A plan of the plots may be seen at the Public Map Office of the Survey Department, Nairobi, or at the office of the District Commissioner, Kisumu, or may be had on application to the Director of Surveys, P.O. Box 1766, Nairobi, on payment of Sh. 4, post free.

Applications must be submitted to the Commissioner of Lands, Nairobi, through the District Commissioner, Central Nyanza, Kisumu, not later than noon on the 22nd day of November, 1955.

Applications must not be sent direct to the Commissioner of Lands.

*General Conditions*

1. Each allottee of a plot shall pay to the Commissioner of Lands within 14 days of notification that his application has been approved, the survey fees and the assessed stand premium in respect of the plot, together with the proportion of rent, the fees payable in respect of the preparation and registration of the title (Sh. 220) and the stamp duty (which is approximately 2 per cent of the stand premium and annual rent) in respect of the grant. In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

2. The grant will be issued in the name of the allottee as stated in the letter of application.

*Special Conditions*

1. The grantee shall erect complete for occupation within 24 months of the date of the commencement of the term a building of not less than two storeys of approved design on proper foundations constructed of stone, burnt brick or concrete, with roofing of tiles or other permanent materials approved by the Commissioner of Lands and shall maintain the same in good and substantial tenable repair and condition, including the external paintwork during the continuance of the term.

2. No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been approved by the Local Authority and by the Commissioner of Lands, or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Kisumu, within three months of the date of the commencement of the term.

3. In the event of the grantee failing to comply with any conditions herein contained, any proceedings that may be necessary will forthwith be instituted for the recovery of the land. Moneys that may have been paid in respect of the plot will be forfeited to the Crown.

4. No buildings erected on the said land may be occupied until the grantee shall have submitted a block plan with the position of such buildings clearly defined and showing a system of drainage for disposing of surface and sullage water on the said land and also for disposing of sewage by water-borne carriage to a septic tank and soakage pit in each case to the satisfaction of the Local Authority and the Commissioner of Lands, and the grantee shall also satisfy the Local Authority and the Commissioner of Lands that such systems of drainage have been properly constructed, such satisfaction in both cases to be expressed in writing.

5. The development of Plot L.R. 1148/602 shall be restricted to the frontage of the plot to Blacketts Avenue, plus 80 feet along the boundary of the plot fronting to the 30-foot side road leading from Blacketts Avenue to Mosque Road.

6. The grantee shall, at his own expense, duly and suitably connect such drainage system with any town drainage system when, in the opinion of the Local Authority, the latter system is so far completed as to enable the grantee reasonably so to do.

7. Grants will be made under the Crown Lands Ordinance (Cap. 155 of the Revised Edition of the Laws of Kenya) and titles will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the first day of the month following the notification of the approval of the grant.

8. Any buildings erected on the plot shall conform to a building line decided upon by the Local Authority.

9. The grantee shall not sell or transfer the plot nor enter into any mortgage charge (other than with the consent of the Commissioner of Lands for the raising of a loan for building purposes) or agreement for sale in respect thereof until Special Condition No. 1 hereof shall have been fulfilled.

10. Subject to Special Condition No. 9 the grantee shall not at any time during the continuance of the term of the grant subdivide the land or assign, sub-let or otherwise dispose of any portion without prior consent in writing of the Governor.

13. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or Local Authority upon the land or buildings erected thereon, including any contribution or other sum paid by the Governor in lieu thereof.

14. The acceptance of any plot shall be deemed to be upon and subject to the conditions herein contained and the provisions of the Crown Lands Ordinance (Cap. 155 of the Revised Edition of the Laws of Kenya) and in particular Part VII thereof.

15. The grantee shall pay on demand the appropriate cost of constructing all roads, including footpaths, road drains and sewers serving or adjoining the land as may be assessed by the Commissioner of Lands from time to time as the several phases of construction are proceeded with to a final bituminized standard of roads.

16. The annual cost of the maintenance of the roads when constructed will be paid in proportion to the frontage of each plot by the grantee of such plot until such time as the roads are taken over by the Local Authority.

17. The grantee shall use and permit to be used the land hereby granted for business purposes only, but shall be at liberty to use the said land for the combined purpose of business and residence notwithstanding, provided that in the event of the said land being used for the said combined purpose, then, not more than 75 per cent of the area shall be built upon, otherwise not more than 90 per cent shall be built upon or such lesser areas as the Municipal by-laws permit.

18. The development of the land shall be only for shops, offices and flats and shall not include a petrol station.

19. In no case shall the area of the plot required to remain unbuilt upon be less than 300 square feet or 10 per cent of the area, and the said area shall be free from any erection thereon above the level of the ground except latrine accommodation constructed in accordance with all laws and by-laws in force relating thereto and the design approved by the Local Authority. Such open space shall be at the rear of the building and shall extend along the entire width of the building and the distance across such open space from every part of the buildings to the rear boundary of the plot shall not be less than 10 feet.

20. At no time during the term of the grant shall the plot or any portion thereof or any buildings erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

21. A veranda may be erected within the road reserve with the previous consent of the Local Authority and must conform to a building line decided upon by such authority.
