss of employment.

The decision was turned down by the respondents and the matter is now before the court for further consideration.

The claimants requested the court to make an award as follows:

- (a) Reinstatement of Mr. Kungu to his former job without loss of benefits.
- (b) Be paid for all the time he had been away while pursuing this dispute.
- (c) Be paid, according to the Ministry of Labour's recommendation, six (6) months' salary for loss of employment.
- (d) Any other compensation the court may deem fit.

The respondents informed the court that the Minister's recommendation was unacceptable to them because it purported to designate Mr. Kungu's dismissal as normal termination yet the circumstances did not support such a recommendation. They prayed that the claim be dismissed.

Having carefully examined all the circumstances of this dispute, the court has come to the conclusion that the respondents had enough grounds to lose confidence in the grievant as their employee. Summary dismissal, however, was not warranted and a normal termination was called for. The court, therefore reduces the grievants summary dismissal to normal termination and orders that he be paid the benefits due to him under a normal termination plus one month's salary as compensation offered by the respondents through their advocates.
