AWARD OF THE GEORGE MEDAL

HIS EXCELLENCY the Governor is pleased to announce that information has been received from the Secretary of State that Her Majesty the Queen has been graciously pleased to approve the immediate award of the George Medal to—

JOHN VINCENT PRENDERGAST (Acting Assistant Commissioner of Police)

for gallantry of an extremely high order.

Mr. Prendergast was in command of a Special Branch Team which during the period 1st March to 20th May, 1955, made and maintained contact with Mau Mau terrorists in the Aberdare Forest with a view to arranging meetings between the representatives of Government and those of the terrorists in order to arrange for a mass surrender under the terms announced by the Governor on 18th January, 1955. Throughout this period Mr. Prendergast directed and controlled the activities of the Special Branch Team and in the course of his duties he entered the Aberdare Forest on more than 30 occasions and his life was in the same jeopardy as that of the other members of the team.

By his powers of leadership, good common sense and calmness, Mr. Prendergast proved himself to be a source of inspiration to the men under his command and the work achieved by his team in the most difficult and dangerous circumstances was outstanding, and the information obtained as a result of these activities was of inestimable value to Government.

Mr. Prendergast never spared himself in his endeavours to ensure the success of his team and without the qualities displayed by him it is doubtful whether such satisfactory results would have been obtained.

The ability and courage displayed by him were of the highest order and are worthy of recognition.

Chief Secretary.

AWARD OF COLONIAL POLICE MEDAL

HIS EXCELLENCY the Governor is pleased to announce that information has been received from the Secretary of State that Her Majesty the Queen has been graciously pleased to approve the immediate award of the Colonial Police Medal for Gallantry to—

GERALD CHAPMAN (Assistant Superintendent of Police)
for conspicuous gallantry in the execution of his duty.

Mr. Chapman was a member of a Special Branch detachment which, during the period 1st March to 20th May, 1955, made and maintained contact with *Mau Mau* terrorists in the Aberdare forests with a view to arranging meetings between their representatives and those of Government, in order to effect a mass surrender under the terms announced by the Government on 18th January, 1955. Throughout this period, in the course of which he accompanied the detachment on 34 visits to the forest, Mr. Chapman displayed a sustained courage and a devotion to duty of a very high order, being fully aware that his life was in great danger.

Mr. Chapman normally drove the third vehicle in the small convoy which had to approach the rendezvous some two miles in the forest by a route which, from the point of view of surprise attack, left all initiative with the terrorists. He fully appreciated the danger of his position, but never once failed efficiently to perform his allotted task.

On arrival at the rendezvous on each occasion, Mr. Chapman assumed command of the party responsible for the security of the detachment's arms and the vehicles while his senior officers move some distance away, often out of sight, for talks with the terrorist leaders. His task on such occasions was most difficult as he realized that any false move on his part, or on the part of any member of his party, would have been viewed with the utmost suspicion by armed *Mau Mau* sentries who, as he was aware, were constantly watching him from the bush nearby. Despite this he had to remain, often for many hours, completely alert and while not actually showing any weapons, "cover" his superior officers as best he could. In circumstances of considerable strain he always performed these duties in a most diligent manner.

Mr. Chapman was also called upon actively to assist his superior officer, Mr. Ruck, during many hazardous day and night operations which were launched with a view to establishing contact between Aberdares and *Mau Mau* leaders on Mount Kenya.

AWARD OF COLONIAL POLICE MEDAL

HIS EXCELLENCY the Governor is pleased to announce that information has been received from the Secretary of State that Her Majesty the Queen has been graciously pleased to approve the immediate award of the Colonial Police Medal for Gallantry to—

ARTHUR PITT (Inspector of Police Grade I)
for conspicuous gallantry in the execution of his duty.

Inspector Pitt was a member of a Special Branch detachment which, during the period 1st March to 20th May, 1955, made and maintained contact with *Mau Mau* terrorists in the Aberdare forests with a view to arranging meetings between their representatives and those of Government in order to effect a mass surrender under the terms announced by the Government on 18th January, 1955.

