ABDILLAH SAGGAF ALAWY (DR.),
Chairman, National Land Commission.

GAZETTE NOTICE No. 10596

THE LAND ACT

(No. 6 of 2012)

INTENTION TO COMPULSORY ACQUIRE LAND FOR PROPOSED REALIGNMENT OF NITHI RIVER BRIDGE ALONG THE MAKUTANO-EMBU-MERU (A9) ROAD PROJECT

THE National Land Commission calls upon persons who have an interest or claim in the land shown in the schedule here below, which the Commission intends to compulsorily acquire for purposes of The Proposed Re-Alignment of Nithi River Bridge Along The Makutano-Embu-Meru (A9) Road in Tharaka Nithi County to appear before the Commission in person on the date and place shown below to inquire into:-

- (a) Issues of propriety of the proposed acquisition
- (b) Issues of Compensation
- (c) any other relevant issues

Every person interested in the affected land is required to deliver to the National Land Commission on or before the day of the inquiry a written claim to compensation, a copy of identity card (ID), Personal Identification Number (PIN), land ownership documents and bank account details. For interested companies, deliver copies of certificate of incorporation, CR12, company's KRA PIN, copies of identity cards (ID) and Personal Identification Number (PIN) for the Directors. The Commission offices are in Ardhi House, 3rd Floor, Room 305, 1st Ngong Avenue, Nairobi and at the National Land Commission's County Co-ordinator's Office in Tharaka Nithi County.

Dated the 9th July, 2026.

THE TEACHERS SERVICE COMMISSION ACT

(Cap. 212)

REMOVAL FROM REGISTER OF TEACHERS

IN EXERCISE of powers conferred by section 30 (1) (e) of the Teachers Service Commission Act Cap. 212 of the Laws of Kenya, the Commission wishes to notify the public that the persons whose names are specified in the schedule below have been removed from the Register of Teachers pursuant to the provision of section 30 (2) of the Act.

SCHEDULE

NAMES OF TEACHERS DEREGISTERED AND REMOVED FROM THE REGISTER OF TEACHERS FOLLOWING DISCIPLINARY PROCESS

<i>Tsc No.</i>	<i>Case No.</i>	<i>Name</i>	<i>Date of Removal</i>
752098	0595/04/2024/2025	Mwandiku Christopher Mutinda	25/2/2026
716232	0338/10/2024/2025	Oloo Felix Ouma	25/2/2026
572981	0515/01/2024/2025	Chardwick Ojwang Wafula	25/2/2026
506152	0497/12/2024/2025	Adede George Ochieng	25/2/2026
544377	0392/11/2024/2025	Menza David Mthawali	25/2/2026
981490	0167/08/2025/2026	Kirui Gilbert Cheruiyot	25/2/2026
386360	0560/03/2024/2025	Atsaya Rodgers Javutumi	25/2/2026

It is drawn to the attention of the persons whose names appear in the above schedule and to the general public the provisions of sections 30 (4) and (5) and section 23 (2) of the Teachers Service Commission Act which provide:

- Where the name of any teacher is removed from the register under this Act, such name shall not be reinstated except by direction of the Commission.
- A teacher whose name has been removed from the register shall cease to be a teacher for purposes of this Act with effect from the date of such removal.
- A person shall not engage in the teaching service unless such a person is registered as a teacher under this Act.

Further to the provisions of the Act, Regulation 18 (1) (c) and (d) of the Code of Regulations for Teachers as read together with section 45 of the Act provides that any person who—

- Not being a teacher under the Act teaches or assists in teaching in any school,
- Suffers or permits or employs in any school a person not being a registered teacher shall be guilty of an offence and liable to a fine of not less than Kenya Shilling one hundred thousand (KSh. 100,000) or to imprisonment for a term not exceeding two years or to both.

THE PHYSICAL AND LAND USE PLANNING ACT

(Cap. 303)

THE PHYSICAL AND LAND USE PLANNING (SPECIAL PLANNING AREA) REGULATIONS

(L. No. 249 of 2021)

COUNTY GOVERNMENT OF KWALE

DECLARATION OF VANGA TOWN AS A SPECIAL PLANNING AREA AND NOTIFICATION TO THE PUBLIC INTENTION TO PLAN

IN EXERCISE of the powers conferred by Section 52(1) of the Physical and Land Use Planning Act, 2019, the County Executive Committee Member responsible for Environment, Natural Resources and Urban Planning, Kwale County, declares Vanga Centre and its proposed planning boundaries within Kwale County, covering approximately 2.88 KM², as a Special Planning Area for purposes of preparation of the Vanga Town Special Area Physical and Land Use Development Plan (2026-2036), as delineated in a plan deposited at the Department of Environment, Natural Resources and Urban Planning, Kwale County Headquarters

The declaration is made to facilitate orderly, sustainable and coordinated land use planning, infrastructure provision, environmental management and development control within Vanga Town and to further notify the public on the intent by the county government to plan the area.

With effect from the date of this notice, no development shall be undertaken within the declared area unless otherwise guided by the County Executive Committee Member responsible for planning. Any development permission lawfully applied for and received prior to this notice shall be allowed to proceed in accordance with its approved conditions.

The County Government of Kwale shall undertake preparation of the Special Area Plan in collaboration with all relevant stakeholders. Members of the public are invited to submit comments, representations and proposals. Details of the proposed Special Planning Area may be inspected at the Department of Environment, Natural Resources and Urban Planning, Kwale County Headquarters, during working hours (8.00 a.m. to 5.00 p.m., Monday to Friday).

Dated the 3rd July, 2026.

