Mr. Mungai started working for the Respondents on 1st January, 1974 as a driver. Prior to that he used to work for them on temporary basis during peak seasons for tourists. On 6th March 1980 he was summarily dismissed on the ground that he having been transferred to Marsabit Lodge where he was expected to report on 26th February, 1980 had failed to do so.

The Claimants took up the matter on his behalf and reported a trade dispute to the Minister for Labour and an investigation was carried out. The Ministry's findings and recommendation were conveyed to the parties on 28th January in the following terms:

"After receiving his transfer letter Mr. Mungai collected his dues without raising any complaint and it had been hoped that he would go to Marsabit Lodge immediately.

It is the management's prerogative to deploy staff for the efficient running of the business and Mr. Mungai's refusal to go on transfer constituted disobedience to a lawful order. In the circumstances the action taken by the management was proper and the management's decision should stand."

The immediate cause that led to Mungai's so called transfer to Marsabit Lodge was his behaviour during and after he had taken a group of Rank Xerox staff on a tour of game reserves and lodges in November, 1979. This tour commenced on 24th November and ended on 28th when they arrived at Nairobi at 5 p.m. Mungai parked the bus on the main road next to the Hilton and thereby caused an obstruction. He was apprehended by the traffic police with the result that he and the bus were taken to the traffic headquarters. It is not denied that he was charged for a traffic offence and was fined.

The firm of Rank Xerox also lodged a complaint with the Respondents about this tour and threatened that in future they would take their business somewhere else. In fact the Court was informed that they have never come back to the Respondents for the annual outing of their staff.

As a result of this incident he was informed on 11th February, 1980 by the personnel officer, Mr. Muia, that he was suspended from duty until further notice. Mr. Mungai gave a very lengthy explanation on the complaints made against him and on 25th February, 1980 he was informed by Mr. Muia that his suspension

had been lifted with immediate effect and was warned that such behaviour would not be tolerated in future and in the event of further complaints arising severe disciplinary action would be taken against him. Mr. Muia then wrote to him as follows in the same letter:

"In the meantime it has been decided to transfer you to Marsabit Lodge where you will take over as the lodge driver. Your salary will remain the same as you are currently earning i.e. Sh. 1,030.60 p.m. but as you will be housed free at the lodge you will cease to receive housing allowance with effect from the date of transfer. You will also cease to receive fixed overtime as this does not apply to lodge drivers. On receipt of this letter you should see the undersigned who will arrange payments to be made to you before you proceed to Marsabit Lodge."

There is evidence that on the same date Mungai was paid Sh. 2,857 by the Respondents made up as follows:

"Salary for 26 days Feb. 1980	
26 days leave due	Sh.
38 off days	3,786.85
Fixed overtime	
Less at Tour	187.85
PAYE	327.00
N.S.S.F.	80.00
N.H.I.F.	20.00
Union	15.00
Loan	100.00
	929.85
	Sh. 2,857.00

The Claimants have pleaded that Mungai's transfer to Marsabit Lodge was not normal and that it was in effect a disciplinary measure because it was effected after he had been suspended and when the suspension was lifted. They also stressed that had it been a normal transfer then he would have been given enough notice of his journey to his new workplace and finally that the letter of transfer did not specify as to when he had to report at Marsabit Lodge nor was he told what arrangements had been made for transporting him to that remote area where the security situation is dangerous. They also referred to clause 7(b) of the relevant agreement between the parties which reads as follows:

"Where an employer is considering the transfer of an employee from one establishment to another the employer will take into account all personal matters pertaining to the employee such as his family, his home etc."

The Court was told by Mr. Muia on behalf of the Respondents that all their units employed workers direct. In other words the workers working for the Respondents' various units in Kenya are not centrally employed. It was for this reason that Mungai was paid all his dues up to 25th February, 1980 in Nairobi and it was expected that when he reported soon thereafter at Marsabit Lodge he would be employed there. It was because of this system that the Claimants alleged that the Respondents had in fact terminated Mungai's services and that they had made things difficult for him in the hope that he would not report at Marsabit Lodge. As it turned out he did not. Instead of going there he reported the matter to the Claimants who immediately started corresponding with the Respondents over his alleged transfer.

The Court has carefully considered the various aspects of this dispute and the evidence that was tendered by the parties through their witnesses and finds that there are certain unsatisfactory features attached to this transfer. To begin with no arrangements were made regarding his transfer to Marsabit Lodge. He was not even told when he was to report at the lodge nor was he given any advance to make the necessary arrangements and even a copy of the letter of transfer was not sent to the lodge. He was not told whom to report to. It is true that the Claimants did not raise these points during the time they took up the matter with the Respondents and stressed only the family commitments of Mungai. It is unfortunate that they did not do so because if they had been doing their job properly then they certainly would have taken up these points in their first communication with the Respondents.

The Court accepts that because of the security element in that area it would indeed be a hardship to expect a new person there to find his own way to the lodge. Mr. Wahome appearing for the Claimants stated that once he had been stranded in that area for over a week with no transport. The Respondents should have made arrangements for their transport to meet Mungai at the nearest point to the lodge but there is no evidence that they did so or had any intention of doing so. All they did was to pay his dues on 25th February and told him to go to the lodge.

The Court has come to the conclusion that this was indeed not a normal transfer but was a disciplinary action against Mungai but since the Respondents had lifted his suspension the Court finds that they treated him rather harshly in the manner in which they asked him to go on transfer to Marsabit Lodge. On the other hand the Court cannot overlook the fact that Mungai caused to Respondents the loss of a valued customer although one of the complaints by Rank Xerox was that no proper arrangements had been made for lunch at Naivasha. For this, of course, Mungai cannot be blamed.

The Court notes that Mungai has already secured alternative employment although he was unemployed for quite sometime. Considering all the circumstances of this dispute the Court finds that indirectly the Respondents have caused the dismissal of Mungai but he is certainly not entitled to a heavy compensation for the wrongful dismissal. The Court awards that the Respondents should pay him three months' salary as compensation for the wrongful dismissal he has suffered.

#### GAZETTE NOTICE No. 1151

#### THE TRADE MARKS ACT (Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
