GAZETTE NOTICE NO. 1871

THE INDUSTRIAL COURT

CAUSE NO. 1 OF 1986

Parties:

Transport and Allied Workers Union
and
Interfreight Kenya Limited

Issues in dispute:

Minimum wages for the following categories of employees:

- (a) Light van vehicle drivers
- (b) Heavy commercial vehicle drivers
- (c) Forklift attendant (operator)
- (d) Ungraded mechanic

Housing allowance

General wage increase

Effective date and duration of the agreement.

THE Transport and Allied Workers Union shall hereinafter be referred to as the claimants and Interfreight Kenya Limited shall hereinafter be referred to as the respondents.

2. The parties appeared before the court in Nairobi for hearing on 8th July, 1986, but due to a state of confusion which existed over the items said to have been agreed on between the parties, the court gave the parties time off to go and renegotiate and forward another Notification of Dispute Form "A" to the court. The parties were further heard on 16th March, 1988, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Forms "A" dated 5th February, 1985, and December 1987, duly signed by the parties were received by the court on 10th January, 1986 and December 1987, together with the statutory certificates signed by the Labour Commissioner.

Minimum wages

During the hearing of the dispute the parties were able to reach an agreement on this issue.

The court accordingly awards as agreed by the parties on the following monthly minimum wages:

- | | |
|--|--------------|
| (a) Light van vehicle drivers | Sh. 932.00 |
| (b) Heavy commercial vehicle drivers | Sh. 1,640.00 |
| (c) Forklift attendant (operator) | Sh. 868.00 |
| (d) Ungraded mechanic | Sh. 937.00 |

House allowance

The court having considered the submissions by the parties on this issue finds that the claimants at the conciliation level had demanded a housing allowance of Sh. 300 per employee per month. The respondents maintained their offer of 15 per cent on house allowance.

The court has carefully considered the two proposals put forward by the parties and has decided to award that the employees should be entitled to a housing allowance of 17½ per cent of the monthly basic minimum wage per job group.

General wage increase

The court has carefully considered this issue and finds that the claimants' demand for a total of 28 per cent for two years is based upon the date the parties commenced negotiations. The court also notes that this is the first collective agreement between the parties and to compute the cost of living indices backdated to the time negotiations started would not be fair.

The court therefore awards that the workers should get a 10 per cent wage increase per year for the two-year period of the award. These increases should be calculated on the workers' individual salaries.

Effective date and duration of the agreement

The court notes that this is the first collective agreement between the parties and back dating it beyond 1st January, 1988, would not be in the future interests of the parties. The court accordingly awards the effective date to be 1st January, 1988, with a duration period of two years.

Given at Nairobi on 6th April, 1988.

THE INDUSTRIAL COURT

CAUSE NO. 75 OF 1987

Parties:

Kenya Union of Commercial Food and Allied Workers
and
The Insurance Employers Group of F.K.E.

Issues in dispute:

Wages and salaries for all grades

- (a) Minimum basic salaries
- (b) Elongation of notches to 20
- (b) General wages and salaries increases

House allowance

Medical treatment

Sick leave

THE Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the claimants and the Insurance Employers Group of Federation of Kenya Employers shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 4th February and 10th March, 1988, respectively and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 21st October, 1987, duly signed by the parties was received by the court on 29th October, 1987, together with the statutory certificate signed by the Labour Commissioner.

The court has carefully considered the parties' submissions and finds that the parties' collective agreement which is the subject matter of revision shall expire on 31st December, 1988. The court has no doubt that the respondents are undergoing re-organization arising from the New Insurance Act of 1984, which is bound to have far reaching implications for the insurance industry. As a result, the insurance industry is going through a transitory and readjustment period.

The court accordingly has come to the conclusion that it would be fair under the circumstances of this dispute that both parties should make a sacrifice to ensure smooth operations in the industry without prejudice to the workers' right. The court accordingly makes its award as follows on each item.

Wages and salaries for all grades

- (a) On the basic minimum salaries the court has carefully considered the two proposals put forward by the parties and finds that the respondents offer is reasonable. The court accordingly awards an increase as per the respondents' offer of 5 per cent to 8 per cent on the basic minimum across the grades.
- (b) The court has carefully considered this issue and finds that majority of the workers are half-way down the middle of notches and it is not necessary to elongate the notches any further for the time being. The claimants' demand is accordingly rejected.
- (c) The court awards a general wage increase of 8 per cent for the first year and 10.0 per cent for the second year of the collective agreement respectively. The increases should be implemented in accordance with the parties past practice.

House allowance

The court has carefully considered this issue and after examining the two proposals put forward by the parties finds that the claimants' demand will raise the current total labour cost of Sh. 15.5 million to Sh. 46.5 million which is about 200 per cent increase, while the respondents offer improves the current housing allowance bill by Sh. 2.0 million which is 12.9 per cent increase.

The court has accordingly decided to award an increase on the present rates of house allowance on each job group as follows:

Grades	First year Sh.	Second year Sh.
Subordinate staff	310	340
Special subordinate staff	330	360
Clerical Grade II	440	480
Clerical grade I	470	520
Senior clerical	570	620

Medical treatment

The court has carefully considered the arguments advanced by the parties on this issue and finds that the claimants are demanding additional Sh. 5,000 or 50 per cent increase on the present entitlement of Sh. 10,000 and to cover their families as well. The respondents have offered an increase of Sh. 1,000 or 10 per cent to make medical treatment entitlement to be Sh. 11,000 for their employees only.