THE COUNTY GOVERNMENTS ACT

(Cap. 265)

KITUI COUNTY GOVERNMENT

COUNTY PUBLIC SERVICE BOARD

REPRESENTATIVE REPORT ON THE EXTENT OF COMPLIANCE WITH VALUES
AND PRINCIPLES IN THE KITUI COUNTY PUBLIC SERVICE, DECEMBER,
2025

Foreword

The Kitui County Public Service Board is established under
section 57 of the County Governments.

The County Public Service Board is required, under Section 59 (1)
(f) of the County Governments Act 2012, to evaluate and
Representative report to the County Assembly on the extent to which the
values and principles referred to in Articles 10 and 232 are complied
with in the County public service.

Under the Constitution of Kenya, the County Public Service Board
has specific obligations whose objective is to provide a solid base for
the effective and efficient delivery of public services. One of these
foundations is expressed in terms of the values and principles as
articulated in Articles 10 and 232 of the Constitution. The evaluation
on the extent to which the public service has complied with these
values and principles provides a mechanism for confirming the
progress realized in the fulfillment of the obligations.

The Representative report has analyzed the current situation for the
values and principles and the actions taken by the Board to increase
the levels of compliance. Findings in this evaluation Representative report
show that, during the period under review, the County Government
continued to realize significant levels of compliance.

While the County has made unlimited efforts in improvement of
levels of compliance with values and principles, there is still a lot to be
done. The Board would wish to request for cooperation from various
arms of the County Government in the journey of promoting values
and principles.

I take this opportunity to thank the County Executive, with the
leadership of H.E the Governor, and the County Assembly for their
untiring efforts in instilling a culture of continuous improvement on
compliance with values and principles in the County Government of
Kitui.

FLORENCE M. MAKINDI, (DR.),
Chairperson, Kitui County Public Service Board.

CHAPTER ONE: THE EXTENT OF COMPLIANCE WITH
VALUES AND PRINCIPLES

Preface

This chapter enumerates the activities that demonstrate the extent
to which the values and principles referred to in Articles 10 and 232
are complied within the County public service. It also explains the
actions taken by the Board in the promotion of the specific values and
principles.

Introduction

Under Article 10(2) the National Values and Principles of
Governance include:

- (a) Patriotism, national unity, sharing and devolution of power, the rule of law, democracy and participation of the people;
- (b) Human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized;
- (c) Good governance, integrity, transparency and accountability; and
- (d) Sustainable development.

The extent of compliance

1.0 ARTICLE 10: NATIONAL VALUES AND PRINCIPLES OF GOVERNANCE

A) PATRIOTISM, NATIONAL UNITY, SHARING AND DEVOLUTION OF POWER, THE RULE OF LAW, DEMOCRACY AND PARTICIPATION OF THE PEOPLE

Situational Analysis

The County Government has been unable to meet the 30% requirement on ethnic minority which could have enhanced National unity. This has been due to the region being a hardship area and as a result not attractive to job seekers from other parts of Kenya. Political ethnic profiling has also contributed to people tending to serve in their ethnic backyards, this has resulted to more officers requesting for transfer of services to other Counties.

Action Taken

The Board continues to advocate for patriotism and as a result, County colours and symbols are incorporated in all official County documents, information, education and communication materials, projects' branding, directional signage to County offices and painting of County Government buildings. The National and the County flags are being hoisted within the County Government offices and singing of National and County anthems is highly emphasised. The County Government continues to participate in National holidays while ensuring that County offices have portraits of the President of the Representative public of Kenya.

The Board has, and continues to draw the attention of the County employees to the documents uploaded on the County website which include the Constitution of Kenya 2010, Kitui County Human Resource and Procedures Manual 2018 and other relevant laws and regulations.

The Board continues to encourage job applications from all parts of the Country through making advertisement of job opportunities in high circulating National newspapers and in Kitui County Website (a standard policy). The Board has always advocated for better working conditions for all employees across the County.

Democracy and participation of the people has been and continues to be realised through policy formulation forums; the education forums, Youth forums, public participation on Finance Bill and other stakeholder consultative meetings on development which are highly publicised. The County Government has developed a program for Community Level Infrastructure Development where each Ward is allocated a certain budget for activities they consider important through public participation forums.

B) HUMAN DIGNITY, EQUITY, SOCIAL JUSTICE, INCLUSIVENESS, EQUALITY, HUMAN RIGHTS, NON-DISCRIMINATION AND PROTECTION OF THE MARGINALISED

Situational Analysis

Review on the compliance regarding human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalised was done during this calendar year. The social facilities within the County Government offices were sufficient only that some ablution blocks were lacking gender labels. Some markets lacked public toilets and some have dilapidated and need renovation.

Analysis of the composition of the County public service was done. It was established that the legal requirements for youth and gender in appointments had been met; however, there is still need for concerted effort to address the requirements for persons with disability and the marginalised.

The Board continued to uphold its mission of appointing qualified and competent County human resource, and promoting high standards of professional ethics and accountability for excellent public service delivery. In line with the values of transparency and accountability, the Board clearly indicated on the job adverts that the County Government of Kitui is an equal opportunity employer and does not charge commission on recruitment process.

The Board appointed one Senior Superintending Engineer (Structural) Job Group N, eleven (11) Youth Polytechnic Instructors Job Group H and two (2) Senior Support Staff Job Group D. Out of the 14 officers, 3 were male Representativeresenting 21% and 11 were female Representativeresenting seventy-nine percent (79%)

The Board has in place an elaborate recruitment process and procedure that was adhered to. Short listing exercises are normally based on the information provided by applicants in their letters of application as per the job requirements for the various positions.

