6 Applicants must enclose with their applications their cheque for Sh 1 000 as a deposit made *payable to the Commissioner of Lands* which will be dealt with as follows —

- (a) If the applicant is offered and takes up and pays for a plot within a period of 14 days as required by General Condition No 1 below the deposit will be credited to him
- (b) If the application is unsuccessful the applicant's deposit will be returned to him
- (c) If the application is successful and the applicant fails to take up and pay for the plot offered to him within a period of 14 days as required by General Condition No 1 below the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto

(a) General Conditions

1 Each allottee of a plot shall pay to the Commissioner of Lands within 14 days of notification that his application has been approved, the assessed stand premium and proportion of annual rent together with the survey fees the fees payable in respect of the preparation and registration of the grant (Sh 220) and the stamp duty in respect of the grant (approximately 2 per cent of the stand premium and annual rent) and the initial contribution for the cost of roads and drains as set out in the Schedule hereto. In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot

2 The grant will be issued in the name of the allottee as stated in the letter of application

3 Grants will be made under the Crown Lands Ordinance (Cap 155 of the Revised Edition of the Laws of Kenya) and title will be issued under the Registration of Titles Ordinance. The term of grants will be 99 years from the first day of the month following the notification of the approval of the grant

(b) Special Conditions

1 The grantee shall erect complete for occupation within 24 months of the date of the commencement of the term a building of approved design on proper foundations constructed of stone, burnt brick or concrete, with roofing of tiles or other permanent materials approved by the Local Authority and the Commissioner of Lands and shall maintain the same in good and substantial tenable repair and condition, including the external paintwork during the continuance of the term

2 No building shall be erected on any plot unless plans (including block plans showing the position of the buildings and a system of drainage for disposing of sewage surface and surface water on the land) drawings elevations and specifications thereof shall have been approved by the Local Authority and by the Commissioner of Lands or such other person as he may appoint. Such plans, etc shall be submitted in triplicate to the Local Authority within six months of the date of the commencement of the term

3 The land and buildings shall only be used for shops, offices and residence. No petrol pump will be permitted. Residential accommodation shall be confined to one floor only provided that such floor shall not in any event be the ground floor

4 The buildings shall not cover more than 75 per centum of the area of the land or such lesser area as may be laid down in the Local Authority's by-laws

5 The land shall not be used for a purpose which the Commissioner of Lands considers to be dangerous or offensive

6 A verandah may be erected within the road reserve with the previous consent of the Local Authority and must conform to a building line decided upon by such Authority

7 The grantee shall not subdivide the land

8 The grantee shall not sell, transfer, sublet or charge the land or any part thereof except with the prior consent in writing of the Governor no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No 1 has been performed

9 The Governor or such person or authority as may be appointed for the purpose shall have the right to enter upon any plot and lay and have access to water mains, sewers, pipes and drains, telegraph and telephone wires and electric mains of all descriptions whether overhead or underground without payment of compensation and the grantee shall not erect any buildings in such a way as to cover or interfere with any existing alignment of main sewers or service pipes or the telegraph or telephone wires and electric mains aforementioned

10 The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed charged or assessed by any Government or Local Authority upon the land or buildings erected thereon, including any contribution or other sum paid by the Government in lieu thereof

11 The grantee having paid an initial estimated proportionate cost of constructing roads and drains to serve the land shall on the completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate costs exceed or fall short of the amount paid as aforesaid

12 The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess

13 Should the Commissioner of Lands or Local Authority at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess

14 The application for any plot shall be deemed to be upon and subject to the conditions herein contained and the provisions of the Crown Lands Ordinance (Cap 155 of the Revised Edition of the Laws of Kenya) and in particular, Part VII thereof