On numerous occasions Inspector Pitt was called upon to accompany his superior officers on hazardous journeys into the forest. He was on each journey responsible for the safety of those in the vehicle with him and was fully aware that the route which the small convoy had to take was one which gave all the initiative for attack to the terrorists. He knew also that the life of every member of the party was in danger from the armed *Mau Mau* guards "covering" the narrow bush track along which the convoy proceeded, but, despite this, he performed his task with a cheerful acceptance of the risks involved.

At the rendezvous on each occasion he assisted his superior officer, Mr. Chapman, in constantly being on the alert for any aggressive move by the *Mau Mau* sentries who were in the vicinity. He was also instructed to mingle with the assembled terrorists in order to give an impression of confidence and goodwill. While maintaining this attitude in precarious circumstances, Inspector Pitt played his role with a coolness which was admirable.

Throughout the period of the talks, Inspector Pitt displayed a sustained courage and a devotion to duty of a very high order.

AWARD OF COLONIAL POLICE MEDAL

HIS EXCELLENCY the Governor is pleased to announce that information has been received from the Secretary of State that Her Majesty the Queen has been graciously pleased to approve the immediate award of the Colonial Police Medal for Gallantry to—

EDWARD RAYMOND EVANS (Inspector of Police Grade I)
for conspicuous gallantry in the execution of his duty.

Inspector Evans was a member of a Special Branch detachment which, during the period 1st March to 20th May, 1955, made and maintained contact with *Mau Mau* terrorists in the Aberdare forests with a view to arranging meetings between their representatives and those of Government in order to bring about a mass surrender under the terms announced by the Government on 18th January, 1955.

Throughout this period, during which he was called upon to accompany his senior officers on over 30 occasions on visits to a rendezvous in the forest, Inspector Evans displayed a sustained courage and a devotion to duty of a very high order.

On each occasion Inspector Evans was a member of the security guard and was responsible for the safety of those travelling in the vehicle with him. He was fully aware of the dangers inherent in each journey which required the small convoy's passage along the narrow bush track covered by armed *Mau Mau* guards.

On arrival at the rendezvous on each occasion, Inspector Evans assumed responsibility, with his superior officer, Mr. Chapman, for the safety of the detachment's arms and vehicles. He had to remain completely alert and yet make no move which might arouse the suspicions of the armed *Mau Mau* sentries who, as he well knew, were watching him from vantage points nearby.

At all times Inspector Evans displayed a cool courage and devotion to duty of a very high order.

AWARD OF COLONIAL POLICE MEDAL

HIS EXCELLENCY the Governor is pleased to announce that information has been received from the Secretary of State that Her Majesty the Queen has been graciously pleased to approve the immediate award of the Colonial Police Medal for Gallantry to—

GREGORY MALONZA NGUTHO (Assistant Inspector of Police)
for conspicuous gallantry in the execution of his duty.

Inspector Malonza was a member of a Special Branch detachment which, during the period 1st March to 20th May, 1955, made and maintained contact with *Mau Mau* terrorists in the Aberdare forests with a view to arranging meetings between their representatives and those of Government in order to bring about a mass surrender under the terms announced by the Government on 18th January, 1955.

He was, during this period, called upon to accompany his senior officers on numerous hazardous journeys into the forest. With his experience of *Mau Mau* as a Special Branch officer, Inspector Malonza had every reason to realize that, at the outset at least, he would be viewed with much suspicion by the terrorists. Despite this he never once failed in the efficient performance of the duties allotted to him.

Inspector Malonza, on over 20 occasions, was a member of the security guard responsible for the safety of the detachment. He was also instructed to move about amongst the terrorists at the rendezvous during every meeting in order to ascertain their reactions to the surrender terms and the talks which were then in progress. Despite his difficult position he performed this task coolly and efficiently and obtained valuable information.

Inspector Malonza was also a member of a team which, under the command of his senior officer, Mr. Ruck, carried out many hazardous day and night operations at a stage in the talks when every effort was being made to make contact with *Mau Mau* leaders from the Mount Kenya theatre.

Throughout the whole period of the surrender talks, Inspector Malonza displayed sustained courage and a devotion to duty of the highest order.

AWARD OF COLONIAL POLICE MEDAL

HIS EXCELLENCY the Governor is pleased to announce that information has been received from the Secretary of State that Her Majesty the Queen has been graciously pleased to approve the immediate award of the Colonial Police Medal for Gallantry to—

GITHIEYA NDIRANGO (Assistant Inspector of Police)

for conspicuous gallantry in the execution of his duty.

