GAZETTE NOTICE NO. 2061

THE INDUSTRIAL COURT

CAUSE NO. 8 OF 1986

Parties:

Kenya Union of Domestic, Hotels, Educational Institutions, Hospitals and Allied Workers
and
Dragon Pearl Restaurant

Issues in Dispute:

- Safari allowance.
- Night Transport.
- Service charge.
- Salary and wage increases.
- House allowance.
- Effective date and duration.

THE Kenya Union of Domestic, Hotels, Educational Institutions, Hospitals and Allied Workers shall hereinafter be referred to as the claimants and Dragon Pearl Restaurant shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 23rd March, 1987 and the claimants relied on their written and verbal submissions whereas the respondents relied on their verbal submissions only.

AWARD

3. The Minister for Labour signed the reference of this dispute to the Industrial Court on 9th January, 1986 in accordance with section 8 of the Trade Disputes Act which reference was received by the court on 21st January, 1986 together with the statutory certificate signed by the Labour Commissioner.

The respondents are a small family restaurant which started its operation sometimes in November 1974 and have in their employment about 28 employees.

The claimants told the court that this dispute started early in 1980 as a result of the parties failure to agree on the issues as listed hereinabove during their negotiation meetings.

Safari allowance:

Withdrawn by the claimants.

Night transport:

The claimants are demanding that the respondents should provide free transport to the employees who finish work at around 11 p.m. to their respective areas of residence within the city estates.

The respondents on this issue submitted that financially they cannot afford to provide a vehicle for this purpose but alternatively had increased the amount paid to the night shift workers to cater for their fare from KSh. 2.50 to KSh. 5. The respondents finally pleaded with the claimants to drop this demand.

Service charge:

Under this issue the claimants are demanding an introduction of a service charge scheme and contend that other restaurants of the respondents category operate the same and charge about 10 per cent service charge for the meals served.

The respondents on the other hand submitted that the introduction of a service charge would automatically raise the cost of their meals and consequently cause them to lose customers to cheaper restaurants. They strongly stated that the waiters should be contented with the tips paid to them by individual customers and that they are only willing to pay a fixed amount of KSh. 120 per month to the kitchen staff and bar tenders as they are not exposed to the tips enjoyed by the waiters.

Salary and wage increases:

The claimants submitted that they are prepared to uphold the following monthly wage rates as basic minimum rates for the various categories provided that the respondents agree to offer a separate housing allowance as demanded under the next item below.

The respondents told the court that the employees' current salaries and wages include an element of house allowance. They further informed the court that they are willing to offer a general wage increase of KSh. 70 per month per employee, with effect from 1st January, 1986 for a period of two years and that if this offer is accepted they would spend an additional amount of KSh. 43,680 on the employees' wage bill for the two years. They also informed the court that the employees' current salaries and wages are above the statutory minimum rates.

House allowance:

Under this item the claimants are demanding a flat rate of KSh. 240 to be paid to the employees as house allowance.

The respondents maintained that the current salaries and wages paid include a housing allowance element and requested the court that they be allowed to continue paying consolidated monthly wages as is the case presently.

Effective date and duration:

The parties would like the effective date of the agreement to be 1st February, 1986 and to remain in force for two years.

The court has carefully considered the parties submissions both written and verbal and the court notes that Dragon Pearl Restaurant is a small family business which deals mainly with Chinese foods. The court also noted the fact that the current salaries and wages which the respondents pay to the workers are above legal statutory rates and this fact is supported by the Department of Manpower Planning and Development of the Ministry of Labour. Also despite the fact that the respondents did not put up a written submission, the court was impressed by their verbal submissions which were honest, straightforward and convincing. On the other hand the claimants were also reasonable in this dispute.

The court awards as follows on the various issues:

Safari allowance:—The court accepts the withdrawal of this item by the claimants.

Night transport:—The court is very sympathetic towards the claimants on this issue, but taking into account the nature of the business, being a small family business, the court is of the opinion that accepting the claimants' demand on this issue might force the respondents out of business and therefore the court directs the respondents to increase the fares for those workers who leave work late at 11 p.m. from KSh. 2.50 to KSh. 10.

Service charge:—The court notes the respondents plea that to introduce the service charge would force the prices of food up and in turn these high prices of food would force the customers to go to cheaper hotels and the respondents would lose business. The court has decided not to make any award on this issue.

Salary and wage increases:—Both parties accepted before the court the following as the basic wage and salaries:

	KSh. per month
(a) Cleaners/pantry	685
	705
(b) Waiters	705
	750
	890
(c) Watchman	830
(d) Cooks	1,250
(e) Cashier	2,500

The court notes that the respondents have increased the wages of their employees at the beginning of 1986 and the court has decided not to make any award for that year. The court, however, awards a wage increase of KSh. 70 per month to all the unionizable employees, with effect from 1st February, 1987.

