GOVERNMENT NOTICE No. 204]

EAST AFRICA PROTECTORATE.

CIRCULAR.

Downing Street,

6th August, 1913.

Sir,

With reference to my Circular despatch of the 10th of February last, Government Notice No. 87. *Vide Official Gazette* page 275. respecting the effect on the position of military officers of their acceptance of appointments under Colonial Governments, I have the honour to inform you of April 1st, 1913 that, since the decision of the Army Council was communicated to this Department, they have had before them the case of a new class of officers holding commissions in the General Reserve of Officers, *viz.*, ex-cadets of the Officers' Training Corps who have been appointed as officers of the General Reserve in virtue of their former services in that Corps.

2. The Army Council state that, as such officers have never exercised command as officers, it would not be reasonable to permit them to retain their commissions unless they are readily available on mobilization, since, if mobilization took place, their presence would immediately be required at home with a view to their undergoing the training necessary to fit them to exercise command efficiently.

3. In these circumstances, it is essential that any such officer, on accepting employment under a Colonial or Protectorate Government, in whatever capacity, should immediately resign his commission in the General Reserve of Officers.

4. The ruling conveyed to you in the last paragraph of the circular of 10th February last will not, therefore, apply to this particular class of officer.

I have the honour to be,

Sir,

Your most obedient, humble servant.

L. HARCOURT.

The Officer Administering
the Government of
East Africa Protectorate.

GOVERNMENT NOTICE NO.]

RULES.**The Drugs and Poisons Ordinance, 1909.**

Rules made by His Excellency the Governor under the powers conferred by Section 29, of the above Ordinance.

Nairobi,

Dated this 11th day of September, 1913.

C. C. BOWRING,

Acting Governor.

1. For the purposes of these Rules the expression "poisonous substances" means poisonous substances to be used exclusively in agriculture or horticulture for the destruction of insects, fungi, or bacteria or as sheep-dip or weed-killers which are poisonous by reason of their containing arsenic, tobacco or alkaloids of tobacco; and the expression "Licensing Officer" means the Provincial Commissioner of the Province in which the licensee or applicant for a licence carries on or intends to carry on his business.

2. A licence shall not be granted under these rules to any person unless the licensing officer is satisfied that he is fit to be entrusted with the sale of poisonous substances.

3. Applications for licences shall be in the form set forth in Schedule A to these Rules.

4. Before sending an application for a licence to the licensing officer, the applicant shall publish notice of his intention to apply in a newspaper circulating in the Province in which his premises are situate and shall also send notice by registered post to the Superintendent or Deputy Superintendent of Police for the area within which such premises are situate.

5. A licence shall not be granted until after the expiration of at least fourteen days from the receipt of the application by the licensing officer, and the licensing officer before granting a licence shall take into consideration whether in the neighbourhood where the applicant for the licence carries on or intends to carry on business the reasonable requirements of the public with respect to the purchase of poisonous substances are satisfied, and also any objections he may have received from the Superintendent or Deputy Superintendent of Police or from any existing vendors of the substances to which the application relates.

6. A licence shall be in the form set forth in Schedule B to these Rules.

7. A licence shall expire on the 31st day of December of the year in which the licence is granted, but may, on application being made in the form set forth in Schedule C to these Rules, be renewed from time to time for one year at a time. The renewal of a licence shall be in the form set forth in Schedule D to these Rules.

8. A licence may be revoked or suspended for such term as the licensing officer thinks fit, if the licensing officer is satisfied that the licensee has failed to comply with these Rules, or that the licensee is not a fit person to be entrusted with the sale of poisons.

9. A licensee shall, on being required to do so by any police officer, produce his licence and any renewal thereof.

10. A fee of Rs. 10/- shall be paid in respect of the grant of a licence and a fee of Rs. 2/- shall be paid in respect of the renewal of a licence.

11. A licence shall not authorise the licensee to sell or keep open shop for the sale of poisonous substances except from or on premises (to be specified in the licence) within the Province of the licensing officer who granted it.

12. Every licensing officer shall keep a register of the licences granted by him for the time being in force, and any person shall, at all reasonable time, upon payment of a fee of Rs. 2/-, be entitled to inspect and make copies of or take extracts from the register.

13. All poisonous substances shall be kept in a separate drawer or closed receptacle apart from any other goods, and poisonous substances shall not be sold upon the same premises as articles of food for human consumption unless the licensing officer is satisfied that convenient arrangements for their sale cannot otherwise be made, and in that case they must be sold at a separate counter. For the purpose of this Rule a part of a counter which is shown to the satisfaction of the licensing officer to be adequately separated from the rest of the counter shall be treated as a separate counter.

14. A poisonous substance shall not be sold except in an enclosed vessel or receptacle as received from the manufacturer, distinctly labelled with the name of the substance and the word "Poison," and with the name and address of the seller, and with a notice of the special purpose for which it has been prepared.

15. Liquid preparations shall be sold only in bottles, tins, drums or casks of sufficient strength to bear the ordinary risk of transit without leakage. Each bottle, tin, drum or cask shall have the word "Poisonous" indelibly printed, marked or branded in easily legible characters in a conspicuous position apart from the label, and the label must bear the word "Poison." When sold in bottles the bottles shall be of a distinctive character so as to be easily distinguishable by touch from ordinary bottles.

16. Solid preparations shall be securely packed in such a manner as to avoid, so far as possible, the risk of breaking or leakage from transport, and the package shall have indelibly printed, marked or branded in easily legible characters in a conspicuous position notice that it must not be used for any other purpose.

17. A licensee shall not sell any poisonous substance to any Native or to any illiterate person unless the Native or illiterate person shall produce the written authority of a Provincial or District Commissioner for the purchase by such Native or illiterate person of the poisonous substance.

Every licensee selling a poisonous substance under this Rule shall retain the written authority and on the demand of any Police Officer shall produce the same for inspection.

18. Every licensee shall keep a book called the "Sale of Poisonous Substances Book" which shall be kept in the form set out in Schedule E to these Rules.

19. Any Police Officer may at any time between 6 a.m., and 6 p.m., inspect the "Sale of Poisonous Substances Book" kept by a licensee, and any licensee refusing or failing to produce such book for inspection when demanded shall be guilty of a breach of these Rules.

20. Before the delivery of any poisonous substance an entry shall be made in the "Sale of Poisonous Substances Book" by the seller and signed by him, and such entry shall state the date of the sale, the name and address of the person to whom the poisonous substance is sold, and the name and quantity of the poisonous substance.

21. A licensee shall not sell any poisonous substance to any person except such person shall before the substance is delivered either attend personally at the premises of the licensee and sign the entry of the sale in the "Sale of Poisonous Substances Book" or shall give or send to the licensee an order in writing signed by him stating the substance required and the purpose for which it is required.

The licensee shall retain such written order for 12 months from the date of the sale and shall on a demand of any Police Officer produce the same for inspection.

22. All premises from or on which a licensee is authorised to sell or keep open shop for the sale of poisonous substances shall at all reasonable times be open to inspection by Police Officers.

23. (1) In any breach or non-observance of these Rules the licensee shall be liable to the penalties prescribed for such breach or non-observance though the act or default constituting such breach or non-observance was that of an apprentice, clerk, servant or agent in the employ of such licensee unless he shall satisfy the Court that such act or default was not due to his negligence in the supervision or direction of such apprentice, clerk, servant or agent.
- (2) Every Director and Manager of a Company shall be liable to the penalties for any breach or non-observance of these Rules by such Company.

24. These Rules may be cited as "The Poisonous Substances for Agricultural Purposes Rules 1913."