The Board's appointment exercise is guided by the provisions of Section 65 of the County Governments Act 2012 which provides that:

In selecting candidates for appointment, the County Public Service Board shall consider

- (a) The standards, values and principles set out in Articles 10, 27(4),56(c) and 232(1) of the Constitution;
- (b) The prescribed qualifications for holding or acting in the office;
- (c) The experience and achievements attained by the candidate;
- (d) The conduct of the candidate in view of any relevant Code of Conduct, ethics and integrity;
- (e) The need to ensure that at least 30% of the vacant posts at entry level are filled by candidates who are not from the dominant ethnic community in the county;
- (f) The need for open and transparent recruitment of public servants; and
- (g) Individual performance.

The Board has noted inconsistencies in the schemes of service being applied in promoting, re-designating and handling other Human Resource issues that needs the same and has initiated gradual customization so as to harmonize the gaps.

Action Taken

The County Government to construct more ablution blocks in public places like markets, schools and bus parks and create awareness to the general public to construct pit latrines in their homes in an effort to ensure that Kitui County realise zero open defecation to promote human dignity as well as renovating the existing social amenities.

The Board is fully committed to continuous monitoring of compliance to ensure that the ratio of male to female employees remains within the constitutional threshold. The Board has liaised with the National Association of Persons with Disability to keep them abreast with all the adverts in an effort to bridge the gap of meeting the constitutional threshold on recruitment of persons with disability.

The Board has enhanced the methods of advertising for job vacancies, including use of County Website, social platforms and distributing copies of the adverts through County Administration (Ward and Village Administrators) to ensure that more potential applicants from all regions get the information and in good time. Affirmative action is being undertaken to address the disadvantaged groups such as minority ethnic communities in the County (e.g. the Tharaka, Arab, Somali, Muslim), persons with disabilities, youth and women.

The Board has customised temporary worker's engagement manual. This manual will guide the Public Service Board in employing temporary workers on contract is in the County Government of Kitui. The Board has also customized discipline manual and Human Resource manual. These manuals will be a reference in the process of handling discipline cases and ensure fair and equal treatment of staff working in the same career line. This will also ensure staff have grown career wise and a proper succession management.

C) GOOD GOVERNANCE, INTEGRITY, TRANSPARENCY AND ACCOUNTABILITY

Situational Analysis

County Ministries/Departments have developed service charters in both English and Kiswahili versions this includes the new Departments established by the current Government. The mechanisms for monitoring integrity, transparency and accountability in the County public service are in place.

Action Taken

The Board has advised on the need to implement the service charters fully. The complaints handling procedure has been streamlined in the County Government and employees have been sensitised on complaints handling. There are suggestion boxes in every County Ministry for officers and general public to channel their grievances.

In order to enhance transparency and accountability, each project goes through the process of public participation to ensure involvement of the people in development issues. Each project has details of the contractor, supervisor, source of funds and the financial year it was initiated.

D) SUSTAINABLE DEVELOPMENT

Situational analysis

Kitui County Integrated Development Plan (KCIDP), which highlights the development needs of the County, has continuously guided the County development projects. The development projects contained in this document have been evaluated based on their sustainability. As a result, the projects initiated are considered viable and sustainable. The incumbent Governor has already initiated the third CIDP (CIDP III) for the next three years.

Action taken

The County Government continues to implement projects in compliance with the KCIDP which is modelled on the Kenya Vision 2030 and the Sustainable Development Goals. The County Public Service Board has successfully continued to provide the human resource necessary for the implementation of planned activities.

Agriculture, Health care reforms, Education, Mineral Resources, Tourism, Road Connectivity, Information and ICT, Women and Youth empowerment programs and programs that support PLWD, Micro and small enterprises-scale business across Kitui County, Rural electricity and Bodaboda Sector among others are pillars of H.E the Governor's manifesto meant to not only spur the growth of the County economy but also improve the citizens' livelihoods.

The County Government has opened up the County through a vast road network, embedded material care in his county strategy and dug numerous boreholes, water pans construction of numerous Sump Well Water supply and installed solar pumping units in various water – starved areas of the county.

The County Ministry of Health and sanitation, in collaboration with the National Syndemic Disease control and Coordination Committee (NSDCCC) have been meeting aimed at strengthening coordination in the response to HIV and related syndemic challenges. The meeting focused on addressing the interconnected triple threat of HIV infections, Teenage pregnancies and gender-based violence. The committee emphasized the need for a whole of – government and multi-sectoral approach, noting that these challenges are driven by social, Economic, cultural and behavioural factors.

They deliberated to enhance inter-agency collaboration to strengthen prevention strategies, improve service delivery and expand support mechanisms for vulnerable populations. Discussions were aligned with national development priorities including the vision 2030 agenda with strong emphasis placed on sustainable, community –diven interventions and effective policy implementation.

The ministry is making effort in strengthening partnerships and coordinated action to accelerate progress towards reducing new HIV infections, preventing teenage pregnancies, addressing gender-based violence, and improving overall health and social outcomes.

Kitui County Government has extended Kitui County Referral Hospital Mortuary which will be able to accommodate bodies of those who die within the hospital or brought from outside. The extension has

created more space and made it easy for people to assess the bodies of their loved ones. A modern pharmacy is also under construction which is in its final stages. This will help in the safe storage of drugs for the hospital and creation of conducive environment for the pharmacists.

The County Government has continued to prioritise projects on water such as roof water harvesting systems (Water Tanks), drilling and rehabilitation of bore holes, construction / De- silting of earth and sand dams as well as water reservoirs to ensure that County residents, especially those in arid and marginalised regions, have access to portable water for drinking and other purposes.

His Excellence the Governor maintained good Governance by mainstreaming performance contracting and enhanced project monitoring mechanisms. He also ensured transparency in project procurement and budgeting through visible disclosures.

2.0 ARTICLE 232: VALUES AND PRINCIPLES OF PUBLIC SERVICE

A) HIGH STANDARDS OF PROFESSIONAL ETHICS

Situational Analysis

Standards of professional ethics were evaluated on the basis of code of conduct and ethics for officers in the public service; training for skills development; membership to professional bodies and declaration of income, assets and liabilities. There was moderate compliance with professional ethics following continuous sensitization workshops and training.