House allowance:—The court awards a house allowance of KSh. 130 per month to be paid to each employee over and above his monthly wage notwithstanding that the wage was consolidated.

Effective date and duration:—The court accepts the agreed effective date of 1st February, 1986 and a duration period of two years from that date.

Given on the 24th April, 1987.

GAZETTE NOTICE NO. 2063

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

1. *Title*.—ASSISTANT PROGRAMME SPECIALIST.
Post No..—SC-367.

Category and level.—Professional category (P-1/P-2).

Organization location.—Division of ecological sciences, science sector.

Duties and responsibilities.—Under the general supervision of the director of the division, the incumbent shall:

- (1) Assist in the planning and execution of activities of the division concerning the man and the biosphere programme and related activities in the ecological sciences field.

(2) Promote the effective collection, dissemination and exchange of information within the MAB programme, and ensure the transmittal of information generated by integrated action-oriented research to various audiences through established information channels (e.g. MAB Report Series, MAB Technical Notes, the MAB Newsletter, Information, MAB Information System) as well as nascent or occasional information outlets such as the proposed man and the biosphere book series and MAB Biennal Report, video productions (with co-operators), feature stories in international journals, etc.

(3) Participate in the preparation of meetings of the International Co-ordinating Council of MAB, the MAB Bureau, and other meetings organized by the division, including drafting of working documents and final reports.

(4) Co-ordinate the preparation and execution of the publications plan of the division.

(5) Ensure the co-ordination of the work of the division with that of other divisions of Unesco in charge of publications and information of the public.

(6) Ensure information exchange with MAB national committees and with other governmental and non-governmental organizations interested in the MAB programme.

- (7) Perform any other related duties as may be assigned.

Qualifications and experience required:

(a) University degree in one of the natural or social sciences related to environmental or natural resource management problems.

(b) Excellent knowledge of either English or French, with proven drafting ability in one language and working knowledge of the other.

(c) Experience in activities aimed at diffusing and diversifying scientific information in a form useful and interesting to various audiences would be an asset.

(d) Experience of international scientific programmes preferable.

Salary and allowances.—Initial appointment will be either at P-1 grade, with a net salary equivalent to US\$17,936 per annum, payable mainly in French francs (US \$16,900 if without dependants), plus the prescribed annual allowances, e.g. post adjustment, at present US \$9,808 for staff members with dependants, US \$9,242 for staff members without dependants or at P-2 grade with a net salary equivalent to US \$22,675 per annum, payable mainly in French francs (US \$21,261 if without dependants), plus the prescribed annual allowances, e.g. post adjustment, at present US \$12,288 for staff members with dependants, US \$11,522 for staff members without dependants; family allowances of US \$700 for each dependent child (if there is no dependent spouse, this indemnity is not payable in respect of the first dependent child). These emoluments are normally exempt from all direct taxation. Income tax on such remuneration, if levied, is reimbursed in accordance with staff regulations and rules.

2. *Title*.—SPECIALIST IN SCIENCE AND TECHNOLOGY EDUCATION.

Post No..—AS/RP/THA/ED/046.

Category and level.—Professional category (P-4).

Duty station.—Unesco Regional Office for Education in Asia and the Pacific (R.O.E.A.P.), Bangkok, Thailand.

Duties and responsibilities.—Under the supervision and control of the director of the Unesco regional office and the guidance of chief ACEID (Asian Centre of Educational Innovation for Development) the specialist in science and technology education will be a member of the interdisciplinary team of specialists

VACANCIES OFFERED BY UNESCO

in ACEID responsible for the programmes of ACEID. Within this interdisciplinary context, the functions of the programme specialist in science and technology education will include:

(1) Assisting the member states in the region on request in formulating programmes and projects for improving science and technology education.

(2) Assisting on request of the member states in strengthening their science and technology education centres and professional groups concerned with the preparation of key-level personnel in the member states and introducing new directions in curriculum development and instructional materials in the light of the new advancements in science and technology and their applications.

(3) Assisting and advising the member states in promoting science and technology education for the general public and out-of-school population.

(4) Assisting and organizing training programmes on new methods and techniques in science and technology education, use of new educational technologies and the design and development of instrumental materials, training kits and science teaching equipment; organizing intercountry and interproject exchange programmes and other activities envisaged in the work plan of ACEID.

(5) Preparing contributions for publication and developing materials for intercountry exchange of information and documentation.

(6) Carrying out such other functions as may be assigned by the director of the regional office from time to time, in particular relating to the planning and programming of the ACEID work plan.

