KENYA CULTURAL CENTRE

REPORT FOR YEAR 1960

Your Council present herewith the Balance Sheet and Accounts of the Kenya Cultural Centre for the year ended 31st December, 1960 and Report as follows:—

1. New Building, Kenya Cultural Centre

Since the last Report, the building has been completed and is fully occupied. Three Constituent Members have undertaken a Tenant Purchase Scheme and the remaining accommodation has been let. A long term loan of Sh. 500,000 was obtained from the Kenya Building Society and this is being repaid by monthly instalments of principal and interest, such sum being covered by rents received and repayment from the Tenant Purchasers.

Running expenses are met by subscriptions from the tenants, such subscriptions will be adjusted on an annual basis to actual costs involved and it is the intention that the proportion due towards these running expenses by the Kenya Cultural Centre itself will be met from rentals of the Centre Hall.

Except for one small matter still to be settled, the new building has been paid for and there is nothing further to report.

2. Kenya National Theatre

The Kenya National Theatre was used for the following performances during the year:—

	Constituent Members	Non- Constituent Members
Plays, Ballet and Variety	89	40
Film Shows	12	1
Lectures	—	1
Recitals	8	—
	109	42

It will be noted from the above figures that the number of times that the theatre was used has decreased in comparison with previous years and the Theatre Committee has been actively engaged in considering ways and means of encouraging the increased use of the theatre.

Again, as in previous years, the Council wish to record their grateful thanks to the considerable amount of voluntary work given by various members.

3. Accounts for the Year

After charging depreciation on the theatre assets, amounting to Sh. 39,122, there was an excess of expenditure over income from the theatre of Sh. 38,249 12 cts.

Expenses for running the theatre have been reduced by some approximately Sh. 15,000 for the year. On the other hand, the income obtained has also decreased by approximately Sh. 36,000.

In regard to general income and revenue, there was an excess of expenditure of approximately Sh. 8,000. Some of this was caused by non-recurring items such as Legal Expenses in regard to the loan from the Building Society and interest not recovered for the period from the time that the loan was received and the date by which the new building could become income earning by the occupation of the various tenants.

RICHARD WOODLEY,
President.

AUDITOR'S REPORT

I have audited the attached Balance Sheet and have obtained all the information and explanations I have required.

In my opinion, such Balance Sheet is properly drawn up so as to exhibit a true and correct view of the affairs of the Kenya Cultural Centre at 31st December, 1960, according to the best of my information and the explanations given to me and as shown by the books of the Centre.

Nairobi,
28th August, 1961.

Honorary Auditor.