Action taken

Sensitisation programmes on values and principles aimed at creating awareness, development of teamwork, improvement of service delivery and overall culture change in the County public service were undertaken.

To increase access to knowledge on the officers' professionalism, the Board has been drawing the attention of the County Government employees to the relevant legislations and laws which have been uploaded to the County website. Being a wealth and liabilities declaration period, the Board is keen on ensuring all staffs are in compliant of the same.

B) RESPONSIVE, PROMPT, EFFECTIVE, IMPARTIAL AND EQUITABLE PROVISION OF SERVICES

Situation Analysis

The Board established that service delivery had not reached satisfactory standards as a result of slow integration of officers having been drawn from diverse organizational culture and work ethics.

Action taken

The Board has been undertaking sensitization workshops on values and principles of public service aimed at transformative leadership, development of teamwork and improvement of service delivery and overall culture change in the public service.

County Ministries/Departments have been encouraged to hold regular management and staff meetings to enhance effectiveness and teamwork in the provision of public services. The County Government has continued the use of Integrated Financial Management Information System (IFMIS), where all financial transactions are processed using the system, ZIZI system for revenue collection is also in place. This has enhanced the speed of service delivery.

The Board undertakes mystery shopping to assess the quality of services offered, encouraging an environment of unity and trust among the setting their interests aside and delivering to the public.

C) FAIR COMPETITION AND MERIT AS THE BASIS OF APPOINTMENTS AND PROMOTIONS

Situation Analysis

Appointments and promotions were and continue to be guided by meritocracy and fair competition. They are also guided by other legal provisions such as the need to include communities not adequately Representativeresented in appointments to or promotions in the public service, the balance of gender (meeting the requirement on gender rule); consideration of minority ethnic groups; and persons living with disabilities. During the period under review the Kitui County Public

Service Board appointed 14 officers where 3 (21%) were male and 11 (79%) female.

The appointments for senior positions from Job Group M to T were 1 Representative representing 7% and those for junior positions from Job Group D to L were 13 Representatives representing 93% for the period under review. It is worth noting that, recruitment exercise is an ongoing process and the Board endeavors to ensure equity and compliance with the provisions of the Constitution of Kenya 2010.

Action Taken

The Board has been undertaking sensitization workshops on values and principles of public service aimed at transformative leadership, development of teamwork and improvement of service delivery and overall culture change in the public service.

County Ministries/Departments have been encouraged to hold regular management and staff meetings to enhance effectiveness and teamwork in the provision of public services. The County Government has continued the use of Integrated Financial Management Information System (IFMIS), where all financial transactions are processed using the system. Construction of Kitui County Aggregation and Industrial Park (K-CAIP) to promote value addition for agricultural products and Constructed a modern market, Representative airied markets, and installed solar energy security lights, Constructed the Economic Stimulus Programme (ESP) markets. Partnered with KEBS to train MSMEs on quality standards and compliance. Enhanced market exposure for MSMEs and cooperatives through participation in Agriculture Shows, Trade Fairs, and Investment Conferences. This has enhanced the speed of service delivery.

The Board undertakes mystery shopping to assess the quality of services offered in the County public service. It has taken discipline measures for the officers who have been violating values and principles in their places of work. Some of the officers have been interdicted and others dismissed according to the depth of offence committed.

The Board has advertised 369 positions for temporary workers for the county Government of Kitui for various departments

CHAPTER TWO: OBSTRUCTIONS IN THE PROMOTION OF VALUES AND PRINCIPLES

The Board encountered various challenges in ensuring that values and principles were upheld. These included:

- (a) Kitui County has low internet connectivity, making the officers especially those working outside the County Headquarters unable to effectively communicate and access internet;
- (b) Insufficient public awareness on the role of citizens in governance and therefore low citizen participation in development issues;
- (c) Inadequate knowledge on the constitutional provisions on devolution and other relevant legislations among public officers;
- (d) Inadequate budgetary allocation to enhance the promotion of values and principles;
- (e) Delay by National Treasury to release funds on time so as to facilitate the exercise (promoting values and principles to the staff and general public);
- (f) High expectation of the public in securing jobs with the County due to high rate of unemployment in the Country and the available few job opportunities;
- (g) Officers from outside the County requesting for inter-county transfers and declining positions in Kitui owing to the vastness of the county, semi-arid climate, insecurity, the difficult terrain thus crushing efforts towards patriotism, national unity and inclusiveness; and
- (h) Persons with disabilities and other special groups not applying for positions in the County while those that apply fail to indicate their status. Many officers and candidates with disabilities are yet to register with the relevant body.

CHAPTER THREE: PLANNED PROGRAMS IN UNDERTAKING PROMOTION OF VALUES AND PRINCIPLES

1. Attend training/ Workshop at Kenya School of Government on promotion of values and principles;
2. Develop, produce and distribute more information, education and communication material on values and principles in Kitui County;
3. Sensitization workshops on values & principles;
4. Induct new staff with regard to values and principles;
5. Monitor compliance with the values & principles;
6. Advise the County Government on its obligations under international treaties and conventions on need basis;
7. Recruit the required personnel for the full implementation of KCIDP III (2023-2027) whose formulation stage ended in October last year;
8. Advocate and lead in the finalization of staff establishment to ensure that any recruitment is within optimal staffing level.