Qualifications and experience required:

- (a) A postgraduate degree preferably at doctoral level in science education and/or in a field of science or technology. Up-to-date knowledge of major development trends in science and technology and the ability to make science education responsive to them will be an asset.
- (b) Experience in developing science and technology education curriculum at school level and in the use of educational technology for science education and out-of-school science education programmes; capability to use programmes/computers for educational purposes.
- (c) Extensive experience in national programmes of science and technology education at school level.
- (d) Knowledge and work experience in the Asian region and knowledge of the educational situation.
- (e) Proven capacity (demonstrated in published works) to write on science and technology education.
- (f) Good research background desirable.
- (g) Experience of advisory work in an international setting.
- (h) Excellent command of English essential; working knowledge of any other working language highly desirable.

Salary and allowances.—Initial appointment will be at P-4 grade with a net annual salary equivalent to US \$32,605 per annum (US \$30,275 if without dependants), plus the prescribed allowances, e.g. post adjustment, variable according to grade and step depending upon the cost of living at the duty station and the adollar exchange rate, which is nil at present; family allowance of US \$700 for each dependent child (if there is no dependent spouse, this indemnity is not payable in respect of the first dependent child). At least 30 per cent of the total net annual salary plus the prescribed allowances is to be paid in the currency of the duty station, the balance being paid in one other currency. These emoluments are normally exempt from all direct taxation. Income tax on such remuneration, if levied, is reimbursed in accordance with staff regulations and rules. Travel is provided for the staff member and his family (spouse and recognized dependants). In addition, Unesco contributes towards the cost of installation at the duty station and to the education of dependent children. On separation from Unesco, a repatriation grant is paid.

3. *Title.—PROGRAMME SPECIALIST (GENERAL EDUCATOR).*

Post No.—ED-957.

Category and level.—Professional category (P-5).

Organizational location.—Division of financing of education, education sector.

Duties and responsibilities.—Under the general supervision of the director of the division, the incumbent will be a staff member of the division responsible for executing the co-operative pro-

gramme between Unesco and the World Bank. The type of work of this division in which the incumbent will be expected to contribute according to his/her skills and expertise includes:

(1) Assisting countries in conducting reviews and analyses of parts or all of their education systems (subsector or sector studies).

(2) Assessing and advising on national development plans, policies and strategies of adjustment and reform in the education sector.

(3) Work associated with the lending operations of the World Bank in education at various stages of the lending cycle, including identification, preparation, appraisal, supervision of implementation, completion reporting, and impact evaluation.

(4) The training of officials of member countries in relevant aspects of education through seminars organized in co-operation with or under the auspices of Unesco (including the International Institute of Educational Planning) or within the framework of the co-operative programme.

(5) Participating in the conduct of various studies which are agreed under the co-operative programme with a view to finding ways of making development efforts in the sector more informed, effective and efficient.

(6) Such other duties as may be agreed under the co-operative programme or as may be required by the director.

In the conduct of these functions the incumbent is expected:

(a) To travel frequently and to various countries, normally spending a total of approximately ninety (90) days away from headquarters per year.

(b) To work in close consultation with Unesco and Bank staff and country officials as required, and often as a team member.

(c) Adhere to relevant guidelines.

When participating in missions, the incumbent will be under the leadership of the mission leader. Depending upon the experience of the incumbent, he/she may be required to lead missions. The preparation of reports of a high standard will constitute a major part of the responsibilities of the incumbent.

Qualifications and experience required:

Candidates should have:

(a) Either a university degree or equivalent in the field of education or a university degree in any other discipline together with training in education.

(b) Considerable professional experience in the education sector including at least some experience in management or administration at a significant level. Experience in education in a developing country would be essential.

(c) Fluency in either English or French; in addition to the language of fluency the candidate should have a working knowledge (ability to read, write and understand) of at least one of the following three languages: English, French and Spanish.

Salary and allowances.—Initial appointment will be at P-5 grade with a net salary equivalent to US \$39,290 (US \$36,283 if without dependants) per annum, payable mainly in French francs, plus the prescribed annual allowances, e.g. post adjustment, at present US \$20,982 for staff members with dependants, US \$19,375 for staff members without dependants; family allowances of US \$700 for each dependent child (if there is no dependent spouse, this indemnity is not payable in respect of the first dependent child). These emoluments are normally exempt from all direct taxation. Income tax on such remuneration, if levied, is reimbursed in accordance with staff regulations and rules.

IMPORTANT NOTICE TO SUBSCRIBERS TO THE KENYA GAZETTE

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette*, *Supplement*, etc.:

- (1) The *Kenya Gazette* contains notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the notice or Act, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain a minimum of alterations.

Particular attention should be paid to the following points:

- (i) Signature must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D.14.(1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 12 noon, on Tuesday of the week that publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the *Gazette*.

(2) It will facilitate work at the Press if Permanent Secretaries will forward *Gazette* notices to the Government Printer when ready."

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
