GAZETTE NOTICE No. 3250

**THE TRADE MARKS ACT**

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 1,500 (local applications) or US\$ 75 (foreign applications).

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, Kenya Industrial Property Office, Posta Sacco House, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

The five applications appearing hereunder are proceeding in the name of MARS INCORPORATED, of 6885 Elm Street, McLean, Virginia, United States of America, and c/o Messrs. Kaplan & Stratton, advocates, P.O. Box 40111, Nairobi.

## GAZETTE NOTICE NO. 3276

THE ELECTRIC POWER ACT  
(No. 11 of 1997)IN THE MATTER OF THE ELECTRICITY  
REGULATORY BOARD

AND

IN THE MATTER OF A DISPUTE UNDER SECTION 6 OF THE  
SCHEDULE TO THE ELECTRIC POWER ACT

BETWEEN

PAN AFRICAN PAPER MILLS (E.A.) LIMITED—(Consumer)

AND

THE KENYA POWER AND LIGHTING COMPANY  
LIMITED—(Licensee)*Decision*

WHEREAS the consumer requested for a hearing before the Board under section 6 (1) of the schedule to the Electric Power Act, No. 11 of 1997, the Board has conducted a hearing whereat the consumer and the licensee have made oral and written submissions raising several issues for determination.

And whereas the Board has reached a decision on these issues.

Now therefore the Board issues this Gazette Notice under section 6 (4) of the schedule to the Electric Power Act aforementioned and states its decision as follows:

- (a) The Board finds that the consumer qualifies to negotiate a large retail contract for the supply of electrical energy with the licensee under the Electric Power Act. It is also the finding of the Board that the current supply agreement between the consumer and the licensee does not qualify to be regarded as a large retail contract within the meaning of sections 2, 21 (1) and 121 (1) (f) of the Electric Power Act.
- (b) The Board finds that the consumer is not entitled to any compensation from the licensee by way of tariff rebate on account of the consumer's financial contribution to the construction of the 132 kV supply line extension to its paper mill located at Webuye. The licensee is only obliged to provide compensation to the consumer in respect of new supply connections from the 132 kV supply line by virtue of section 28 (1) (ii) of the Electric Power Act.
- (c) The Board rules that it can not impose or compel a large retail agreement on the parties.
- (d) The Board confirms that the cost of supplying power at 132 kV is lower than that of supplying power at 66 kV and has accordingly ordered that the consumer be removed from category C 3 band of consumers and placed under a new category C 5 for large commercial and industrial consumers whose consumption is in excess of 7,500,000 kWh/month.
- (e) The Board has ordered that the following electricity tariffs and rates be charged by the licensee in respect of the consumption of electrical energy by the consumer at its paper mill located in Webuye:

Fixed Charge (KSh./Month)	Unit Rate (KSh./kWh.)	Demand Charge (KSh./kVA)
7500	4.00	80

The electricity tariffs and rates set and the new category C 5 of large commercial and industrial consumers shall come into effect on 29th May, 2000.

(f) The Board has declined to exercise its discretion to back-date its award.

The Board's decision is in writing and the orders therein made, the reasons thereof and the full text served upon the parties to the proceedings.

By Order of the Board.

Dated the 25th May, 2000.