CHAPTER FOUR: RECOMMENDATIONS

The Board recommendations are as follows:

- (a) Partnering with the County Assembly for public awareness creation on the role of citizens in governance and the need for full participation in development agenda and activities and employment creation;
- (b) Facilitation in creation of an enabling environment for the exploitation of natural resources to create jobs for Kitui County residents;
- (c) Observation of Occupational Safety and Health Administration (OSHA) guidelines in public offices;
- (d) Provision of adequate budgetary allocation to carry out activities that enhance promotion of values and principles in the County public service;
- (e) Establishment of Public Service Centres at every Sub County headquarter;
- (f) Partnering with Internet service providers for better internet connectivity and
- (g) Decentralization of the National Council for Persons with Disabilities offices for easy access of its services.

CONCLUSION

The County public service registered substantial levels of compliance with the values and principles referred to in Articles 10 and 232 of the Constitution of Kenya 2010. However, there is still an allowance for improvement in order to ensure that citizens of Kitui County fully benefit from the gains envisaged by the Constitution of Kenya 2010.

The Board appreciates the cooperation accorded by the office of the Governor, the office of the County Secretary, County Ministries/Departments and Sub County Administration during evaluation of the extent to which values and principles have been complied with in Kitui County public service.

Further, the Board appreciates the members of the Kitui County Assembly for the oversight role and their periodic advisories towards ensuring compliance with the values and principles and continuous education to members of the public on the same.

THE PHYSICAL AND LAND USE PLANNING ACT

(No. 13 of 2019)

COUNTY GOVERNMENT OF LAMU

PART DEVELOPMENT PLAN

Pdp Ref. No LMU/228/1/26

NOTICE is given that, pursuant to the provisions of sections 13 (g) and 69 (1) of the Physical and Land Use Planning Act, 2019, read together with section 15 (g) of Legal Notice No. 27 of 2020, the preparation of the above plan was completed on the 25th May 2026.

The part development plan relates to a site in Witu Ward, Lamu County. Copies of the Part Development Plan for Chalaluma-Didiwaride, as prepared, have been deposited for public inspection free of charge at the offices of the CECM in charge of Lands, Physical Planning, and Urban Development, Lamu County, and the Director

Lands and Physical Planning- Ardhi House, Mokowe, Lamu County; between the hours of 8.00 a.m., to 5.00 p.m., Monday to Friday.

Any interested person who wishes to make any representation in connection with or objection to the above Part Development Plan may send such representation in writing to be received by the CECM in charge of Lands and Physical Planning and the Director of Physical Planning, Lamu County, in the address of Lamu County Executive P.O. Box 74-80500, Lamu in the Republic of Kenya, or electronically via email: dir.physicalplanning@lamu.go.ke not later than 60 days from the date of publication of this notice, and such representation or objection shall state the grounds on which it is made.

Dated the 2nd June, 2026.

TASHRIFA B. MOHAMED,
CECM, Physical Planning, Urban Development, Energy, Water,
MR/8068988 Natural Resources, Infrastructure, and Public Works.

GAZETTE NOTICE No. 10611

THE PHYSICAL AND LAND USE PLANNING ACT

(No. 13 of 2019)

COUNTY GOVERNMENT OF LAMU

INTENTION TO PREPARE LOCAL PHYSICAL AND LAND USE DEVELOPMENT PLAN

PURSUANT to the provisions of section (47) of the Physical and Land Use Planning Act, 2019, notice is given that the County Government of Lamu intends to commence the planning (regularization) of India and Kandahar settlements.

The purpose of the Plan is to provide a spatial framework for the regularization of existing developments, the provision of essential services to the local community, and the development of shared infrastructure within the planning area.

The objectives of the Plan include:

1. To provide a basis for the survey, adjudication, and issuance of land titles within the planning area.
2. To facilitate the regularization and orderly integration of existing developments and land uses.
3. To guide, coordinate, and promote future infrastructure and public utility developments within the area.

Comments on the proposed plans may be written and/or directed to the Office of County Executive Committee Member in Charge of Lands, Physical Planning and Urban Development. Emails of the same should be addressed to dir.physicalplanning@lamu.go.ke.

Dated the 2nd June, 2026.

TASHRIFA B. MOHAMED,
CECM, Physical Planning, Urban Development, Energy, Water,

IN THE HIGH COURT OF KENYA

IN THE MATTER OF THE INSOLVENCY ACT 2015

INSOLVENCY NOTICE NO E99 OF 2023

RE: JUNGLE MACS EPZ LIMITED (*In Liquidation*)

FINAL MEETING OF CREDITORS

TAKE NOTICE that the final meeting of the creditors of Jungle Macs (EPZ) Limited (*In Liquidation*) will be held virtually on Tuesday, 23rd June, 2026 at 10.00 a.m. via an online platform to give an account of the liquidation of the Company. Access details for the virtual meeting will be shared with creditors who confirm their attendance.

Creditors are requested to confirm their attendance by email using the details provided below. As the meeting will be held virtually, registered creditors will receive the relevant access and login details upon confirmation. Please provide confirmation by Friday, 19th June 2026.

The Joint Liquidators will circulate the account of the liquidation to all registered creditors prior to the meeting. Any Creditor who has not received the account of the liquidation by 5:00

PM, Tuesday, 16th June 2026 may request a copy via the email address provided below.

Creditors may attend the meeting either in person or by way of proxy. Proxies of creditors of the Company who wish to attend on behalf of the Creditors will be shared with the creditors together with the account of liquidation and must be lodged with the Joint liquidators through the email address provided below on or before Friday, 19th June 2026. If the appointer is a body corporate, the proxy must be executed under its common seal or by an authorized officer or attorney.

The Joint liquidators act on behalf of the Company without any personal liability.

Dated the 21th May, 2026.

Commissioner for Co-operative Development.

GAZETTE NOTICE No. 10616

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(Cap. 387)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPRESENTATIVE REPORT FOR THE PROPOSED COMMERCIAL DEVELOPMENT ON PLOT L.R. NO. 20524 LOCATED ALONG THE NAIROBI—MOMBASA HIGHWAY, SABAKI AREA, MACHAKOS COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Coordination Act, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Representative report for the above proposed project.

