GAZETTE NOTICE NO. 1671

THE INDUSTRIAL COURT

CAUSE NO. 12 OF 1981

Parties:

Transport & Allied Workers' Union
and

Nairobi Petrol Stations Association

Issues in dispute:

1. Wages minimum per month.

2. Wages general increment.

1. The Transport & Allied Workers' Union shall hereinafter be referred to as the Claimants and Nairobi Petrol Station Association shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 6th May, 1981 and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 1st December, 1980 duly signed by the parties was received by the Court on 2nd March, 1981 together with the statutory certificate signed by the Labour Commissioner.

The parties' collective agreement expired on 28th February, 1980 after a period of two years. The Claimants had submitted their proposals for revising it to the Respondents on 15th December, 1979 and during the Joint Industrial Council meetings of 26th February and 7th March, 1980 all the items were agreed except the ones in dispute along with annual leave and house allowance.

It is not disputed that on the issues of monthly minimum consolidated wages there was agreement on all the job categories except for the jobs of pump attendant, assistant accounts clerk and lubrication clerk. There was also of course a disagreement on the issue of wage increment.

The Respondents pointed out, and the Claimants did not challenge it, that the parties' respective positions on the outstanding issues were as follows:

Issue	Claimants Sh.	Respondent Sh.
Minimum wage for pump attendant ..	576 p.m.	456 p.m.
Minimum wages for assistant accounts clerk ..	676 p.m.	576 p.m.
Minimum wages for lubrication clerk ..	676 p.m.	576 p.m.
Wage increment ..	12½% p.a.	2½% p.a.

During the hearing the Claimants reverted back to their original demand of 40 per cent increase per year for all the unionisable employees and the Respondents improved upon their offer of 2½ per cent as follows:

- (a) For employees earning up to Sh. 699 p.m.—8 per cent for the first year and another 8 per cent for the second year.
- (b) For those earning Sh. 700 and over p.m.—7.5 per cent for the first year and another 7.5 per cent for the second year."

The salient features of this dispute are that out of approximately 130 service stations within Nairobi area only 35 petrol stations are members of the Respondents. This means that the vast majority of the service stations are paying the statutory minimum rates to their employees with a few exceptions who have their individual collective agreements with the Claimants. The Respondents pointed out that they had to compete with all those other service stations and further that their operations are marginal with the result that many operators had gone out of business. The Respondents gave the figures regarding their gross profit margins for the four basic products and explained that from the high price of their products most of it was paid to the Government in taxes.

The Claimants on the other hand argued that the Respondents were paying their unionisable employees the statutory wages as the Presidential Decree of May, 1980 had overtaken the rates as specified in their collective agreement. Further the long service employees and the new entrants in the jobs were earning the same rates which was very unfair.

The Court referred the parties' submissions to the Division of Manpower Planning & Development for a factual report. In the D.M.P.D. report it is stated that most of the employees affected by this dispute belong to the lower income group and a few fall under middle income group with the increase in the lower income group at 20.4 per cent and in the middle income group at 17.5 per cent for the period between March, 1978 and February, 1980.

The Court notes that the G.D.P. entitlement for the workers in 1978 is 2 per cent therefore under Guidelines IV (a) and (b) the acceptable wage compensation for the lower income group would be 6.1 per cent per year and for the middle income group it would be 5.4 per cent per year.

It is quite obvious that the Claimants' demands are totally unrealistic and way above their entitlement under the Guidelines.

The Court has also to take into consideration the fact that whereas previously there were 525 employees working for the Respondents' members now there are more than 600 which reflects a modest increase in employment.

After careful consideration of all the submissions the Court awards the following minimum wages for the various categories specified as follows:

Job Group	Sh. p.m.
1. (a) General labourers, gardeners, messengers, cleaners and day watchman ..	456
(b) Night watchman ..	503
2. Lubricant, tyremen, batteryman ..	576
3. Drivers :	
(a) Light van ..	598
(b) Heavy commercial vehicle ..	966
(c) Commercial vehicle (medium) ..	739
4. Pump attendant ..	480
5. Senior pump attendants ..	598
6. Cashiers or salesman ..	966
7. Assistant accounts clerk ..	598
8. Lubrication clerk ..	576
9. Forecourt supervisor ..	800
10. Workshop staff (artisans)—	
(a) Mechanic without trade test certificate ..	598
(b) Mechanic with trade test certificate grade III ..	739
(c) Mechanic with trade test certificate grade II ..	811

(d) Mechanic with trade test certificate grade I .. 966

The agreed effective date for the above minimum rates is 1st March, 1980.

Issue No. 2.—Wages general increment

On the issue of general wage increase the Court awards that all those employees who had completed more than six months' service as at 1st March, 1980 shall get a wage increase of 8.5 per cent on their wages as at that date i.e. 1st March, 1980.

The Court further awards that all the unionisable employees shall get a further wage increase of 9 per cent effect from 1st March, 1981.

The Court would like to place it on record that the parties have agreed the effective date to be 1st March, 1980 and that the agreement is to remain in force for a period of two years from that date.

Given in Nairobi the 22nd May, 1981.

GAZETTE NOTICE No. 1675

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also given that official objection will be taken under Rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he

may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the Register are shown with the official number unaccompanied by any letter. Application for Part B are distinguished by the letter B prefixed to the official number.