The court awards medical treatment of Sh. 12,000 non-cumulative to cover employees only for the time being.

Sick leave

On this issue no case of hardship was proved to warrant any increase on the current 45 days sick leave with full pay. The claimants' demand is accordingly rejected.

The respondents' prayer to extend the duration of the agreement by one more year is also rejected.

Given at Nairobi on 5th April, 1988.

CAUSE No. 12 OF 1986

Parties:

Kenya Timber & Furniture Workers Union
and
Allied Timber Limited

Issue in dispute:

Dismissal of Itende Jera.

THE Kenya Timber and Furniture Workers Union shall hereinafter be referred to as the claimants and the Allied Timber Limited shall hereinafter be referred to as the respondents.

2. This dispute came up for mention on 19th March, 1986, and the court proceeded to fix 4th August, 1986, as the hearing date. The hearing of the dispute was postponed because the respondents had failed to file their reply to the claimants' written submissions. The dispute was further mentioned on 14th January, 1988, and the hearing fixed for 24th March, 1988. The respondents were informed of the hearing date. On 24th March, 1988, when it came up for hearing the respondents did not attend the court and the court proceeded to hear the dispute in their absence. The grievant was present in court.

AWARD

3. The Minister for Labour signed the reference of this dispute to the Industrial Court on 23rd January, 1986, in accordance with section 8 of the Trade Disputes Act which reference was received by the court on 27th January, 1986, together with the statutory certificates signed by him and the Labour Commissioner.

After careful consideration of the claimants' submissions the court concurs with the Ministry's findings that the grievant has suffered a wrongful dismissal. The court accordingly award that the grievant should be paid all his terminal benefits. In addition he should be paid one month's salary by way of compensation for loss of employment. These in all amount to KSh. 9,104.

Given at Nairobi on 24th March, 1988.

GAZETTE NOTICE NO. 1874**THE INDUSTRIAL COURT**

CAUSE No. 28 OF 1987

Parties:

Kenya Union of Commercial Food and Allied Workers
and
National Bank of Kenya Limited

Issue in dispute:

Cautionary letters to their unionizable employees.

THE Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the claimants and the National Bank of Kenya Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 17th March, 1988, and relied on their written and verbal submissions. Previously the dispute had been fixed for hearing on 11th November, 1987, but the parties requested the court to stand over the dispute generally.

AWARD

3. The Notification of Dispute Form "A" dated 23rd April, 1986, duly signed by the parties was received by the court on 27th April, 1987, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

The court has carefully considered the arguments advanced by the parties in this dispute.

From the background of this dispute it is quite clear that strictly speaking the strike action taken by the respondents' employees on the material date was illegal. But then the escalating dispute between the claimants and the management of the Barclays Bank which dispute in itself and the strike at that bank, which led to the dismissal of all unionizable workers of that bank may have contravened the Trade Disputes Act are somewhat relevant to the present dispute. The mass dismissals caused the claimants to issue a threat of a general strike in the banking industry which prompted the intervention of the Ministry of Labour to prevent it. The cautionary letters which are the subject matter of this dispute read as follows:

"22nd January, 1985. All unionizable staff cautionary letter.

It is noted with concern that on 11th January, 1985, for 6.45 hours from 10.30 a.m. to 3.15 p.m. you participated in a sympathy strike contrary to your contractual obligations with this bank.

The bank takes a serious view of this and it has been decided that you will not be paid for the period of your absence on strike.

Stern disciplinary action will be taken in any future instance of violation of your contract of service with the bank."

The court accepts the respondents' plea that the conduct of an employer in addressing various communications to its employees in writing cannot be subject of negotiations with a trade union. The above letter, however, is not an ordinary communication from an employer to his employees. It clearly refers to a sympathy strike and that the respondents take a serious view of it and that stern disciplinary action will be taken in any future violation of the contract of employment by the employees.

It is admitted by the parties that no disciplinary action was taken by the respondents against their employees and that the aforesaid cautionary letter is not a warning letter in terms of the collective agreement. The court must however point out that it comes very close to a warning letter. A warning letter in the absence of other offences within the stipulated period which is generally one year, is expunged from an employee's file. But this cautionary letter if not given the same treatment will remain in an employee's file indefinitely and will certainly mar his/her employment record.

The court finds this to be a borderline case in that whereas an employer is well within his rights to issue a caution in writing to his employees at the same time the employees in the absence of disciplinary action being taken against them will find cautionary letters if allowed to remain in their files damaging to their employment records.

The court finds that the cautionary letters having served their purpose since they were issued on 22nd January, 1985, should now be expunged from the employees' files after more than three years. The court accordingly rules that the aforesaid cautionary letters should be expunged from the respondents' employees' files from the date of the court award.

GAZETTE NOTICE NO. 1876

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he

may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

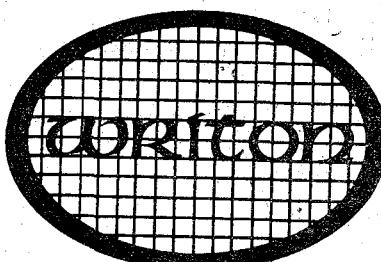

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.