The proponent, Dragoncity International Limited, proposes to develop a six blocks (A-F) commercial complex comprising of 114 No. shop spaces and 76 No. hotel rooms, including 281 No. parking spaces, boundary wall, guard house, garbage cubicle, transformer room, biodegradation chamber, septic tank, generator room, associated facilities and amenities on plot L.R. no 20524 located along the Nairobi Mombasa highway in Sabaki area, Machakos County.

The following are the anticipated impacts and proposed mitigation measures:

Impact	Mitigation Measures
Air pollution	- Use of dust screens/nets around the construction site to contain and arrest dust. - Regular sprinkling of water on work areas to prevent fugitive dust violations. - Ensure no burning of waste such as paper and bottles on non-designated areas.

<i>Impact</i>	<i>Mitigation Measures</i>	<i>Impact</i>	<i>Mitigation Measures</i>
Noise pollution	- Regular covering and watering of all exposed stockpiles on site. - Regular and prompt maintenance of construction machinery and equipment to minimize generation of hazardous gases. - Construction works shall be carried out during the day. - The contractor shall use noise shields on noisy equipment such as corrugated iron sheet structures. - All noisy activities shall be scheduled concurrently during the construction to reduce the exposure period. - Operation of the noisy machinery shall be carried out when necessary and switched off when not in use. - Provide and enforce the use of Personal Protective Equipment (PPE) by the workers at all times during the construction phase. - Monitor noise levels as per NEMA guidelines.	Energy demand	- Prompt detect and Representativeair of the water fixtures and fittings. - Use of solar energy as an alternative source of energy. - Install and routine maintenance of energy efficient fixtures and fittings. - Turn off the machinery and equipment when not in use. - Put off all the lights immediately when not in use.
Oil pollution	- Proper storage, handling, and disposal of new/used oil and related oil wastes. - Routine maintenance of the construction equipment to avoid oil leaks. - Maintenance of the construction equipment to be carried out in the contractor's yard (off the site).	Increased traffic	- Ferry building materials during off-peak hours. - Employ traffic marshals to control traffic in and out of site. - Provide billboards at the site/entrance to notify motorists and the general public about the proposed project. - Enforce speed limits for construction vehicles especially along the adjacent roads. - Develop a traffic management plan to ensure that the site vehicles do not interfere with the regular traffic along the access roads.
Solid waste	- Engage the services of the NEMA waste contractor to handle the waste. - Covering of the trucks when transporting building materials and waste. - Segregation of the waste at source before disposal to designated areas. - Use of an integrated solid waste management system through a hierarchy of options: source reduction, recycling, composting and reuse. - Efficient use of the materials to reduce waste and recycling/reuse where feasible. - Monitor waste as per the waste management regulations.	Insecurity	- Engage services of security guards. - Install and regular maintenance of the CCTV cameras - Place hotline numbers on strategic places - Sensitize residents on security precautions
Liquid waste	- Channel all liquid waste to the septic tank and biodegradation pond on site - Conduct routine inspection and monitoring of the internal drainage system to identify and Representativeair any leakages and blockages. - Provision of adequate sanitary facilities to the workers during the construction. - Regular inspection and maintenance of the internal sewer system.	Storm water Drainage	- Proper design and maintenance of the drainage structures. - Construct internal drains within the property for storm water management. - Proper installation of cascades to break the impact of water flowing in the drains. - Rainwater harvesting to reduce surface runoff. - The proponent will ensure drainage facilities are fitted with adequate functional oil-water separators and silt traps.
Water demand	- Connect to the existing water supply after the acquisition of the relevant permits. - Drill a borehole to supplement the existing water supply. - Use of water efficient fittings/fixtures for plumbing products and white goods. - Provision of adequate water tanks for water storage.	Health and safety of workers	- Register the construction site as a workplace with DOSHS. - Provide PPE to the workers and ensure that they wear them at all times. - Provide first aid kit for the workers on the site. - All workers to be adequately insured against accidents. - All workers shall be sensitized before construction begins on how to control accidents related to construction. - Keep a record of the public emergency service telephone numbers including Police, Fire brigade, and Ambulance at strategic points. - Ensure that the workers are registered with SHA / NSSF and remit appropriate fees. - PRrepresentativeare a comprehensive contingency plan before construction begins on accident response.

The full Representativeort of the proposed project is available for inspection during working hours at:

- (a) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.
- (b) County Director of Environment, Machakos County.

A copy of the Representativeort can be downloaded at www.nema.go.ke

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of this publication to the Director-General, NEMA, to assist the Authority in the decision making process regarding this project. Kindly quote Ref. No. NEMA/ENVIS/SR/00592.

Comments can also be emailed to dgnema@nema.go.ke

MAMO B. MAMO,
Director-General,

MR/7807449

National Environment Management Authority.

GAZETTE NOTICE No. 10617

THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT

(Cap. 387)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENT
(ESIA) STUDY REPRESENTATIVEORT FOR THE PROPOSED
RESIDENTIAL DEVELOPMENT ON L.R NO. 1870/111/563
(NAIROBI/BLOCK 5/441) LOCATED ALONG SCHOOL LANE IN
WESTLANDS AREA, NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Coordination Act Cap 387, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Representativeort for the above proposed project.

