## REPORT BY THE CONTROLLER AND AUDITOR-GENERAL ON THE ACCOUNTS OF THE AFRICAN TEACHERS PENSIONS FUND FOR THE YEAR ENDED 31st DECEMBER, 1959

In previous reports on the accounts of this Fund I have referred to the fact that the actuarial valuation of the Fund required by Regulation 32 of the African Teachers Service (Contributory Pensions Fund) Regulations, 1957, had not been made The Board has recently submitted information to the Government Actuary to enable him to commence the required valuation

2 In accordance with a resolution passed by Legislative Council on 1st November, 1955, Government guaranteed to pay into the Fund the appropriate contribution in respect of the past service of teachers admitted to the Pension Scheme either in one sum or by instalments over a period of years Payment of the Contribution is delayed pending receipt of the Government Actuary's calculations based on revised numbers of contributors and salaries The information required by the Government Actuary for this calculation has not yet been made available to him

3 In my report on the accounts of the Fund for the year ended 31st December, 1958, I referred to the fact that the amounts charged in the accounts and paid to Government in respect of the expenses incurred by Government in the administration of the Fund had not been agreed with the Secretary to the Treasury as required by section 5 (3) of the Regulations, this omission was subsequently corrected The amount which appears in the accounts for the year ended 31st December, 1959, has been agreed it includes a number of items of expenditure in respect of which Government had not previously been reimbursed

- (a) The sum of £5 715 has been included in the item "Total Advances from Housing Fund". In fact, this sum has been paid to the District Commissioner, Thika, who is acting as the Board's Agent, and he is expending the money on behalf of the individual borrowers who will enter into Agreements with the Central Housing Board as soon as the exact amount of each individual's liability is known.

(b) In accordance with the authority vested by the Central Housing Board (Vesting of Loans) Bill, 1960 the item "Advances from Local Government Loans Authority" which has appeared in the Balance Sheets of the Central Housing Board up to and including the financial year 1958, has now been omitted. The asset concerned is included in the item "Total Advances from the Housing Fund" as are the repayments in the item "Less Repayment made or due".

(c) Certain payments made by the Nairobi City Council to the Housing Fund on account of the Nairobi African Housing Project have been dealt with as follows —

  - (i) £7,508-4-90 being estimated interest charge included in the 1958 accounts as interest on loans has now been deducted from the item 'Excess of Income over Expenditure up to 31-12-58' in the 1959 Balance Sheet and transferred to a Suspense Account.
  - (ii) £115-14-08 being estimated capital payment relative to 1958, £39,631-8-74 being estimated interest payment relative to 1959 and £3,058-5-84 being estimated capital payment relative to 1959 (a total of £42,805-8-66) have been placed in a Suspense Account.

Final disposition of these amounts must await a decision on the agreement between the Kenya Government and the Nairobi City Council in connexion with which certain matters remain in abeyance
