10 “(a) the amount standing to the credit of the Government in respect of export profits accrued on maize on the winding up of the account of the East African Cereals Pool as at the 31st day of July, 1952, less any payments therefrom to maize producers made or approved by the Government prior to the commencement of this Ordinance;”;

15 and

20 (b) by substituting a semi-colon for the full stop which appears at the end of paragraph (c) thereof and by adding immediately thereafter a new paragraph as follows—

25 “(d) such other sums, derived from transactions in maize effected by the Maize Controller, as the Minister, with the concurrence of the Minister for Finance, may from time to time direct to be paid to the Maize Fund.”

3. Section 7 of the principal Ordinance is amended by substituting a semi-colon for the full stop which appears at the end of paragraph (b) thereof and by adding immediately thereafter a new paragraph as follows— Amendment of section 7 of the principal Ordinance.

30 “(c) such other sums, derived from transactions in sorghum effected by the Produce Controller, as the Minister, with the concurrence of the Minister for Finance, may from time to time direct to be paid to the Sorghum Fund.”

**MEMORANDUM OF OBJECTS AND REASONS**

A credit of £1,019,495 accrued to the Government on the winding up the account of the East African Cereals Pool as at the 31st July, 1952. Between that date and the 28th day of October, 1954, certain sums were paid out of the credit, and other payments, although not made, were approved by the Government. On the 28th October, 1954, the Maize and Sorghum (Imposition of Cess) Ordinance, 1954, came into force. Paragraph (a) of section 3 of that Ordinance required the credit as at the 31st July, 1952, to be credited to the Maize Fund, and failed to take into account or reflect the various sums paid out during the intervening period. The various payments were proper and legal, and it is desirable to amend paragraph (a) of the section, in order that it should relate to the balance of the credit as it stood on the date upon which the Ordinance came into force. Paragraph (a) of clause 2 of this Bill makes the necessary amendment.

Certain maize transactions, on an interterritorial basis, have resulted in a profit being made by Government, through the agency

of the Maize Control, and it is deemed equitable that this sum of money and other similar future profits should, with the concurrence of the Minister for Finance, be credited to the Maize Fund. Paragraph (b) of clause 2 of this Bill makes provision enabling these sums to be credited to the Maize Fund. Clause 3 of this Bill makes similar provision in regard to the Sorghum Fund.

In the event of this Bill being enacted, it is not anticipated that any additional expenditure of public moneys will be incurred.

Nairobi,  
14th October, 1955.

GOVERNMENT NOTICE No. 1425

The Governor in Council has approved of the introduction of the following Bill into Legislative Council.

A. W. PURVIS,  
*Clerk of the Legislative Council.*

**A BILL ENTITLED  
AN ORDINANCE TO AMEND THE PROBATION OF  
OFFENDERS ORDINANCE**

ENACTED by the Governor of the Colony of Kenya,  
with the advice and consent of the Legislative Council thereof,  
as follows:—

Short title.

1. This Ordinance may be cited as the Probation of Offenders (Amendment) Ordinance, 1955.

Amendment of  
section 2 of  
Cap. 79.

2. Section 2 of the Probation of Offenders Ordinance (in this Ordinance referred to as the principal Ordinance) is amended—

(a) by inserting therein, immediately before the definition of "court", which appears therein, a new definition as follows—

No. 65  
of 1951. "African court" shall have the same meaning as in the African Courts Ordinance, 1951;

(b) by substituting for the definition of "court", which appears therein, a new definition as follows—

"court" means a court of competent jurisdiction but does not include an African court other than an African court upon which power under this Ordinance has been conferred;

Insertion of  
section 2A in  
the principal  
Ordinance.

3. The principal Ordinance is amended by inserting therein, immediately after section 2 thereof, a new section as follows—

Jurisdiction  
of African  
courts.

2A. The Minister may, by notice in the Gazette, confer upon any African court, exercising jurisdiction in any area to which this Ordinance has been applied, the power to make probation orders and, in respect of any African court upon which such power has been conferred, references in this Ordinance to a magistrate or to a subordinate court shall be construed as including a reference to such an African court.

**MEMORANDUM OF OBJECTS AND REASONS**

The Probation of Offenders Ordinance does not at present apply to African courts by reason of the definition of the word "court" in that Ordinance. It is considered that this Ordinance should be applied to selected African courts and this Bill makes the necessary amendments to enable this to be done, by providing that the Minister may, by notice in the Gazette, confer upon specific African courts the power to make probation orders.

No additional expenditure of public moneys will be incurred if this Bill is enacted.

Nairobi,  
14th October, 1955.

*Attorney General.*

2. The grant will be issued in the name of the allottee as stated in the letter of application.

*Special Conditions*

1. The grantee shall erect complete for occupation within 24 months of the date of the commencement of the term, a building of not less than two storeys of approved design on proper foundations constructed of stone, burnt brick or concrete, with roofing of tiles or other permanent materials approved by the Commissioner of Lands and shall maintain the same in good and substantial tenable repair and condition, including the external paintwork during the continuance of the term.

2. 14. The grantee shall pay on demand the appropriate cost of constructing all roads, including footpaths, road drains and sewers serving or adjoining the land as may be assessed by the Commissioner of Lands from time to time as the several phases of construction are proceeded with to a final bituminized standard of roads.

15. The annual cost of the maintenance of the roads when constructed will be paid in proportion to the frontage of each plot by the grantee of such plot until such time as the roads are taken over by the Local Authority.

16. The grantee shall use and permit to be used the land hereby granted for business purposes only, but shall be at liberty to use the said land for the combined purpose of business and residence notwithstanding, provided that in the event of the said land being used for the said combined purpose, then not more than 75 per cent of the area shall be built upon, otherwise not more than 90 per cent shall be built upon or such lesser areas as the Municipal by-laws permit.