The proponent, Miranda West Development Limited, proposes to develop 3No. blocks of 27 floors each (3No. basements, ground, 2No. mezzanine, 27No. upper floors, Roof terrace and a roof plan) comprising a total of 729 residential apartments (162 studio units, 297No. one bedroom units, 216No. two bedroom and 54No. three bedroom units), 609No. parking spaces, game room, swimming pool, gym, shared office, management office other associated amenities and facilities on L.R. No. 1870/111/563 (Nairobi/block 5/441) located along School lane in Westlands Area, Nairobi City County.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impacts</i>	<i>Mitigation Measures</i>
Sound and Vibrations pollution from construction machinery and vehicle movements.	• Vehicles to move at low speed while within and around the site range. Workers are encouraged to behave in an orderly manner. • Exposed workers will be provided with protective gear (noise muffs) • Grade sites to beneficial levels to be maintained and compensate appropriately the existing topography; • Maintain the cleanliness of the proposed development and its environs. Use machines that are well serviced, oiled and maintained.
Dust and Particulate emissions	• Workers to be provided with protective gear. • Provision of Construction masks and aprons as advised by DOSHS laws. Observe EMCA (Air Quality Regulations, 2008)

Impacts

Mitigation Measures

Effluent/waste waters

- Pursue good practices in energy use during operations and sensitize staff. Provide appropriate personal protective equipment to site workers.
- Ensure that the manuals of operations are followed to the latter to avoid possible accidents.
- Ensure netting is done all around the proposed project as construction takes shape.
- Ensure connection to Sewer line network has no spillage.
- Provide attenuation tank to temporary hold waste waters during high occupancy hours and release it to the main sewer at a slow rate during low occupancy hours to reduce pressure on the existing sewer and avoid blockage
- Dig separate drainage channels for storm water runoff.
- Ensure that the rubbish bins are emptied whenever its full.

Vegetation regeneration

- Get Approvals from relevant authorities regarding connections.
- Do regular inspections along the draining lines to ensure no leakages.
- Do landscaping on completion of the proposed project.
- Plant pot ornamental trees round the compound to improve the aesthetic appeal of the building.
- Ensure the management company maintains all vegetation cover regularly.

Solid waste generated

- Ensure that all solid wastes are collected and segregated. Reuse those materials that can be reused.
- Contact a licensed solid waste transporter to collect solid materials leakages and/or spillages.
- Minimize waste at source by clear and harmonized procurement materials.

Fire hazards

- Ensure fire extinguishers are stationed in visible places.
- Security personnel and occupants to be trained in firefighting skills. Drilling exercises to be conducted regularly.
- Train some of the premises maintainne team on how to use the fire-fighting equipment.

Health and Safety Concerns

- Provide personnel and passers-by signages and warnings, traffic control signs and warning
- Provide for appropriate signage and warnings at work sites.
- Provide appropriate Personal Protective Equipment (PPE) to site workers. Provide for First Aid facilities as per the OSHA, 2007.

Environmental auditing

- Must be done annually to assess the efficacy of the development and how waste is being managed, the environmental status of the constructed development, security situation, health and safety of the occupants and employees among other parameters. The Representativeort will be submitted to NEMA to determine the level of compliance with EMCA regulations and implementation of this EMP.

<i>Impacts</i>	<i>Mitigation Measures</i>
Security	- Guarding proposed development by Representative security firm. - No outsiders should access the property without permission from the proponent. - Partnership with the neighbors to promote serenity in the area and conserve the environment. - Ensure all staff and workers at the proposed project are properly vetted.
Traffic flow	- Adequate road warning signs to traffic regulations. Erect speed bumps where necessary. - Liaise closely with other development partners, government and council's departments to upgrade the existing road networks. - Provide space for pedestrians' walkways since school lane is very small - Use the back gate while transporting materials to and from the site and let the main road along school lane be used for pedestrian's
Oil leaks and spills	- Use well serviced machinery to minimize grease/oil leaks. No major Servicing of the machinery at the site. - Ensure any oil leakages are dealt with immediately and site cleaned.
High electricity demand	- Energy conservation measures to be practiced. - Energy saving bulbs to be used in the houses. - Lights to be switched off when not in use. - Provide alternative source of power e.g. Solar Panels, or own transformer
Climatic change risks	- Ensure the building Foundation can stand strong earthquakes. - Ensure there is adequate greenery within the building. - Using of Construction materials that have less carbon constituents. - Ensure drainage systems, flood drainages are cleared of any clogging. - Ensure the building adopts energy saving power generation systems like Solar and installation of Energy saving Bulbs.

The full Representative of the proposed project is available for inspection during working hours at:

(c) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

(d) County Director of Environment, Nairobi City County.

A copy of the Representative can be downloaded at www.nema.go.ke

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of this publication to the Director-General, NEMA, to assist the Authority in the decision making process regarding this project. Kindly quote Ref. No. NEMA/ENVIS/SR/00612.

Comments can also be emailed to dgnema@nema.go.ke

MAMO B. MAMO,
Director-General,

National Environment Management Authority.

MR/7807472

GAZETTE NOTICE No. 10618

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(Cap. 387)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED MINING AND PROCESSING OF RARE EARTH ELEMENTS (COLTAN, BERYLLIUM AND CERIUM) ON A SECTION OF KORA NATIONAL PARK IN BOKA AREA, TANA RIVER COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Coordination Act, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Maboka Mining Limited, proposes to establish a mining and mineral processing facility for rare elements including Coltan, Beryllium and Cerium and associated facilities and amenities within Kora National Park in Boka area, Tana River County.