Inspector Githieya was a member of a Special Branch detachment which, during the period 1st March to 20th May, 1955, made and maintained contact with *Mau Mau* terrorists in the Aberdare forests with a view to arranging meetings in order to bring about a mass surrender under the terms announced by the Government on 18th January, 1955.

Inspector Githieya was called upon to accompany his superior officers on more than 30 hazardous journeys into the forest. A member of the Kikuyu tribe, he realized to the full the dangerous nature of the duties on which he was engaged. Despite his unenviable position he cheerfully undertook any task allotted to him. He was instructed on every occasion to mingle with the assembled terrorists at the forest rendezvous in order to ascertain their reactions to the surrender terms and the talks then in progress. He performed this duty in most trying circumstances with a remarkable intelligence and obtained valuable information.

Having by his own efforts gained the confidence of the terrorists, Inspector Githieya was frequently called upon to act as an interpreter to the leader of the Special Branch team. On these occasions he sat unarmed in a forest clearing for many hours under the guns of the *Mau Mau* sentries.

Inspector Githieya also assisted his superior officer, Mr. Henderson, when a group of terrorists from the Aberdares was brought to Nairobi in order to contact gang leaders and the Passive Wing in the City. He then played an extremely important role in a number of very dangerous operations and he frequently risked his life in order to ensure the success of his mission.

At all times and in all the varying circumstances throughout the long period while contact with the terrorists was maintained this officer displayed courage, devotion to duty and loyalty of a very high order.

GOVERNMENT NOTICE No. 1360

(G.H. 1931/10/27/II)

AWARD OF BAR TO GEORGE MEDAL

HIS EXCELLENCY the Governor is pleased to announce that information has been received from the Secretary of State that Her Majesty the Queen has been graciously pleased to approve the immediate award of Bar to George Medal to—

IAN STUART MCWALTER HENDERSON (Superintendent of Police)

for gallantry of an extremely high order.

Mr. Henderson was the second-in-command of a Special Branch detachment which, during the period 1st March to 20th May, 1955, made and maintained contact with *Mau Mau* terrorists in the Aberdare Forest, with a view to arranging meetings between their representatives and those of Government, in order to bring about a mass surrender of terrorists under the terms announced by the Government on 18th January, 1955. Throughout this period, in the course of which he made some 34 visits to the forest, Mr. Henderson displayed a sustained courage and a devotion to duty of the highest order, being fully aware that his life was in great danger.

At the outset it was essential to establish confidence in the minds of the terrorists. To this end, between the 1st and 17th March, seven visits were made to the forest. The rendezvous on each occasion was some two miles in from the forest edge and was approached by a route which left all initiative of attack with the terrorists. On each occasion Mr. Henderson drove the leading vehicle of the small convoy, thereby placing himself in a most vulnerable position. On arrival at the small forest clearing where talks were to take place, Mr. Henderson alone dismounted from his vehicle and walked forward unarmed to a bamboo post placed on the track where a message was usually

left by the terrorists. This evidence of non-aggression was essential in order to give the terrorists confidence in showing themselves. Mr. Henderson fully realized that on such occasions he was an easy target and that he was in his every movement watched and covered by armed *Mau Mau* sentries in the vicinity.

Following the first meeting between terrorist leaders and Government representatives in Nairobi, which took place on 18th March, it was necessary for the Special Branch team to make some 27 further visits to the forest. Despite the fact that towards the end of March it became known that certain *Mau Mau* leaders were actively against the surrender talks, and that they had threatened to ambush a party entering the forest, Mr. Henderson persisted on every occasion in driving the leading vehicle. This was, in fact, desirable because any change in the composition or layout of the party would have made the terrorists suspicious and prejudiced the operation.

During the 34 meetings which were held Mr. Henderson, who, on account of his knowledge of the Kikuyu language was the Special Branch party's spokesman, sat for many hours in a forest clearing unarmed and knowing that there were armed *Mau Mau* on duty nearby. On a number of occasions he had, in fact, to conduct his talks in the shadow of *Mau Mau* sentries who stood with loaded weapons in his immediate vicinity.

His sustained courage and example were an inspiration to all who worked with him.

