## ELGEYO-MARAKWET AFRICAN DISTRICT COUNCIL

## SALE OF TIMBER AT KAISUNGOR, ELGEYO-MARAKWET DISTRICT

TENDERS are invited for the right to fell and extract standing and fallen trees of cedar (*Juniperus procera*) in an area of the Kerio Native Land Unit at Kaisungor, Cherangani, for a two-year period commencing 10th June, 1959, under the conditions specified in paragraphs 10 to 20 of this notice.

2. The area to be worked over is approximately 200 acres of cedar forest. This is demarcated on the ground.

The estimated volume in the area, both standing and fallen trees, is approximately 6,000 tons hoppus. The African District Council accepts no responsibility for the accuracy of this volume of timber.

3. The area may be viewed by arrangement with the District Commissioner's representative, Cherangani Forest Station, P.O. Private Bag, Kitale.

The tender of any tenderer who does not visit the area with the Forester, or his representative, may be considered invalid, and a certificate to the effect that the coupe has been visited should be attached to the tender.

4. The basis of the tender will be the price to be paid in shillings and cents per hoppus ton for timber to be sawn.

5. Tenderers are warned that no defect allowance of any sort, and no distance allowance will be given, and should remember this when submitting their tenders.

6. Tenderers must submit their tenders in a sealed envelope marked "Elgeyo-Marakwet A.D.C.—Felling Coupe Kaisungor". Tenders must reach the District Commissioner, Tambach not later than 10 a.m. on 9th May, 1959, at which place and time tenders will be opened by the District Commissioner. Tenders received after the above time will not be considered.

7. The Elgeyo-Marakwet A.D.C. reserves the right to accept any tender, not necessarily the highest, or reject all tenders, without assigning reasons.

8. The successful tenderer will be informed in writing of the acceptance of his tender by the D.C. Tambach within 31 days of the opening of the tenders.

9. A licence will be issued to the successful tenderer within 31 days of the opening of the tenders upon receipt of a deposit of Sh. 10,000 from the successful tenderer.

## Conditions of Licence

10. The licensee will be required to pay for the produce cut each month before the seventh day of the next month. A breach of this clause may lead to the cancellation of this licence.

11. Sawmill machinery and sawmill buildings may be erected in the felling area with the agreement of the District Commissioner in writing.

12. The licensee will be required to cut and extract a minimum quantity of 300 hoppus tons in each month of the licence period.

13. All timber will be measured and hammer marked in the felling area either at stump or at a site within the felling area agreed on by the District Commissioner, Tambach (or his representative) and the licensee, and no timber other than that which is hammer marked shall be moved either to the mill or out of the felling area.

14. The felling area will be divided into four coupes of fifty acres each, and the licensee may not move into a new coupe until his present coupe is cleared of all timber to the satisfaction of the District Commissioner, Tambach.

15. The licensee will be required to fell and crosscut all trees by saw, axes being used only to obtain felling direction and to trim branches from the trees. All trees must be felled as close to the ground as possible and never more than nine inches above ground level. Any timber wasted by leaving high stumps or by incorrect cross-cutting will be measured and paid for at the tendered rate. If the licensee has been notified in writing about such waste of timber then any further wasted timber may be charged for at double the tendered rate.

16. The licensee must use only such road or roads of access as are approved by the D.C. Tambach for his use and the District Commissioner may close any roads used by the licensee in the Elgeyo-Marakwet District at any time if he considers that traffic may cause serious damage to it.

17. The licensee may not sublet his licence, wholly or in part, without the prior consent in writing of the District Commissioner, Tambach.

18. Timber not extracted by the licensee by the end of the licence period will revert to the African District Council and, although paid for, may be sold elsewhere.

19. No defect allowance, of any sort, and no distance allowance will be given.

20. A breach of any of the conditions of this licence may result in the licence being cancelled, notice of which shall be given in writing. If this licence is cancelled the licensee shall have six weeks in which to remove his sawmill and machinery after which, if the sawmill and machinery or any parts of them, have not been removed, they will be deemed to be the property of the African District Council.

21. The period of the licence shall be for two years from the date of acceptance of the tender. If, in the event of the millable timber not being sufficient to last for two years, the licence shall expire when the supply of millable timber has ceased.

Tambach,  
3rd April, 1959.

District Commissioner,  
Elgeyo-Marakwet.