<i>Potential Environmental/ Social Impact</i>	<i>Proposed Mitigation and Aspects for Monitoring</i>
Air pollution	- Create suitable earth mounds; Shelter transfer points from wind and protect exposed material from wind; cover friable material loads during transportation - Minimize the need to transport and handle materials by placing adequate storage facilities close to processing areas - Spray water to exposed dusty surfaces - Hard surfacing of vehicle areas, Water un-surfaced roads and paved roads and restrict vehicle speed - Use trees or shrubs around the edge of the mine site - Locate dust generating activities where prevailing winds will not blow dust to sensitive receptors/users - minimize the height of fall of material Remove dusty material collected from the area of blast prior to detonation and minimize handling - Use right blasting to avoid the production of NO₂, CO₂ and NO
Land degradation/ soil erosion/runoff	- Isolate the proposed mine from off-site runoff - Avoid removing vegetation where unnecessary - Use barriers such as vegetation and rocks to control erosion, Terracing and slope stabilization - Construction of drainage channels and sediment traps and regular monitoring of erosion control measures - Minimize land clearance to required areas only; progressive land rehabilitation and reforestation
Noise and vibration	- Control blasting and issue warnings before blasting - Switch-off equipment when not in use, avoid unnecessary revving of engines - Minimize material drop heights from lorries or plant

<i>Potential Environmental/ Social Impact</i>	<i>Proposed Mitigation and Aspects for Monitoring</i>	<i>Potential Environmental/ Social Impact</i>	<i>Proposed Mitigation and Aspects for Monitoring</i>
	• Use of conveyors to transport material as compared with dump trucks; minimize distance between loading and emptying dragline buckets • Use rubber linings in chutes, dumpers, trucks, transfer points and keep lorry tailgates closed • Sound maintenance for plant and machinery/equipment • Use temporary bunds and portable screens • Controlled blasting and restriction of working hours; Adherence to Noise and Excessive Vibration Pollution (Control) Regulations, 2009		• Avoid excavations to the water table level and lining of tailings storage areas • Install wastewater treatment system(s), lined settling ponds and proper fuel and chemical storage to prevent spills; regular surface and ground water monitoring
Visual intrusion/ landscape effects	• Retention of existing features, including ridgelines. Vegetation allowed to grow in height to increase potential for screening • Locate structures/buildings, stockpiles at a lower elevation and limit the height of stockpiles. Site plant, haul routes, soil stockpiles etc. to be located away from sensitive landscape and visual receptors; • Keep heights below skyline • Locate visually intrusive material at the base of extraction to minimize the visibility of the mine face.	Public health, occupational health and safety	• Train workers on occupational health and safety • Proper pit design and stabilization • Provide full protective gear and workmen's compensation cover in addition to the right tools and operational instructions and manuals • Adopt sound waste management system • Provide sanitary facilities and access to clean water • Engage the services of qualified personnel and/or ensure training especially in charge of blasting • Ensure use of standard practice and materials • Ensure machinery and equipment servicing and maintenance as per schedules and legal requirements • Ensure adherence to OSHA Abstract and provide material safety data sheets; regular medical examinations • Provide fully equipped First Aid kits; train staff on its use and Develop emergency response plan • Phased out and progressive rehabilitation of mined areas to reduce pits and related risks
Biodiversity and habitats disruption; Flora and fauna	• Retain existing trees at the boundary and plant more indigenous vegetation • Establish buffer zones around sensitive ecosystems • Controlled access; avoid ecologically sensitive areas; • Development of biodiversity management and wildlife conservation plans; • Progressive rehabilitation with native plant species	Fly rock, Overpressure and ground vibration	• Create a controlled space where people/animals are either excluded or protected if need be • Operation should be supervised by a person with knowledge of explosives, blast design, controlled drilling and careful observation of mine faces, and adherence to accepted blasting practices • Setting-out and drilling of blasts should be as accurate as possible • Correct stemming will help control overpressure and fly rock • Avoid surface detonating cord or cover adequately. • Avoid blasting in adverse weather conditions
Solid waste, Mine wastes and tailings	• Minimize mine waste at source by adopting optimal production technology; sound management of tailings • Use waste to ameliorate the impact of workings on the landscape through use in screening banks, backfilling, replication or simulation of natural landforms and to prepare ground for re-vegetation and <u>restoration</u>. Soil materials should be stored in a manner that protects their physical, chemical and biological aspects until required for restoration and rehabilitation • Proper storage of new and used oil, grease and fuels. Machinery should be maintained in designated area outside the site • Reduce mine wastes and tailings as well as other types of waste and segregate. Pile mine waste at the site for use in restoration while other wastes should be handled as per the waste Regulations with a bias towards recycling and reuse • Wastes should be disposed as provided by Waste Regulations and the Sustainable Waste Management Act, 2022	Constraints to infrastructure and services	• Use of state-of-the-art mining and processing technologies • Conservation of resources; use of renewable resources; rain water harvesting and storage; installation of solar energy systems • Use of recyclable materials; Installation of water conserving taps and facilities • Drilling of borehole subject to necessary approvals • Ensure electrical equipment, appliances and lights are switched off when not needed • Plan to provide for adequate natural lighting and ventilation
Ground and surface water contamination	• Avoid oil/greases and fuel and chemical leakages/spills; avail spill kits and spill management plan		

The full Representativeort of the proposed project is available for inspection during working hours at:

- (e) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.
- (f) County Director of Environment, Tana River County.

A copy of the Representativeort can be downloaded at www.nema.go.ke

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of this publication to the Director-General, NEMA, to assist the Authority in the decision making process regarding this project. IMPORTANT NOTICE TO SUBSCRIBERS TO THE KENYA GAZETTE

The following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the National or County Governments. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly, Senate or County Assemblies.
- (4) *Act Supplement* contains Acts passed by the National Assembly, Senate or County Assemblies.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typed with double spacing. Copy should be Clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE HUMAN RESOURCE POLICIES AND PROCEDURES MANUAL FOR THE PUBLIC SERVICE —

Kenya Gazette

A.30 (1) All communication for publication in the *Kenya Gazette* should reach the Government Printer not later than Friday of the week before publication is desired.

(2) A State Department will be required to meet the cost of advertising in the *Kenya Gazette*.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