GOVERNMENT NOTICE No. 1361

(G.H. 1931/10/27/II)

AWARD OF BAR TO GEORGE MEDAL

HIS EXCELLENCY the Governor is pleased to announce that information has been received from the Secretary of State that Her Majesty the Queen has been graciously pleased to approve the immediate award of Bar to George Medal to—

BERNARD EDWARD RUCK (Superintendent of Police)

for gallantry of an extremely high order.

Mr. Ruck was a member of a Special Branch detachment which, during the period 1st March to 20th May, 1955, made and maintained contact with *Mau Mau* terrorists in the Aberdare forests with a view to arranging meetings between their representatives and those of Government, in order to bring about a mass surrender under the terms announced by the Government on 18th January, 1955. Throughout this period, in the course of which he accompanied the detachment on 34 visits to the forest, Mr. Ruck displayed a sustained courage and a devotion to duty of the highest order, being fully aware that his life was in great danger.

Mr. Ruck normally drove the second vehicle in the small convoy, which had to approach the rendezvous some two miles in the forest, by a route which from the point of view of surprise attack left all initiative with the terrorists. He fully appreciated the danger of his position but never once failed efficiently to perform his allotted task.

Mr. Ruck was always a member of the team, usually only three strong, which on each occasion had to enter a clearing unarmed for the actual talks with terrorists. He then became responsible for keeping on the alert and watching for any aggressive move by the other side. He knew that while in the clearing there were a number of armed *Mau Mau* guards in the vicinity who were watching him. On certain occasions these armed guards showed themselves and more than once adopted an aggressive and provocative attitude. Despite this, Mr. Ruck continued calmly to do his duty in circumstances which would have unnerved a person of lesser courage.

A stage was reached in the talks when it was necessary that every effort should be made to contact *Mau Mau* leaders on Mount Kenya and to this end Mr. Ruck led a team of terrorists on numerous operations in circumstances of extreme danger. During these operations he showed a complete disregard for his own safety and in his efforts to make the correct contact exposed himself to grave danger.

Throughout the operation Mr. Ruck displayed sustained courage of the highest order.

The following action should be taken by the persons concerned:—

- (1) *Importers* should specify the provision of flexible cords complying with British standards and connected in accordance with British practice when ordering apparatus from other than British sources.
- (2) *Dealers* should ensure that existing stocks of apparatus on which the flexible cords are either of non-standard colouring or not connected in accordance with British practice are made to comply with regulations before they reach the hands of the user.

Special Conditions

1. The grantee shall erect complete for occupation within 24 months of the date of the commencement of the term, a building of not less than two storeys of approved design on proper foundations constructed of stone, burnt brick or concrete, with roofing of tiles or other permanent materials approved by the Commissioner of Lands and shall maintain the same in good and substantial tenable repair and condition, including the external paintwork during the continuance of the term.

14. The grantee shall pay on demand the appropriate cost of constructing all roads, including footpaths, road drains and sewers serving or adjoining the land as may be assessed by the Commissioner of Lands from time to time as the several phases of construction are proceeded with to a final bituminized standard of roads.

15. The annual cost of the maintenance of the roads when constructed will be paid in proportion to the frontage of each plot by the grantee of such plot until such time as the roads are taken over by the Local Authority.

16. The grantee shall use and permit to be used the land hereby granted for business purposes only, but shall be at liberty to use the said land for the combined purpose of business and residence notwithstanding, provided that in the event of the said land being used for the said combined purpose, then not more than 75 per cent of the area shall be built upon, otherwise not more than 90 per cent shall be built upon or such lesser areas as the Municipal by-laws permit.

