GAZEITE NOTICE NO. 6138

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 1,500 (local applications) or US\$ 75 (foreign applications).

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, Kenya Industrial Property Office, Kenya House, Koinange Street, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

THE ELECTORAL COMMISSION OF KENYA
REVIEW OF CONSTITUENCIES

IT IS notified for general information that the Electoral Commission has embarked on the review of the number, the boundaries and the names of Parliamentary Constituencies into which Kenya is divided, pursuant to section 42 subsection (4) of the Constitution of Kenya.

The exercise shall consist of two stages namely—

- (1) submission of written memoranda, statements or submissions from representative delegations or groups (e.g. political parties, church, district development committees, societies, etc.), or individuals;
- (2) hearing oral presentations in support of the written submissions made in stage (1) or upon oral request at the hearing which shall be at the Commission's discretion.

For such submission to assist the Commission, they must strictly confine their contents to the relevant considerations the Commission is required to take into account by section 42 of the Constitution of the Republic of Kenya, which states as follows:

- "All constituencies shall contain as nearly equal numbers of inhabitants as appears to the commission to be reasonably practicable, but the Commission may depart from this principle to the extent that it considers expedient in order to take account of—
- (a) the density of population, and in particular the need to ensure adequate representation of urban and sparsely populated areas;
 - (b) population trends;
 - (c) the means of communication;
 - (d) geographical features;
 - (e) community of interest; and
 - (f) the boundaries of existing administrative areas, and, for the purpose of this subsection, the number of inhabitants of any part of Kenya shall be ascertained by reference to the latest census of the population held in pursuance of any law".

For the purpose of the current review the number of inhabitants of any constituency shall have reference to the Kenya Population Census of 1989.

Interested parties may send their written memoranda, or submissions to the district election co-ordinator of the district in which the constituency concerned is situated so as to reach the co-ordinator on or before 31st October, 1995.

The itinerary of the Commission's sittings in various districts shall be published later.