4. Applications must not be sent direct to the Commissioner of Lands.

5. Applicants must enclose with their applications their cheque for Sh. 1,000 as a deposit, which will be dealt with as follows:—

- (a) If the applicant is offered and takes up and pays for the plot within a period of seven days as required by Condition (a) (1) below, the deposit will be credited to him.
- (b) If the application is unsuccessful, the applicant's deposit will be returned to him.
- (c) If the application is successful and the applicant fails to take up and pay for the plot within a period of seven days as required by General Condition No. 1 below, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

(a) General Conditions

1. The allottee of the plot shall pay to the Commissioner of Lands within seven days of notification that his application has been approved, the assessed stand premium and proportion of annual rent, together with the survey fees, the fees payable in respect of the preparation and registration of the grant (Sh. 220) and the stamp duty in respect of the grant (approximately 2 per cent of the stand premium and annual rent). In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

2. The grant will be issued in the name of the allottee as stated in the letter of application.

(b) Special Conditions

1. The grantee shall erect complete for occupation within 18 months of the date of the commencement of the term a building of approved design on proper foundations constructed of stone, burnt brick or concrete with roofing of tiles or other permanent materials approved by the Commissioner of Lands and shall maintain the same in good and substantial tenable repair and condition including the external paintwork during the continuance of the term.

2. No buildings shall be erected on the plot unless plans (including block plans showing the positions of the buildings), drawings, elevations and specifications thereof shall have been approved by the Local Authority and by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted, in triplicate to the District Commissioner, Thomson's Falls, within three months of the date of the commencement of the term.

3. In the event of the grantee failing to comply with any condition herein contained, any proceedings that may be necessary will forthwith be instituted for the recovery of the land. Moneys that may have been paid in respect of the plot will be forfeited to the Crown.

4. No buildings erected on the said land may be occupied until the grantee shall have submitted a block plan with the position of such buildings clearly defined and showing a system of drainage for disposing of surface and sullage water on the said land and also for disposing of sewage by water-borne carriage to a septic tank and soakage pit in each case to the satisfaction of the Local Authority and the Commissioner of Lands and the grantee shall also satisfy the local Authority and the Commissioner of Lands that such systems of drainage have been properly constructed, such satisfaction in both cases to be expressed in writing.

5. The grantee shall at his own expense duly and suitably connect such drainage system with any town drainage system when in the opinion of the Local Authority the latter system is so far completed as to enable the grantee reasonably so to do.

6. The grant will be made under the Crown Lands Ordinance (Cap. 155 of the Revised Edition of the Laws of Kenya) and title will be issued under the Registration of Titles Ordinance. The term of the grant will be 99 years from the first day of the month following the notification of the approval of the grant.

7. Any building erected on the plot shall conform to a building line decided upon by the Local Authority.

8. The grantee shall not sell or transfer the plot nor enter into any mortgage (other than with the consent of the Commissioner of Lands for the raising of a loan for building purposes) or agreement for sale in respect thereof until Special Condition No. 1 shall have been performed.

9. The grantee shall not at any time during the continuance of the term of the grant subdivide the land or assign, sublet or otherwise dispose of any portion without prior consent in writing of the Governor.

10. All out-buildings, offices, etc., shall be properly sited and screened from view to the satisfaction of the Local Authority or such person as may be appointed for the purpose and shall be kept so screened during the continuance of the grant.

11. The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon the plot and lay and have access to water mains, sewers, pipes, and drains, telegraph and telephone wires and electric mains of all descriptions whether overhead or underground without payment of compensation and the grantee shall not erect any buildings in such a way as to cover or interfere with any existing alignment of mains, sewers or service pipes or the telegraph or telephone wires and electric mains aforementioned.

12. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or Local Authority upon the land or the buildings erected thereon including any contribution or other sum paid by the Government in lieu thereof.

13. The application shall be deemed to be upon and subject to the conditions herein contained and the provisions of the Crown Lands Ordinance (Cap. 155 of the Revised Edition of the Laws of Kenya) and in particular Part VII thereof.

14. The grantee shall pay on demand the proportionate cost of the construction of roads and drains to serve the plot as may be assessed by the Commissioner of Lands.

15. The annual cost of the maintenance of the roads when constructed will be paid in proportion to the frontage of the plot by the grantee.

16. Should the grantee of the plot specified herein or the Local Authority at any time require the road to be constructed to a higher standard, the cost of this construction will be paid proportionately by the said grantee as may be assessed by the Commissioner of Lands.

17. The grantee shall use and permit to be used the land hereby granted for business purposes only, which shall not include a Petrol Station, but shall be at liberty to use the said land for the combined purpose of business and residence notwithstanding, provided that in the event of the said land being used for the said combined purpose, then not more than one-half of the area thereof shall be built upon or if for business purposes only then not more than 90 per cent shall be built upon.
